

FASTI FOREWORD

ALL LINES OF ENDEAVOR HAVE
THEIR PIONEERS WHOSE COURAGE,
ABILITY, AND INITIATIVE COMBINE TO
MAKE THEIR POSTERITY HAPPY. A
FEW SHORT YEARS AGO THE PIONEERS
FIRST SETTLED ON THE SOIL OF OUR
COMMUNITIES; YET TODAY THE EF-
FECTS OF THEIR HANDIWORK HAVE
SPREAD AFAR. JUST AS THE WORK
OF THESE PIONEERS HAS AFFECTED
US, SO OUR PIONEERING WILL
BEAR FORCIBLY ON THOSE
WHO FOLLOW US.

"The foundation of an educational institution is the beginning of the realization of the dream of those pioneers who have had the vision to see far into the future."

The FASTI

FASTI DEDICATION

IN DEDICATING THE 1927 FASTI TO
MR. GEORGE CHAFFEY, THE MEMBERS
OF THE GRADUATING CLASS FEEL
THAT IN SOME SMALL MEASURE THEY
MAY BE ABLE TO REPRESENT THE
GRACIOUS APPRECIATION OF THE COM-
MUNITIES TO ONE OF THOSE WHOSE
INITIATIVE AND RESOURCEFULNESS
HAVE DONE SO MUCH FOR THE
WELFARE OF MANKIND
THE WORLD OVER.

*The spirit of the founders forms a warm core of life from
which it receives nourishment.*

THE ORANGE AND THE BLACK

*To Chaffey's glowing colors
We owe allegiance true,
And forever we will cherish
Our banner's glorious hue;
So we'll hail our radiant colors,
Nor honor shall they lack
While Chaffey stands defender
Of the Orange and the Black.*

*Then all hail to dear old Chaffey,
All hail her colors bright;
A cheer for her defenders,
All honor to her might.
When we win athletic victories
On the football field or track
We are working sure for Chaffey
And the Orange and the Black.*

*To our high school we'll be loyal
When we leave her honored halls;
Her spirit still shall guide us
Where'er the future calls,
And we'll gain new faith and courage
As we turn our memories back
To those happy days at Chaffey
'Neath the Orange and the Black.*

So the founders of Chaffey dreamed the dream of the institution which has grown as a tree upon the mountain.

Edward C. Harwood

CAFFEY BOARD OF TRUSTEES

The Chaffey Board of Trustees, elected from the Chaffey District, which includes Alta Loma, Camp Baldy, Central, Cucamonga, Etiwanda, Fontana, Mountain View, Ontario, Piedmont, and Upland, has a difficult task because the problem of developing a school plant which meets the needs of these communities is a difficult one. There are many students of high school age in this large territory who want high school and junior college work, many adults who desire additional training, and a large group of foreign-born who desire Americanization. For this reason the resources of Chaffey include not only the regular high school and junior college work, but also work in Americanization, night school, lecture courses on agriculture which is worth while for the ranchers of the district.

In accomplishing these things the board has the advantage of being a body whose members have given long service to Chaffey. The members of this Board have, as individuals, been active members of this body since its organization. Mr. Edward C. Harwood, as president of the Board of Trustees, has served in that capacity many years. He has contributed much toward making Chaffey the remarkable institution it is today. Great is the indebtedness of the community to this exceptional leader. The other members of the Board who have given worthy service are J. C. Jones, Etiwanda, Vice-president; Howard R. Berg, Ontario, Clerk; C. C. Graber, Ontario, Trustee; Thomas W. Nisbet, Upland, Trustee. The only change in the membership of this board since its organization, occurred during 1921, when Mr. J. C. Mills, then a member of the Board, moved to Los Angeles. The vacancy caused by his resignation was filled by Mr. J. C. Jones.

GREETINGS TO THE SENIORS

"We spend our life as a tale that is told," wrote the poet of antiquity; but today we realize that we spend our lives in supreme efforts to reach our goals, to achieve our worthy ambitions, to be of service that the world will be better because we have lived. As you join the ranks of the Chaffey throngs of other years, let your place be one of strength to your home, your community, your country. You have but one life to live, so give the world your best.

Sincerely yours,

MERTON E. HILL

CABINET

Meeting during the fifth period of each Wednesday throughout the school year around a table in the principal's office, is the Cabinet. This body, formed of the administrative heads of both the High School and Junior College, here meet to discuss such matters that concern the promotion of better interests at Chaffey. A few of the problems handled by this cabinet are the recommendation of students to higher institutions; the ways and means of aiding self-supporting students; the appropriation of athletic funds; grades; arrangement of courses; and like questions which require deliberation. Each individual member is allowed to voice his opinion after the discussion of the method to be pursued is decided.

The personnel of this Cabinet is Morton E. Hill, Principal; Ernest W. Fischer, Vice-principal; Walter A. Hall, Vice-principal; Susan B. Mehl, Dean of High School Women; Charles J. Booth, Dean of Junior College; Pearl E. Clark, Dean of Junior College Women; and William W. Cushing, Vice-principal of Night School.

To the members of this cabinet the Seniors of the class of 1927 owe much. The work of this body during the past months has brought many a student from the precipice of grim despair back to the high road leading to success.

"In the multitude of counsel there is safety, may well be a guide to those who have administrative responsibilities. Our Chaffey Cabinet has come into being through my personal desire, that I might have the cumulative advice of associates in my dealing with the great number of problems confronting Chaffey's principal. Our weekly meetings make for an ever-improving Chaffey."

Robert Stump

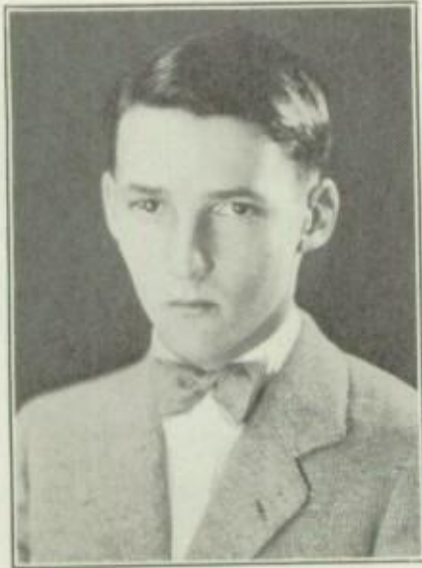

STUDENT BODY

(FIRST SEMESTER)

Throughout the entire first semester the abilities of the Executive Committee were severely tested. Many significant events occurred which were surprisingly well executed. The first event, upon which the financial success or failure of the Student-body during the year depended, was the Student-body ticket sale. The campaign carried on in the underclasses was especially successful. Following the ticket sale the most important event was the Annual Southern California Press Association Convention of which Chaffey had the honor of being the host. Paul Bodenhamer, as Tatler editor, presided over the meeting of four hundred delegates. At the final game of the successful football season, played Armistice Day with Pomona, entertained some six-thousand guests. In carrying on the Pomona-Chaffey Friendship Pact the executive committee did a very commendable deed. Two beautiful banners were presented to the Pomona Student-body at the close of the league schedule.

Robert Stump, as president, exhibited a high type of leadership. Ably assisting him was Arthur Flum, vice-president. Juanita Lutz was indeed a valuable addition to the committee as her position as secretary was important. Laura Berry, treasurer, was kept busy by the income from the ticket sale and the profits of the football games. Gertrude Bond deserves a great deal of credit for her excellent work as advertising manager. Harold Mingo, yell leader, displayed great prowess in being able to bring from the Chaffey rooters cheers which were ever ready to urge the team on to victory.

John King

STUDENT BODY

(SECOND SEMESTER)

For many years to come, the officers of the Chaffey Student Body during the year 1926-27 will be remembered for their record of events well done. The one enterprise which will have, perhaps, the most lasting effect was the choice of the Student Body Seal design. This was chosen from many submitted in a contest organized for that purpose. In different fields of activities, Chaffey was host to visiting delegations. At the second Chaffey Invitational Track and Field Meet some thirty schools sent five hundred entries. Both a novice and a regular meet took place. The gala day of the Citrus Belt League Track Season took place at Chaffey who had not been host to the four schools in several years. In spite of the cold day a large crowd witnessed the event. On April 22nd contestants in the preliminary contest of the National Oratorical Constitution Contest for this district met in the Chaffey auditorium. Many visitors came to this event.

John King, whose leadership has been felt in many activities, not only conducted the student body meetings with precision, but also organized its activities well. Florence Ashley, vice-president, was always prepared to do her share for the student body. Mary Graber proved a capable secretary; Dorothy Allen as advertising manager acquainted the townspeople with the school events, and Boyd Mathews led the cheering at the rallies and athletic events. The Tatler, under the editorship of Ida Vernon, finished a successful year. Lena Testa was an expert accountant with the student body books.

Mrs. Conger

Mr. Hall

CLASS OF 1927

Four short years ago the Seniors of 1927 met for the first time and became organized as a class. Officers were not elected until the second semester, when the following were chosen: De Loss Williams, president;

Howard Garrison, vice-president; Richard Skidmore, secretary; Ida Vernon, treasurer; and Ralph Scott, yell leader.

The fall of 1924 saw the class of '27 as Sophomores, with De Loss Williams again president; Richard Skidmore, vice-president; John Mehl, secretary; Robert Stone, treasurer; Clement Cole, yell leader. The following semester John King was chosen president; Florence Ashley, vice-president; Russell Kent, secretary; Dorothy Allen, treasurer; Clement Cole, yell leader; and Clarence Stewart, athletic manager. The class played an important part in the forensic activities of the school, winning the Podrasnik and School Declamation. A play, "Ghost Story," with John Mehl and Anna Kathryn Jessup as the principal characters, was presented at the class party in the middle of the year.

While Juniors, the class established a record. The Junior shirts were presented at a student body assembly. The class play, "The Youngest," played to a full house. Robert Stump and Jeanette Davis played the principal characters in this. Probably the most elaborate Junior-Senior reception seen at Chaffey for many years was put on by the Junior class. The class defeated the Seniors at football, and came second in track and basketball, while the girls won many contests in their sports. Officers first semester were: John King, president; Arthur Flum, vice-president; Charles Cummins, secretary; Dorothy Allen, treasurer; Clarence Stewart, athletic manager; and Howard Garrison, yell leader. Those chosen the second semester were: Arthur Flum, president; Ida Vernon, vice-president; Minnie Carpenter, secretary; Florence Ashley, treasurer; Guy Hover, athletic manager; and Kermit Benson, yell leader.

The two friendly advisers of the class who have helped the Seniors through their year's work are Mrs. Conger and Mr. Hall. Mrs. Conger has been Senior adviser for the last several years at Chaffey, and is much loved by the members of the classes she helps. Mr. Hall, who handles the Senior credentials at the office, is the other able adviser. He not only helps with class affairs, but also checks the credits of its members. Last year the class of 1926 recognized his friendship and assistance by dedicating the Fasti to him.

Harold Jordan

SENIORS

(FIRST SEMESTER)

A true spirit of fellowship was dominant when the Senior Class of '27 organized and elected their first semester officers for the school year of 1926-1927.

Great curiosity was aroused when it was rumored that the Seniors were to spring their sweaters one December day, and the students were not disappointed when during the assembly hour one Thursday a body of Senior boys and girls swarmed in the Auditorium all dressed in white and blue crewe neck sweaters with a smart '27 shield on the left side. The

program they presented was enough to arouse any Junior from his midday nap. At this entertainment a clever class song, written by Margery Beckett to the tune of Mary Lou, was exceedingly well liked. The words are as follows:

*Senior class, Senior class—
Got our sweaters, sure we have.
Oh, say, all of the Juniors have wanted to know,
Now that they see us
They must admit we're not so slow.
Yo ho, here we go,
Have we lots of pep?—yea Bo!!*

Taking everything into consideration, Harold Jordan, president, led the Seniors through a mighty successful semester.

SENIORS

(SECOND SEMESTER)

The second semester inning for the Seniors started off with a bang when the annual Pie Sale was conducted, February 4, under the direction of Bob Provine, the newly elected president. This year a friendly competition was presented between several "gangs" who made special pies, and the "Imperial Guard" group of boys, was awarded first prize for making the best pie.

"The Charm School," a clever three-act comedy, was chosen by Mrs. W. H. Kegley, dramatic coach, for the Senior play. With a very able cast, the performance was very successfully put over two nights late in February.

After Mr. Hill returned from his trip to Washington, D. C., a discussion class, conducted by our principal, was held each Tuesday for all Seniors, concerning "Government in Action."

March 11 was the date for an exceedingly entertaining and peppy banquet with Mr. S. E. Blakeslee as toastmaster.

Several trips to Laguna Beach were enjoyed by the entire class, and one trip to the County jail for inspection with a picnic lunch at Fairmount directly after also were present in the Senior activities.

One of the most unique and useful gifts ever awarded to Chaffey was given when the Class of '27 left their Alma Mater.

*"Her speech was soft and
pleasing to the ear."*

BRADLEY, SYLVA

*"The Southern girl who always
had a cheery greeting for
'you all'."*

BRIGGS, SHULER

*"And this small fellow made his
fame,
As captain of the basket game."*

BRYDEN, RANDALL

*"Not only is he clever and wise,
But shows good taste in buying
ties."*

BRYAN, JEANETTE

*"So nice to each and everyone,
With an ever pleasant 'Hello'."*

BUEHLER, AUDREY

*"From the crown of her head,
To the sole of her feet,
She is all mirth."*

BUSHNELL, STEWART

*"We grant that he had very
much wit
Although he was shy of using
it."*

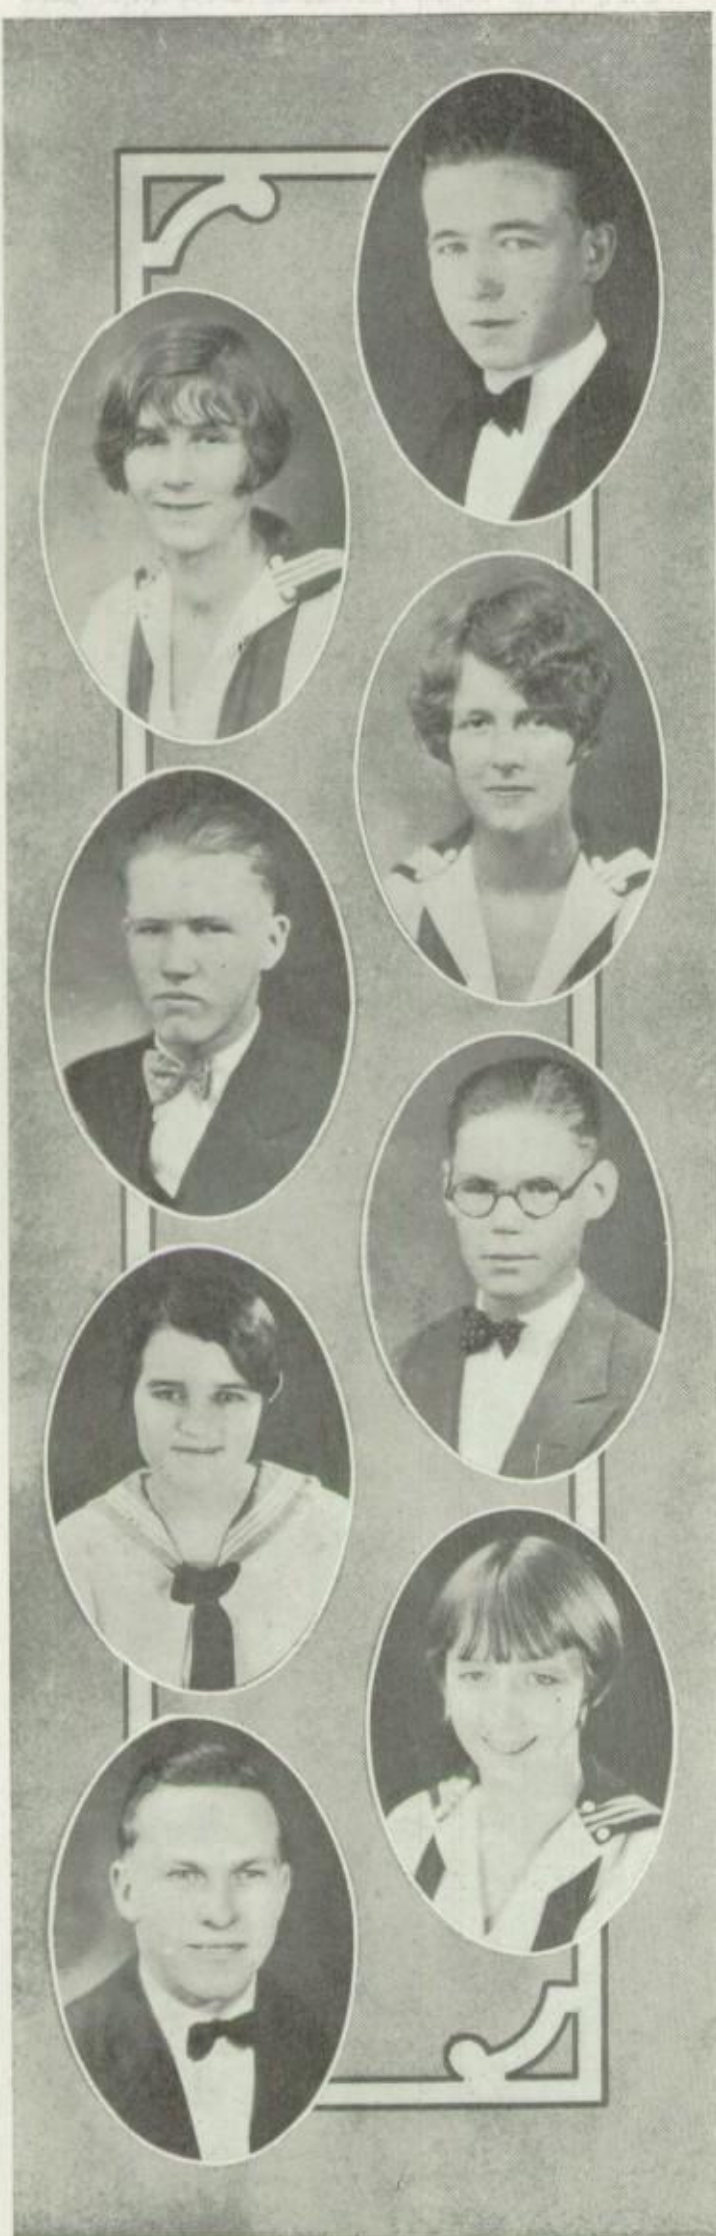

CALDWELL, MAIE

*"And what she greatly thought,
she nobly dared."*

CALDER, LOUISE

*"She worked with patience and
perseverance."*

CAMPBELL, FLOYD

*"What there may be of sorrow
Shall wait until tomorrow."*

CARPENTER, MINNIE

*"No lark could warble notes
more sweet."*

CHURCH, KATHRYN

*"She's pretty to walk with,
Witty to talk with,
And pleasant, too,
To think on."*

CARR, ALMON

*"He who owns the soil,
Owns up to the sky."*

CASTLE, WESLEY

*"Worth, courage, honor;
These indeed, belong to you."*

CLARK, THELMA

*"An ounce of mirth is worth a
pound of sorrow."*

COE, RUTH

*"Her cleverness, her ingenuity,
Portray a clever personality."*

CHAPMAN, EDWIN

*"A noble worker with truth
and honor."*

COFFIN, ROBERT

"I am sure care is an enemy to life."

COLE, CLEMENT

"His arguments were clear and straight to the point."

COLEMAN, JAMES

"The best among fellows."

COOK, CRETA

"Her dark, wavy hair was the envy of the others not so fortunately blessed."

CORDS, EDMOND

"Eloquence shows the power and possibility of man."

CRITCHLOW, WILLIAM

*"Brawn without brain, is far from true,
For here is one who has the two."*

CUMMINS, CHARLES

"Oh, that all might have your free and noble nature."

CUTLER, GEORGE

"To be strong is to be happy."

DACUS, ELIZABETH

*"Nothing great was ever
achieved without enthusi-
asm."*

DAIKEN, ROY

*"Why attempt the impos-
sible?"—
"My answer, sir, is, 'if it were
easily achieved, it would
not interest me.'"*

DAVIDSON, JACK

*"Enough! He's a man with
good determination."*

DEAN, MARION

*"So saying, she turns in haste,
On hospitable thoughts intent."*

DIBBLE, PAUL

*"In him were found these qual-
ities rare:
Honesty and good fellowship."*

DINGER, VERLE

*"Not liberty but duty is the
condition of our existence."*

DONLEY, GRACE

*"And thy deep eyes amid the
glow,
Shine like jewels in a casket."*

DOWNING, ELIZABETH

*"For all that is fair is by
nature good."*

DUBIN, NATHAN

*"His success there is no stop-
ping;
Soon the world he will be top-
ping."*

DUNFORD, AMY

*"Her voice is soft, gentle, and
low,—an excellent thing in
a woman."*

DUNSTER, DOROTHY

*"She is prosperous when she
plays with reason and dis-
course,
And well can she persuade."*

DUTTON, JOHN

*"He was honest—and an honest
man's word is as good as
a bond."*

ERICKSON, RUTH

*"It is pleasant to know of one
so loyal and true."*

EWING, MERIAM

*"Virtue is bold, and goodness
never fearful."*

FERRIS, MARGARET

*"She seemed to be the height
of all perfection."*

FLUM, ARTHUR

*"He wears the weight of
learning
Lightly like a flower."*

FOSTER, HELEN

*"Impulsive, earnest, and prompt
to act,
To make each generous thought
a fact."*

GAGE, CHARLES

*"The best that can be said of
a man is that he is depend-
able."*

GARRISON, HOWARD

*"He gave with a zest
And he gave his best."*

GARBUTT, FRANCES

*"My heart is like a singing
bird."*

GERNANDT, HORACE

*"A man of courage is also full
of faith."*

GILLILAN, WARD

*"The man with a smile is the
man worth while."*

GILMAN, EDWYL

*"A quiet mannered fellow, he,
Courteous and quite care free."*

GOSHERT, GILBERT

*"He did what others tried,
found too difficult, and
then abandoned."*

GRABER, MARY

*"She's small, but how fine it
would be
If big ones did as much as she."*

HALDEMAN, ABEL

*"Whatever is worth doing at
all, is worth doing well."*

HAMILTON, DELWIN

*"He started to work with a
song, and when he had
finished,
There was still singing."*

HARMS, RUTH

*"Her gentle manner was her
chief attraction."*

HARPER, ARLINE

*"A little girl who is quite
petite,
And also very, very sweet."*

HEDGES, NORMAN

*"He's not so large, but we'll
agree
He surely has personality."*

HENDERSON, LOUISE

"As merry as the day is long."

HENDERSON, IRENE

*"Black hair, swift flashing dark
eyes,
And an interesting tongue that
revealed she was wise."*

HENRY, LOUISE

*"And still they gazed, and still
the wonder grew,
That one small head could
carry all it knew."*

HERWIG, STELLA

*"It is a friendly heart that has
plenty of friends."*

HIEBERT, LUELLA

*"Pleasant to listen to, and
even more pleasant to look
upon."*

HILBERG, THOMAS

*"He cannot keep from winning
fame,
For progress is his highest
aim."*

HILLER, ELEANOR

*"One fond of listening,
Rather than of talking."*

HOLDEN, MARIAN

*"Industrious, active, always
achieving."*

HOOKE, BEULAH

*"The rule of my life is to make
business a pleasure, and
pleasure my business."*

HOLMAN, GERALDINE

*"The name of 'Jolly Jerry' was
quite suited to this happy
miss."*

HORAK, HARLAND

*"An agricultural life is one
eminently calculated for hu-
man happiness and human
virtue."*

HOVER, GUY

*"Mighty things are wrought in
silence."*

HULL, MORTON

*"If efficiency is worth, you'll
never meet a man more
worthy."*

HOWELL, MIGNONETTE

*"A fair-haired lass with the
sweetest of sweet manners."*

IMHOFF, HELEN

*"Never seeking aid, but always
helping others."*

HUNTLEY, ROBERT

*"For he's honourable,
And doubling that, twice
honourable."*

JACOBS, MILDRED

*"What is life without an oc-
casional smile?"*

JAMES, MARION

*"The twinkle in her eye de-
notes a merry maid."*

JELLISON, CLIFFORD

*"His words are bonds, his
thoughts the highest."*

JESSUP, ANNA KATHRYN

*"Not so much at making noise,
But liked by both the girls and
boys."*

JORDAN, HAROLD

*"If there is a way, he will find
it."*

KARNES, ROBERT

*"I prefer to be their servant
in my way,
Than to sway with them in
theirs."*

KILER, FRANK

*"He chose the way that seemed
the best,
No matter how rough its
course."*

KING, JOHN

*"And when they hear him,
They listen in admiration."*

LADY, LEONA

*"She knew that to have friends
she should be one;
And this she did."*

LARICK, HARVEY

*"Many would work, but few
with such whole hearted-
ness and good will."*

LEE, FRANCIS

*"The most manifest sign of
wisdom is continued cheer-
fulness."*

LEISER, HARRY

*"A man prepared is a man
progressing."*

LICHTI, ANNA

*"It's wiser being good than
bad;
It's safer being meek than
fierce."*

LINKEY, FRANCES

*"So she poured out the liquid
music of her voice to
quench their thirst."*

LICHTI, HELEN

*"Whate'er she does, she doeth
well,
And in her studies, she doth
excel."*

LUNDEEN, VICTOR

*"I am in earnest—I will not
retreat a single inch—and
I will be heard."*

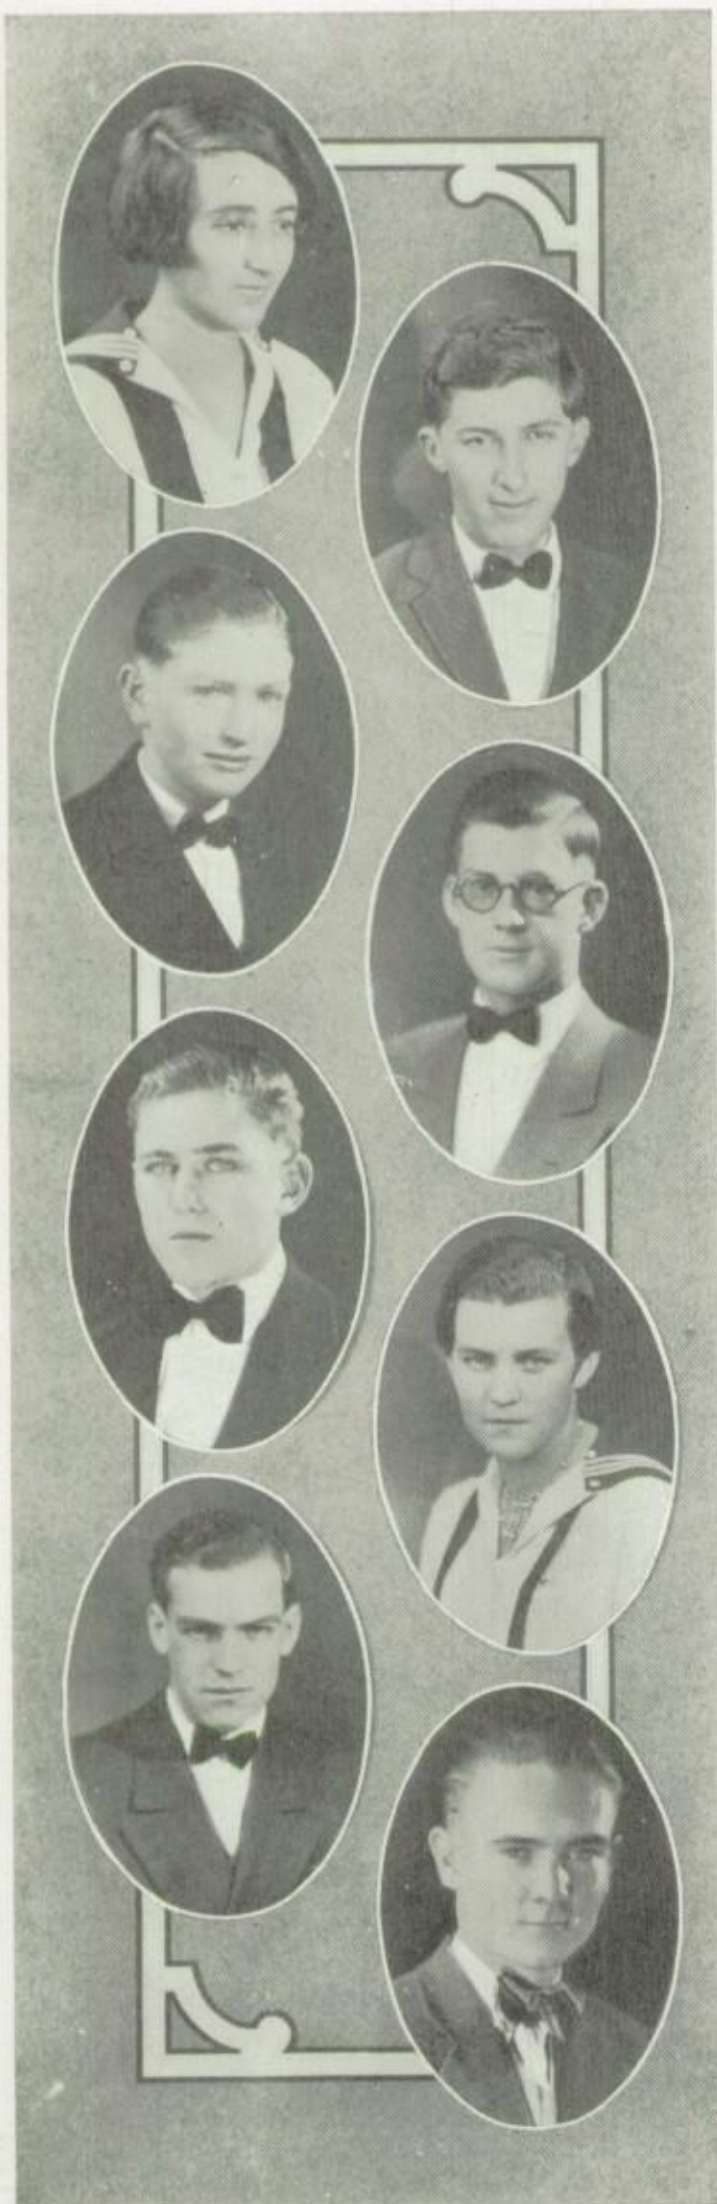

LUTZ, JUANITA

*"A debater of merit,
An orator, too;
But the best thing about her
Is a friend fast and true."*

MARTIN, JANET

*"A tall, a happy yet stately
girl,
Who, if you know, gives joy."*

MARYANOW, BESSIE

*"Where there is aspiration,
success is the inevitable
result."*

MARYANOW, JOSEPH

"Mine is not an idle cause."

MATHEWS, BOYD

*"His aim is high, but he'll get
there,
For he has ability and plays
most fair."*

MAXCY, SAM

*"His look drew audience and
attention still as night."*

McKEE, CLAUDE

"A light heart lives long."

MEEK, ELIZABETH

*"Thoughtless of self, she was
thought of by others."*

MEEK, ROBERT

*"By notable athletic fame
He has made himself a name."*

MEHL, JOHN

*"Ambition, it is true, is the
stepping stone to success."*

MILLER, OLA

*"Bright as the sun her eyes the
gazers strike,
And, like the sun, they shine
on all alike."*

MIKAMI, MAMORU

*"One who never turned his back
in flight,
But always marched straight
forward."*

MILLEMAN, ESTLER

*"An athlete of whom we may
all be proud to boast as
ours."*

MILLER, MARIE

*"A pleasing countenance is no
slight advantage."*

MONTGOMERY, ISABELLE

*"Her hair shone like fine spun
threads of gold,
When the sun shone upon it."*

MOORE, GLENN

*"Nothing can take the place of
a virtuous education."*

MERRILL, RALPH

*"All things come to him who
waits,
But quicker do they come when
sought for."*

MORRISON, ANNIE

*"Grace was in all her steps,
And in every gesture dignity."*

MORROW, ETHEL

"Gentle in manner, yet firm in reality."

MUELLER, LAWRENCE

"Fiercest weapons were of no avail against his tawny arms."

NEWBILL, KELLIE

"He shall attain the unattainable."

MUELLER, MARGARET

"In these days a loyal girl is a true rarity."

MYERS, ELIZABETH

*"Blue were her eyes like the fairy flax,
Her cheeks like the dawn of day!"*

NICHOLLS, DORIS

"Gentleness leads to success quicker and easier than violence."

NICHOLSON, FLORENCE

"Silence is more eloquent than words."

NYBERG, DONALD

"Always a willing worker; ever anxious to lend a hand."

O'BRIEN, SALLY

*"Here is a true daughter of
Erin;
This fact cannot be doubted."*

OLSON, ETHEL

*"A little, tiny, pretty, witty,
charming, darling she."*

ORD, LA VELLE

*"He found nothing impossible
in the field of honest en-
deavor."*

PATA, WILLIAM

*"For character is higher than
all."*

PAXSON, MELBA

*"Gentle of speech, beneficent of
mind."*

PAYNE, RUTH

*"When night has set her silver
lamp on high,
Then it is the time to study."*

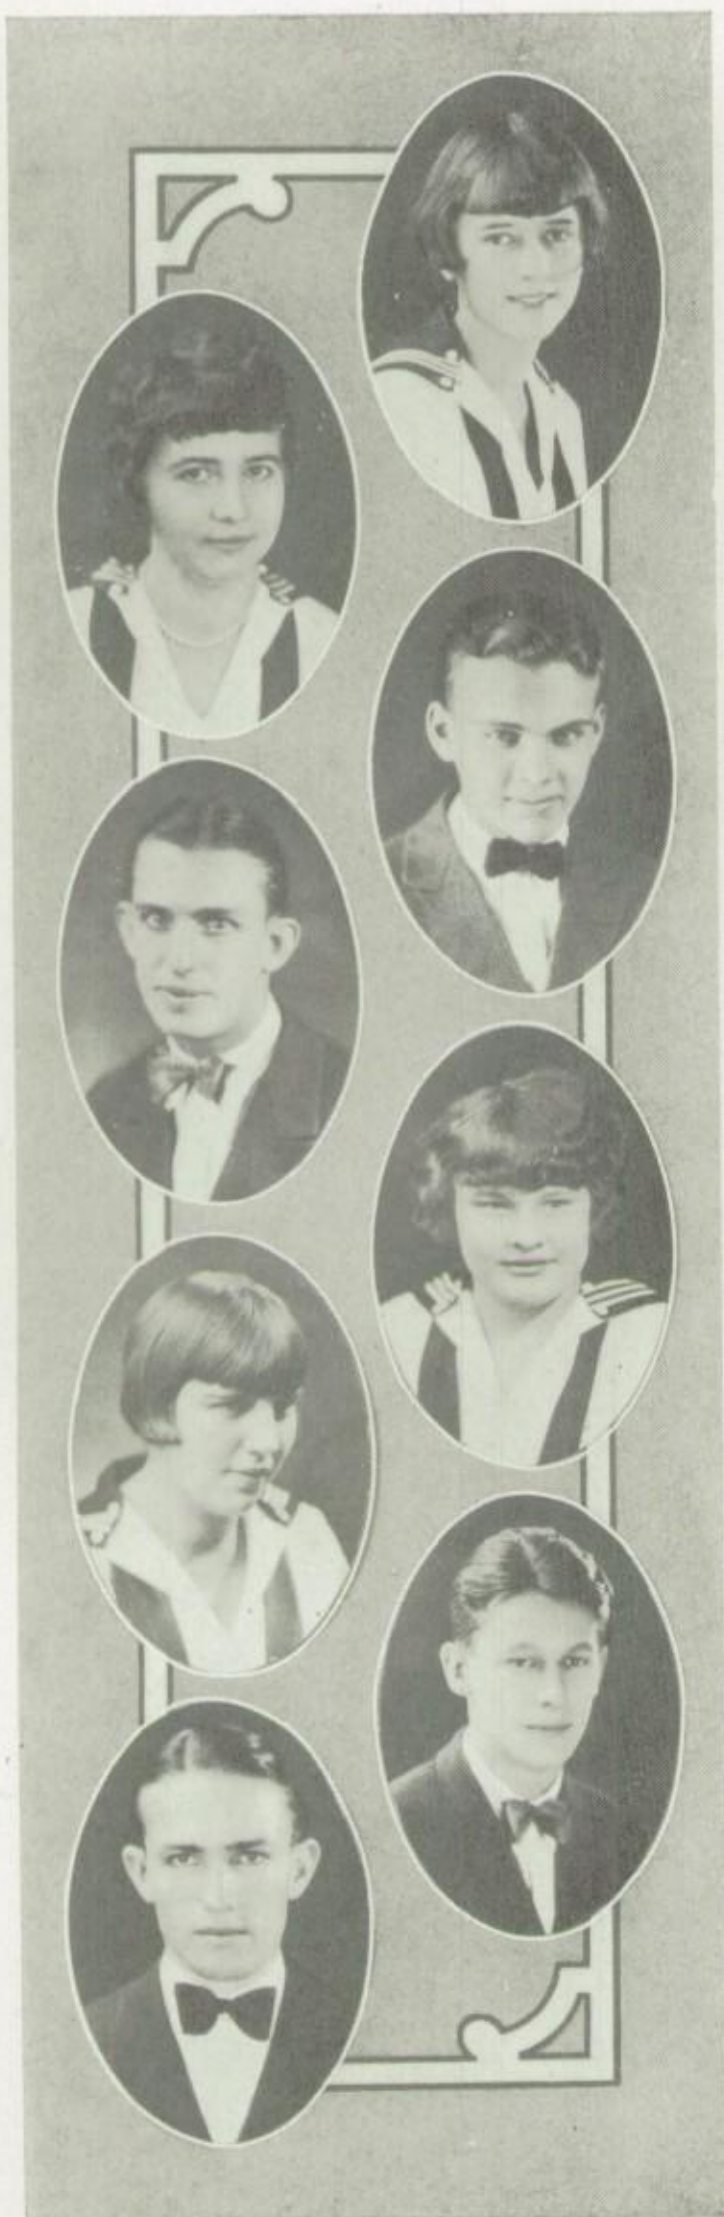

PETERSON, CHLOE

*"The thing that goes farthest
toward life worth while,
That costs the least, and does
the most, is just a cheery
smile."*

PELTIER, HOWARD J.

*"All the world's a stage, and
we but players on it."*

PETERSON, GLADYS

*"Zealous, yet modest; innocent,
though free;
Patient of toil; serene amidst
alarms."*

PITTENGER, MILDRED

*"Gentle, tender, sweet and
kind;
Are her attributes defined."*

PLASMAN, FLOYD

*"Loathing pretense, he did with
cheerful will
What others talked of while
their hands were still."*

POISTER, CHESTER

*"No legacy is so rich as
honesty."*

PRICE, MIRIAM

*"It is by far better to be small
and shine,
Than to be large and cast a
shadow."*

PORTER, ATHALIA

*"She won her fame upon the
court,
And shall always be known
As a queen of good sport."*

PROTHERO, LOUIS

*"He adorned whatever subject
he either spoke or wrote
By the most splendid elo-
quence."*

PROVINE, ROBERT

*"And there was constant praise
of his achievements."*

RADER, BRUCE

*"Cheerful at morn he wakes
from short repose,
Breathes deep the keen air, and
sings as he goes."*

RATCLIFF, FLORENCE

*"Patience—that quality so
necessary to achieve
genius."*

RAUSIN, BEATRICE

*"Smiles, smiles, smiles! Did
she ever once look sad?"*

REED, ELMON

*"Undaunted he went on; and
if something blocked his
way, he merely leaped over
it."*

RICHARDSON, WILLIAM

*"His heart was as great as the
world."*

REDIGER, GLADYS

*"A maid to whom was given
So much of earth, so much of
heaven."*

ROCKEY, BETTY

*"Oh, sweet content, where do
you harbour hold?"*

REEDER, LEWIS

*"How true is that old saying,
'Still waters run deep'."*

ROSENECK, FLORENCE

*"She had a soft and pensive
grace,
A cast of thought upon her
face."*

SANDERS, PAUL

*"Happiest of all is he
Whose mind from vain desires
is free."*

SCOTT, RALPH

*"His independence was a most
admirable feature."*

SCHROLL, MINNIE

*"Water runs smoothest where
the brook is deepest."*

SETTLE, ETHEL

*"Never content—always striv-
ing to do better."*

SCOTT, PHILIP

*"He needs no commendation
for his deeds,
For they speak loud in them-
selves."*

SHANK, CLIFFORD

*"Always courteous,—always
trying to be of assist-
ance to someone."*

SHATTUCK, LOIUSE

*"Never idle a moment, but
thrifty and thoughtful of
others."*

SHEPPARD, WILLIAM

*"Great thoughts, like great
deeds, need no trumpeting."*

SKILLMAN, ELEANOR

*"And as she played, they heard
tones of divinest harmony."*

SHEPPERSON, GERTRUDE

*"Such a fair face and wisdom
are rarely joined."*

SEIGLE, CHRISTINE

"My mind to me a kingdom is."

SMALE, IRENE

*"Taste is the next gift to
genius."*

SMITH, DELLA

*"Joyful always,—never finding
time to weep."*

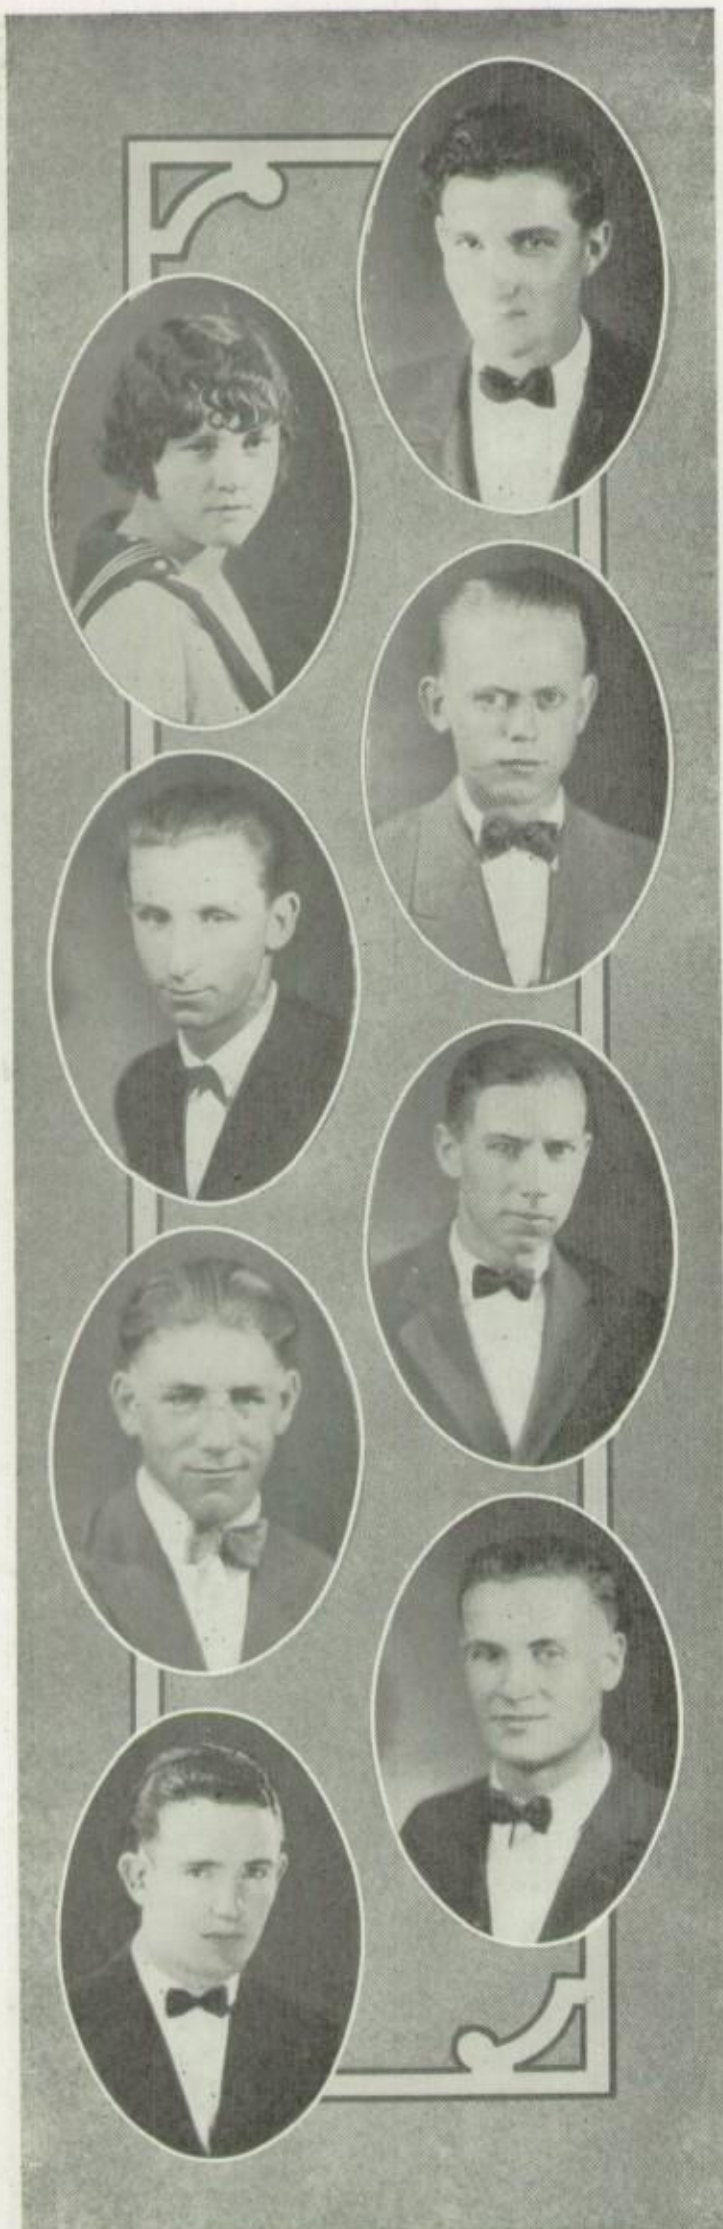

SMITHSON, MARY LOU

*"Her very frowns are fairer
far
Than smiles of other maidens
are."*

SMITH, THOROLD

*"Just for fun he injected a few
raisins of conversation into
the tasteless dough of ex-
istence."*

SPRINKLE, ERNEST

*"There is no true orator who is
not a hero."*

SPECK, HAZEL

*"The thought of selfishness
ne'er once entered her
mind."*

STAFFELD, RAYMOND

*"There is so much good in the
worst of us,
And so much bad in the best of
us."*

STARLING, EMIL

*"We live not to ourselves; our
work is life."*

STARK, OLIN

*"Life is not so short but there
is time enough for cour-
tesy."*

STEINER, FRED

*"If size means anything at all,
There's some advantage to be
tall."*

STEINMEIER, HAROLD

*"A little nonsense now and
then,
Is relished by the wisest men."*

STEWART, CLARENCE

*"Since Clarence took up the
baseball game,
The sport has become of widely
known fame."*

STIBER, MARIE

*"The noblest mind the best
contentment has."*

STOKES, NORMAN

*"It's the steady, quiet kind
who win the race of life."*

STONE, ROBERT

*"Some day his worthy name
Will be in the hall of fame."*

STROH, JOHN

*"Reading maketh a full man,
conference a ready man,
and writing an exact man."*

STRUNK, HELEN

*"And she tells readily what
hours o' the day
The clock does strike by Alge-
bra."*

STUMP, ROBERT

*"Except for his youthful ap-
pearance,
We would believe him to be one
of the original wise men."*

TAYLOR, MAINARD

*"The world is a wheel, and it
will all come round right."*

TESTA, LENA

*"She hath a natural, wise sin-
cerity."*

TE SELLE, MARGARET

*"She found no difficulty in be-
coming acquainted,
For all were anxious to know
her."*

TILDEN, PAULINE

*"Fair and smiling she greets
you
And she leaves you similarly."*

TINSLEY, WALLACE

*"Far be it from us to criti-
cize
One who always looks so wise."*

VAUGHN, FAY

*"My thoughts are my very best
companions."*

VELLUTI, LYDIA

*"Nor did she put off till the
morrow what could be done
today."*

VERNON, IDA

*"It was impossible until it
reached her,
And then it was a simple mat-
ter."*

VICKERY, BEULAH

*"Her voice was heard mingled
with the others,
For tones of sweetest har-
mony."*

VOSS, JOHN

*"The heart to conceive, the un-
derstanding to direct, and
the hand to execute."*

WALKER, JACK

*"He is not big as most of you,
But Napoleon was a small man
too."*

WANGLER, IOLA

*"For of every noble work the
silent part is best,
Of all expression, that which
cannot be expressed."*

WEBSTER, EMILY

*"She was quick in her speech
and bright in expression."*

WASSMAN, HARLAN

*"Indeed, the word 'gentleman'
could be used most correct-
ly in reference to him."*

WATT, ORVILLE

*"A prudent fellow who always
caught the stag
Before he thought of skinning
it."*

WEBBER, MABEL

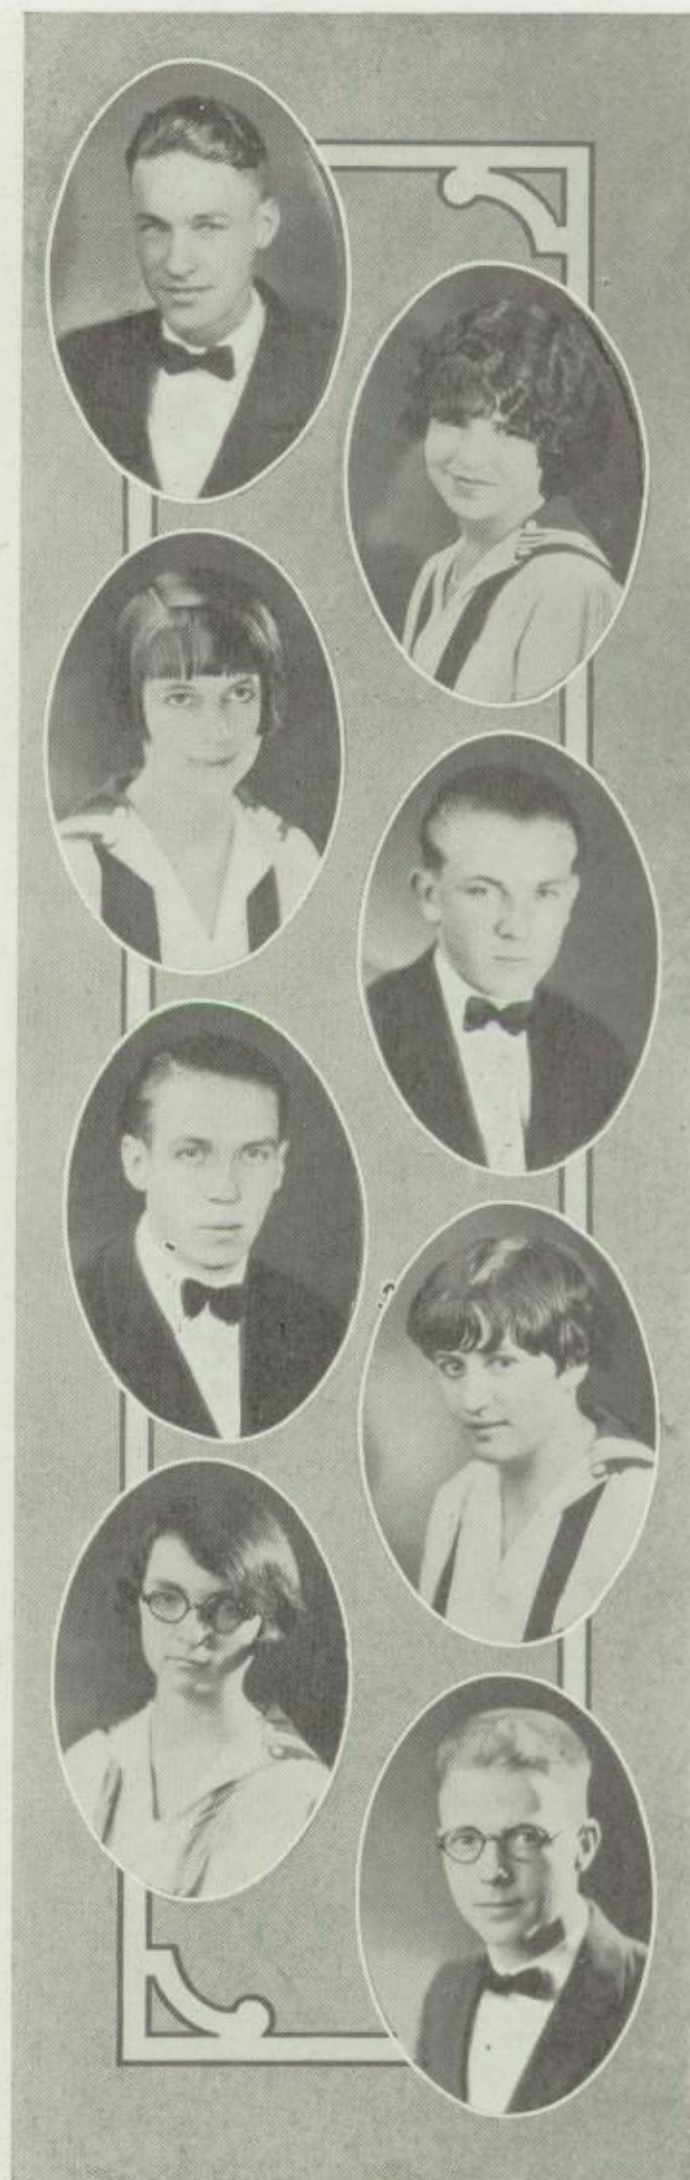

*"From a little spark may burst
a mighty flame."*

WHEELER, GRACE

*"She never, with important air,
Her conversation does over-
bear."*

WILLIAMS DELOSS

*"He was a gentleman on whom
could be built an infinite
trust."*

WILLIAMSON, ERNEST

"Reading maketh a full man."

YOUNGBLOOD, RUBY

"Kindness is wisdom."

WRIGHT, BEULAH

*"Wisdom! That which all might
possess, but do not
For they lack the perseverance
to study."*

LEECH, GEORGE

*"Few things are impossible to
diligence and skill."*

WILSON, JASPER

*"It's not the receiving of a
favor that counts,
But the returning of it."*

ALLISON, STEWART

*"Happy is the man who has
both health and wit,
For his wealth will worthily be
used."*

GOELITZ, RAYMOND

*"In scholarship he ranked
above all others."*

KOCH, LEO

*"For he has filled his life with
deeds worth while,
Not with inactive years."*

LONG, JACK

*"Whate'er he did was done
with ease, and furthermore,
to always please."*

Roland Rutledge

JUNIORS

(FIRST SEMESTER)

In all the history of the Junior Class, never has any group entered a float in a parade, however in this year of 1926, the Junior Class broke the record and exhibited a splendid float in the annual Armistice Day parade in Ontario, November 11, and what is more a surprise and honor, they took third place. An unusual and interesting feature was that the class members themselves made it with the able help of their adviser, Ernest W. Fischer.

When the annual Senior pie sale came around, the Juniors surprised the other classes, especially the Seniors, by producing a huge, beautiful pie with the numerals, '28 on it. What's more, when the bidding began and was at top speed, the class president, Roland Rutledge, bid the highest. The pie sold for the most money of any pie there.

The ever present rivalry between the Juniors and Seniors still increased when the Juniors challenged the Seniors to a series of basketball games. The first two games were won by each class respectively but when the other games were played the competition surged forward. When the decisive game was played off, never before had Chaffey seen such clean fighting. After four quarters of extremely keen playing, the Juniors emerged victorious by a small margin, thus making them the champions for the year.

JUNIOR OFFICERS

(SECOND SEMESTER)

One ordinary school day, rumors began to be circulated that the Juniors had received class shirts, or caps, or something for the class members. Due to the co-operation of the class the real choice was kept secret. At the Junior assembly the mystery was solved. The Juniors had selected vests! These were black and white, and were very original in pattern. An excellent program followed.

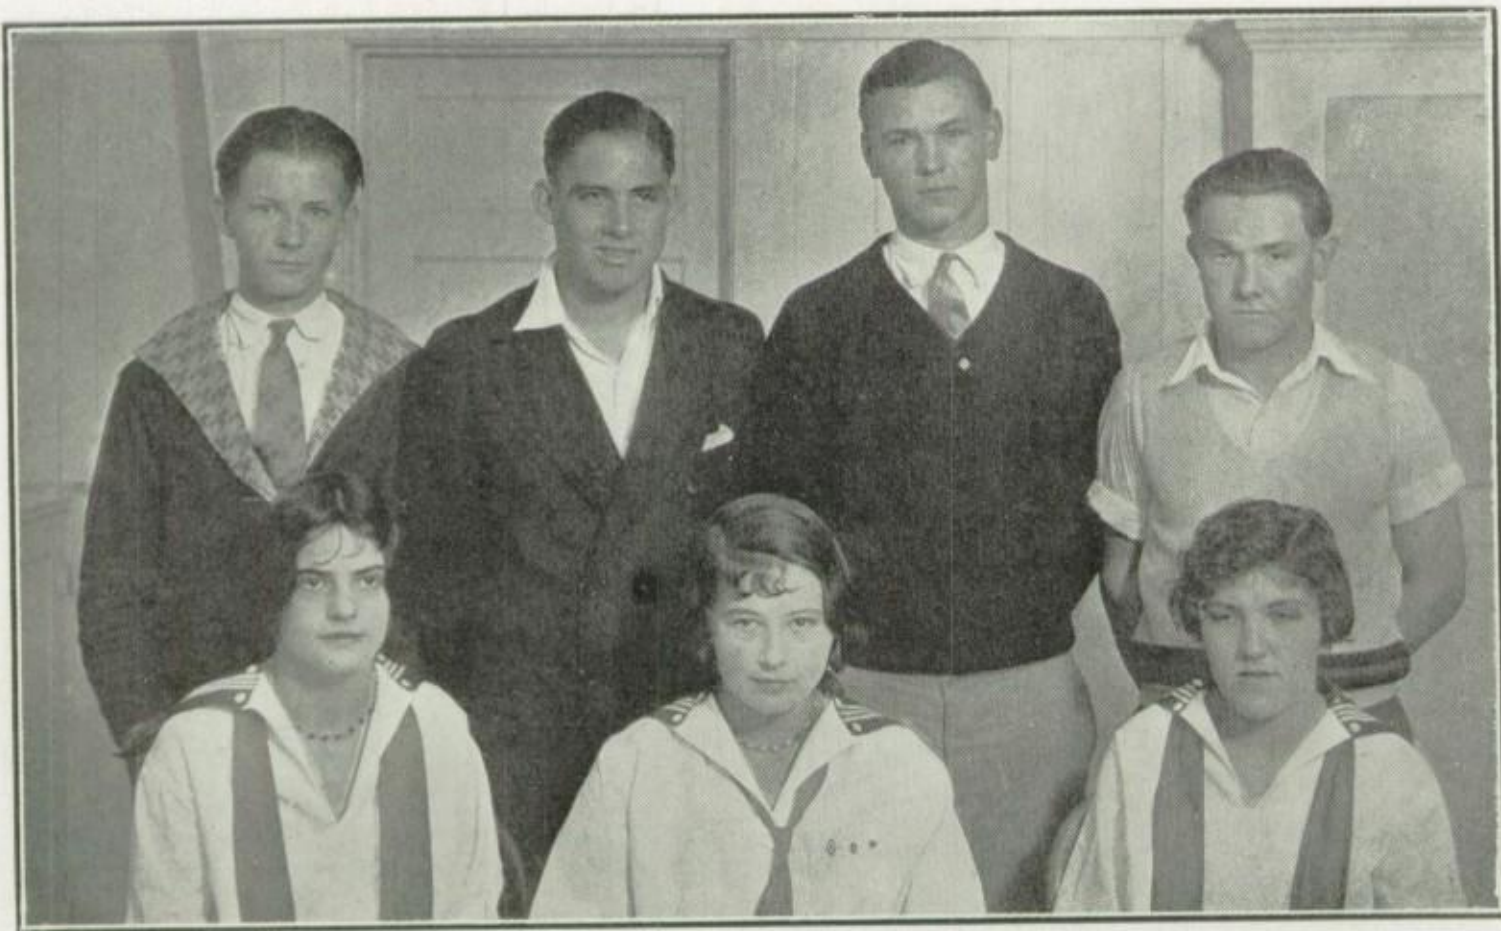

"Bab," a four-act comedy, chosen by Mrs. W. K. Kegley, dramatic coach for the annual Junior Class play, was declared one of the best entertainments of the season. The general plot involved a modern American family with two daughters, one Leila, a recent debutante, and the other, Barbara, or more generally called "Bab," a young girl in boarding school sent home when the measles panic started who very nearly upset all of her big sister's matrimonial plans. The leading role, "Bab," was played by Pauline Sharpe, and played exceedingly well.

The gymnasium was changed into a delightful bower of springtime when the Junior Class of '28 entertained the Senior Class of '27 at a farewell reception in early May. A most unique and interesting program was presented, while delicious refreshments were later served. Dorothy Hill, Junior Class president, was chief manager of the affair.

Jean Baird

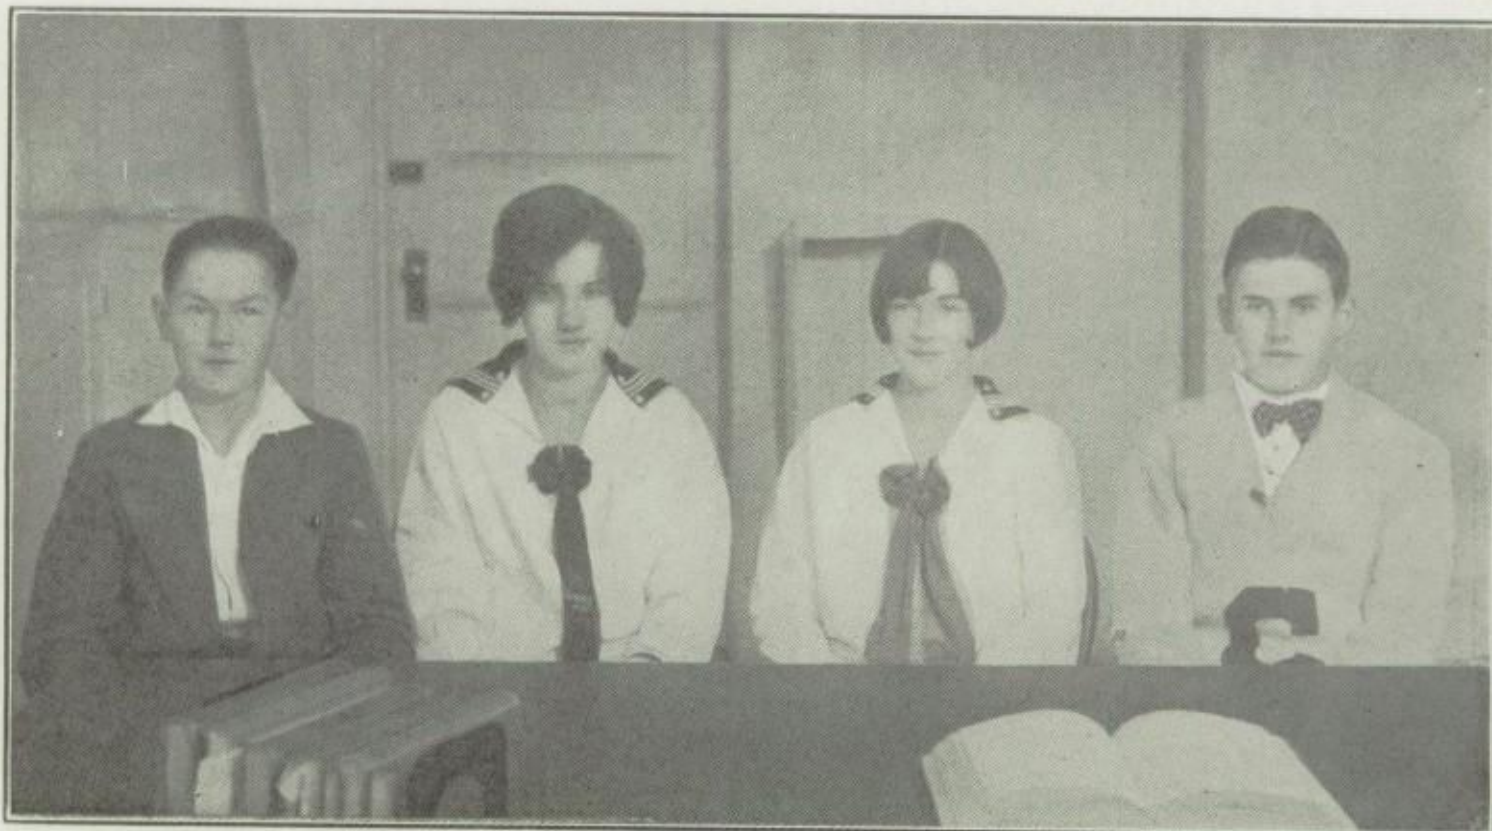

SOPHOMORES

(FIRST SEMESTER)

The greatest outstanding feature of the Sophomore Class is its unusually large percentage of students in the Honor Society; in fact they produce more honor students than any other class at Chaffey.

This class is known for its co-operation in any business and social affairs that they chance to put on. Headed by Jean Baird as president during the first semester, they started the year as a group of industrious and ambitious young Americans who aimed to bring honor to Chaffey. At the close of the first lap of the 1926-1927 school year, the class of '29 ranked exceedingly high in all things.

When the class held an important meeting to elect their officers, there was an interesting competition. After the ballots were cast and counted, it was discovered that Jean Baird was chosen president. It was but a short while until the class realized what a splendid choice they had made. Billie Graber, an honor student as well as an honor Scout, was elected to the vice-presidency. Elsa Stamm had the difficult job of collecting dues and keeping minutes, but she bore her troubles with ease. Athletic Manager, Hal Harlow, boosted all the Sophomore athletes with a fine spirit. Harold Mingo was chosen yell leader in the class as well as for the Student Body. Taking the executive board as a whole it was a star committee.

Melvin Ord

SOPHOMORES

(SECOND SEMESTER)

One of the best banquets in the history of a Sophomore class was given when the class of '29 gave their annual banquet in early spring with a splendid turnout to their affair.

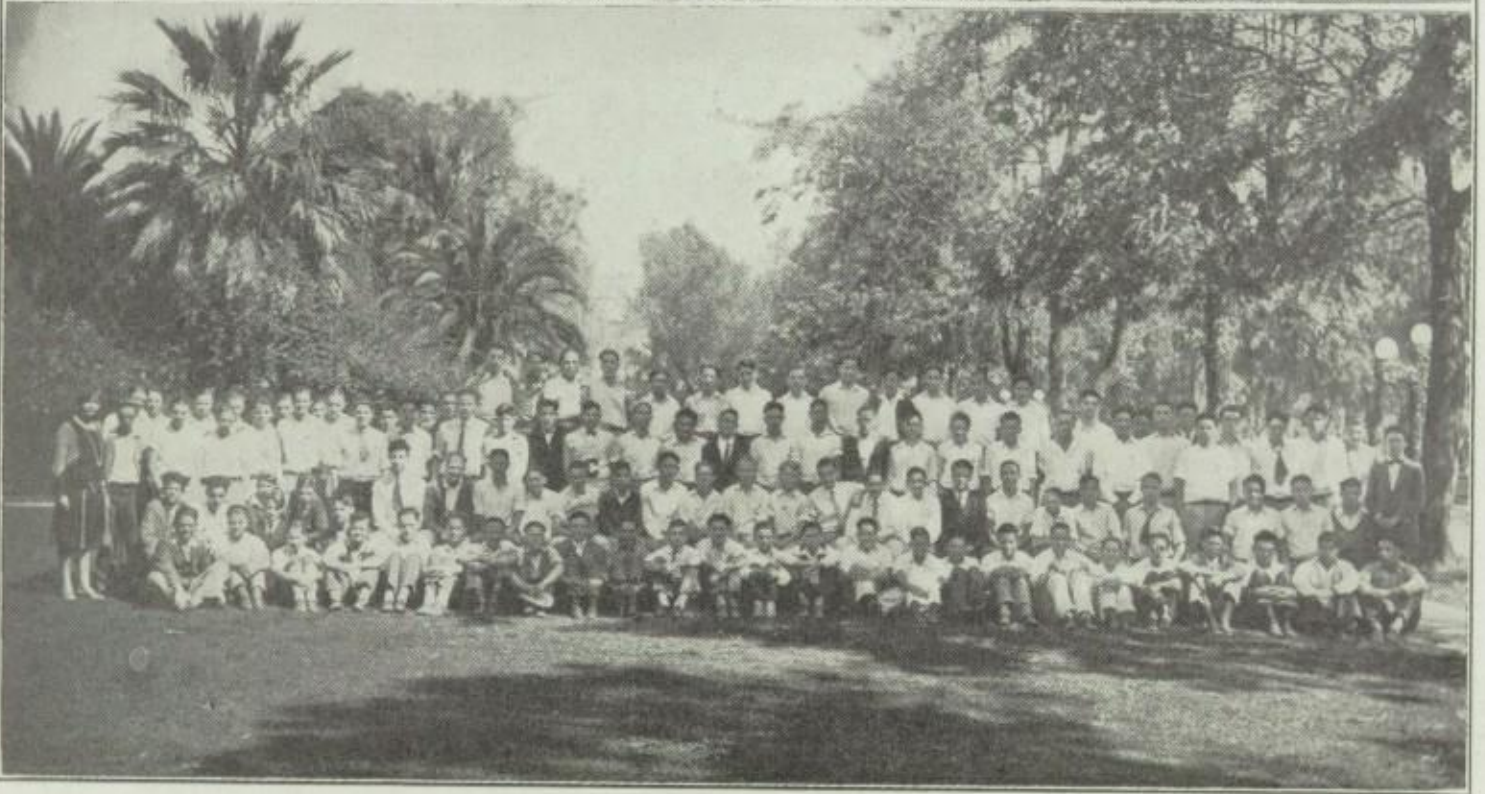

When the time came for elections a splendid executive board was elected with Melvin Ord as president. He headed the class with success in every attempt made to bring honor to his class and school. Nelson Gray, who was on the Varsity Football team, an unusual thing for a Sophomore, was elected vice-president. He maintained the same pluck and spirit in class affairs that he had on the football field. Secretary and Treasurer, Elizabeth Bond, proved herself capable when she successfully collected dues and kept the important minutes of all the class meetings neatly and correctly. The Sophomore star in Lightweight Basketball, Arvil Terry, was elected to an office well fitted for his line of work, Athletic Manager. Many upper-classmen thought that a girl yell leader would not be a success, but when Helen Samuels made such a success at being the Sophomore yell leader, they changed their minds.

The executive committee put their heads together and composed a clever class song, the words of which are as follows:

<i>Of any class as ere you know,</i>	<i>And every day in every way,</i>
<i>Yeo ho, lads, ho, yeo ho, yeo ho,</i>	<i>We cheer you, too.</i>
<i>There's none like sophomores to trow,</i>	<i>And rise on high when trouble's nigh,</i>
<i>Yeo ho, yeo ho, yeo ho.</i>	<i>And prove we're true.</i>
<i>See here we sing and try to bring</i>	<i>Yeo ho, yeo ho, yeo ho.</i>
<i>Our joys to you.—</i>

FRESHMEN

(FIRST SEMESTER)

ONE of the liveliest groups of young students ever present at Chaffey came when the Freshman Class appeared on the campus in the middle of September, 1926. With a roll call of almost 300, the members proved their enthusiasm when they were the first to make up a class song with all its swinging rhythm.

Soon after the routine of the school was established the class elections were held, when a capable executive committee was chosen. Laurence Bowman was chosen president, and showed his true Chaffey spirit when he led the class so fruitfully through the first semester. Hugh Garrison, Vice-President, also showed his metal as he co-operated and worked with his captain. The minutes kept by Edna McGaudy were always very concise and correct, while the dues were collected with unusual rapidity by Opal Ruba. All class yells and songs were led by Clifford Kellogg, and the interesting but difficult task of program chairman was efficiently managed by Nancy Pratt.

One of the songs which was composed by a member of the class, Madell Harris, contains the words as follows:

*Freshmen, Freshmen, best of all
Never let your banners fall—
Ever ready at the call.
Always working, never shirking
While we're striving for our aim
We are winning us a name;
Come on Freshmen, win the game,
We are working for our class.*

Brooks Kitchell

FRESHMEN OFFICERS

(SECOND SEMESTER)

So that their class might become better acquainted and create a spirit of comradeship, the Freshmen held a separate Assembly in the auditorium every Tuesday during the third period with programs of music, a speaker, or perhaps a little skit furnished by some of their own members, upper classmen, or outsiders. On special occasions they were entertained by motion pictures which always afforded entertainment as well as information.

With the new semester also came the election of new officers. Great care and consideration was taken in their choice and a splendid executive committee was chosen as a result. Brooks Kitchell, President, showed his ability when he headed his class through the final months of school. The Vice-President, Mary Norton, with all her vivacity and pep, spurred the class onward; while Elden Ork and Leona Garrison, secretary and treasurer respectively, were a real benefit in all the problems brought up before the class. Yell Leader, Ellwood Kirkpatrick, kept the Frosh in excellent training for rooting at all the games. The difficult position of program chairman was very well carried on by Heath Seapy who planned the programs for the assembly.

All in all the Freshman class of 1930 started their career with wonderful enthusiasm which will carry them through the future years with infinite success.

To the merry tune of "Jingle Bells" Mr. E. W. Fischer wrote words for a Freshman class song as follows:

*Freshman Class, Freshmen Class
Never known to skirk—
Always tell a Freshman
By the way he loves to work.*

RURAL PROGRAM

For several years it has been the policy of the Chaffey board to lend aid in an educational way to the rural schools of the district. Teachers are sent to these schools to teach mathematics, science, manual training, and other ninth grade subjects.

At Mountain View a ninth grade has been established under the direction of Mr. Salter who teaches general science and algebra, and Mr. Alter who teaches Spanish, English, and violin. Work at the school has been very satisfactory. Under the editorship of A. Van Norman a pamphlet called "What's What" has been issued several times during the year. In dramatic work the class presented "Mrs. Carr's Summer Boarders." In athletics both the boys and girls participate in interschool games with Fontana, Upland, Etiwanda, Piedmont, and Cucamonga Central, Alta Loma, and Serra Vista. William Youngblood as captain led his baseball team through a very successful season. An orchestra and chorus are also part of the activities. Louise Youngblood is the honor student at the school.

At Fontana Junior High School the past year has been very successful under the leadership of Miss Frances Wilson and Mr. F. F. Fanning. The students have had many activities. They published their school news each week on a page of the Fontana Herald, the town paper. On May 20 they presented their variety show, "Junior High School Jitney Jinx". In athletics the boys won the championship in basketball, but finished far down the list in indoor baseball. The girls ranked quite high in their storts.

The institution developed by serving the communities in the territory known as the Chaffey District.

PART-TIME EDUCATION

An important part of the educational work of the Chaffey Union High School is the part-time work for the benefit of those who are unable to attend full-time school. According to a California law, all students between sixteen and eighteen years of age who have not completed high school must take at least four hours of part-time work each week during the school year. Also, all people between the ages of sixteen and twenty-one who cannot read or write English must take four hours of part-time work. Thus, in accordance with the state law, there are hundreds of members of the communities who are enrolled at Chaffey. The afternoon and night school classes, not all of which are part-time, however, enrolled one thousand one hundred eighty-five during the past year.

In part-time work the boys take shop, mechanics, English, citizenship, and other courses which are useful to them; while the girls take sewing, cooking, English, orchestra, stenography, and other varied subjects. A great many young people who have been forced to stop school and go to work are profiting by their part-time work.

Besides this part-time work, a novel system of Americanization work has been started at Chaffey, which has attracted wide attention. This is helped by the Chaffey Esculita, a bus equipped with school equipment which is taken into the Mexican camps, where Mrs. Palmer and Miss Hay teach the women home nursing, sanitation, hygiene, sewing, and English. The women of twenty-six Mexican camps eagerly accept the opportunity thus given to learn to care for their homes and children, and to speak English. About three hundred fifty women are being instructed through the use of Esculeta.

Night school classes which are given through the year meet the needs of the adults of the communities. Courses in shop subjects, commercial, languages, music, and English are given by members of the Chaffey faculty under the direction of the vice-principal of night school, Mr. Cushing.

IN MEMORIAM

HELEN JONES, '29

LAURA FAKUDA, '29

ABBIE B. DURFEE, FACULTY

THE STUDENT BODIES SORROWED WHEN WORD CAME THAT MRS. ABBIE B. DURFEE, A FORMER MEMBER OF THE CHAFFEY FACULTY, PASSED AWAY AFTER A LONG ILLNESS. MRS. DURFEE WAS A GREAT FRIEND OF ALL THE STUDENTS AND A BELOVED ADVISER OF THE SENIOR CLASS OF 1926. SHE TAUGHT SENIOR ENGLISH COMPOSITION AND LITERATURE, WHICH WERE THOROUGHLY ENJOYED BY ALL OF HER PUPILS. BEFORE TEACHING AT CHAFFEY SHE WAS PRINCIPAL AT CENTRAL GRAMMAR SCHOOL AT CUCAMONGA.

Many places on the campus enshrine the memory of those who worked and played at Chaffey.

B

Ida Vernon

GIRLS' LEAGUE

The Girls' League experienced a successful year with Ida Vernon, president, and her capable executive board. The League had a great deal of influence among the girls to promote friendliness, and it also served the community in many ways.

In order to give a good financial basis for the year's work, the League took charge of a musical program, the Douglas Boys' Choir, early in October. The returns from this success provided money for the Christmas Welfare Work which is annually given by the girls. The Thanksgiving and Christmas aid was appreciated by the Welfare League. At Christmas the girls received donations under the large decorated tree in front of the Auditorium as well as filled several hundred stockings with candy.

A girls' carnival was given in the gymnasium the latter part of May instead of the annual May fete. The Carnival Queen, chosen by ballot, reigned on this occasion.

The good fellowship and co-operation which made the year successful was due to a great extent to the executive committee and advisers:

President
Secretary
Treasurer
Advertising

THE GIRLS' COUNCIL

The Chaffey Girls' Council is composed of representatives of each of the clubs in the Chaffey Girls' Work Organization—one from each Scout troop, one from each Camp Fire group, and three from the Girl Reserves.

This year the Council had charge of three big events which were managed successfully. At the Christmas Party for the Mexican children in the outlying districts each girl in the G. W. Organization brought a toy for a child and participated in a Christmas party at the various camps. The Health Week for girls when a program of contests for good health interested all the girls in school was the second effort. The third was the big Camp Fire Rally.

The Council owes a great deal of its success to the splendid leadership of Lillian Lind, the General Secretary of the Chaffey Girls' Work Organization.

SIGMA ALPHA

The Sigma Alpha Society is affiliated with the California Scholarship Federation. Chaffey was one of the first schools in the state to join the larger group. Probably the greatest event in the local chapter during the past year was the election of Dorothy Hill as treasurer of the Federation for the ensuing year. Five delegates visited the convention at Riverside.

Very interesting programs were presented at society meetings. On one occasion Miss Ewald talked on the national honorary society, Phi Beta Kappa. Miss Avery talked at a musical program presented at a Thursday assembly.

ANTHOLOGY CLUB

A group of upper class boys gathered in the Chaffey Library thirteen years ago to establish a club whose purpose was to be the study of literature, astronomy, and the fine arts. Under the leadership of its able advisers, Miss Lois LeBaron Avery and Mr. W. A. Fiske, it has attained a reputation in the club life of the institution which is truly a remarkable one. A number of Sophomores are elected for the membership each year. To become a member, a boy must be strong in scholarship, and outstanding in leadership in school life.

Numerous topics were discussed at the meetings during the year of 1926-27. Among those covered were "Minerals," "Southern Literature," "A Story of the Stars," and "Legends of the Desert."

ESCHSCHOLTZIA

On the first Tuesday of every month the Eschscholtzia Club meets in the Chaffey Library. The membership of the club is composed of upper-class girls who have in some way distinguished themselves in school activities. Members are voted in at various meetings throughout the year. At the close of the term sophomores are voted into the club to replace the graduating members.

During the past year the topics of the meetings centered around the subjects of Colleges, National Parks, and Missions. Two features of the year's program were the annual picnic and banquet held with the Anthology Club.

VARSITY "C"

Having as its aim the promotion of better sportsmanship and the increase of interest among Freshmen in athletics, the Varsity "C" has done much during the past year toward reaching its goal. A problem which has troubled many coaches during past seasons, was that of deficient studies. This was met by the "C" Club through eligibility committees appointed for each of the major sport seasons. One of the few pay assemblies of the year was given by the Varsity "C" Club on March 29. The play "The Great Find" by Viola Bergman, a student of Mr. Kegley's English class, was put on under the direction of Miss Cameron. The proceeds were placed at the disposal of the Student Body to aid in fixing the track.

ATLETA CLUB

Few organizations at Chaffey have so live a membership as does the Atleta Club which was organized by Miss Mabon in order to promote goodfellowship and a love for clean sport among the girls. Membership to this club is considered a high honor, as only those girls who excell in athletic ability are able to attain it.

In order to affiliate more girls with an athletic organization and encourage athletics, the Atleta Club has sponsored the Girls' Athletic Association. To belong to the G. A. A. only three points are necessary, while twelve points are required for Atleta membership. This year one point was given to each member of the following teams: basketball, indoor, hockey, tennis, swimming, and also for the first grade in gymnasium.

A lively interest has been kept in athletics this year by having a "Jolly-up," picnic, or banquet, after each season. Members of each class team, the G. A. A., and the Atleta Club attended these affairs.

MacDOWELL CLUB

The Mac Dowell Club, organized in 1921, is a group of Junior College and high school upper classmen who wish to promote the appreciation and development of good music. The name of the club was chosen to honor the great American composer.

There have been many interesting meetings during the year held monthly at the homes of the members. Mr. Blakeslee showed a moving picture which he took in Europe last year at one meeting. At others the members or guests provided the entertainment. Guest Night is also an outstanding event of the year.

BOYS' GLEE CLUB

This year's Glee Club was one of the largest Chaffey has ever had. The total membership was never less than fifty-five. Mr. Blakeslee was fortunate also in having a well-balanced club which did fine work, especially in its fine tone qualities.

The club participated in many activities. It first sang at the rally for the Riverside game and throughout the season brought much spirit to similar occasions. With only three weeks' notice it entered the Eisteddfod contest and scored eighty-seven points which qualified it to enter the finals held in May at Los Angeles.

ELEMENTARY GIRLS' GLEE CLUB

Under the direction of Mrs. Florence Blakeslee an exceedingly large club composed largely of freshmen and sophomores with a few inexperienced upper-classmen was organized. Because of their excellent work several of the members were chosen to sing with the Advanced Glee Club at the Eisteddfod contest. The girls were a credit to Mrs. Blakeslee when they appeared at the annual Glee Club Concert. From this club, those who care to go on with their music will be chosen for membership in the advanced section next year.

SENIOR GIRLS' GLEE CLUB

Never in the history of the Chaffey Girls' Glee Club has a larger number been enrolled than the fifty this year. When this chorus entered the annual Eisteddfod Contest of the Pomona Valley District they received first place with an unusually high percentage. During the last of May they took part in the Annual Glee Club entertainment. Several well-known critics pronounced the club one of the best of its kind in California. The honor is due to the efforts of S. Earle Blakeslee, the director.

ORCHESTRA

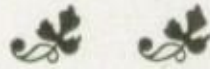

The Chaffey orchestra, under the direction of Mr. Wilding, noted Southern California band and orchestra leader, has completed one of the most successful years since the work has started. Mrs. Huebner has contributed to this success with her violin instruction.

The organization has been active both on and off the campus. It assisted at most of the plays presented at Chaffey and furnished entertainment at some of the Thursday assemblies. It also gave a successful concert at the Loma Linda Sanitarium.

CHAFFEY BAND

Seated before the grandstand with their colorful uniforms of braided blue coats and caps, with light trousers, the Chaffey Band presents a colorful sight. As the strains of martial airs peal forth, inspiration is given to the team representing Chaffey on that day. Playing at school functions, such as rallies, assembly programs, and often presenting concerts at other places, the band gains valuable experience before diverse audiences.

Honor was bestowed on the C. U. H. S. Band when they were asked to play at the San Bernardino Farm Bureau picnic held at Camp Cajon.

Mr. Fred Wilding, noted cornetist and band leader of Southern California, is instructor and leader of the Band.

The members of the Chaffey Band are:

PEGASUS CLUB

The Pegasus Club, the girls' writing club, is a very interesting organization, first—perhaps—for its novel method of admitting members, and second, for its programs. Those desiring membership write a short dissertation on some subject which is submitted and read anonymously. The writers of the papers which are accepted become members. The programs combine study and original writing. During the first half of this year the club studied a few of the better modern magazines; during the last half the members wrote humorous verse at the club meetings held on alternate Wednesdays at the home of Miss Plant.

SCIENCE CLUB

The Science Club, started by Mr. Hawkinson in 1922 to interest Chemistry and Physics students in scientific study and research, has become one of Chaffey's most active clubs. It meets weekly, each member having charge of one program during the year. Short talks were usually given by members of the faculty or men from outside on Chemistry in Industry. At one meeting, Mr. Hawkinson gave a brief resume of his trip across the desert to Yellowstone and Glacier Parks. Experiments were given at a number of the meetings by several of the more advanced students.

The club owes a great deal to the adviser, Mr. Snyder, for the present success and development of the organization.

RADIO CLUB

The Radio Club, composed of a group of students interested in this activity, have as their goal the government examination for amateur operators. This group meets every week and by practice learns the fundamental factors and theories of radio, telegraphic, and telephonic transmission and reception. Several meetings were devoted to code practice. Mr. J. E. Whistler, the adviser, is just as interested in the work as the members themselves. An interesting experiment conducted by the club members was the radio-cast of the Chaffey-Redlands game by John Voss and other members.

LINCOLN DEBATING SOCIETY

The Lincoln Debating Society meets every Wednesday noon in the Model Flat where political and social questions of a serious and humorous nature are discussed. The membership of the society, which is limited to thirty, includes students who are interested in debate and other forensic activities. The big event of this year was a reunion for all those who have ever been members of the society.

LATIN CLUB

The Gens Togata, Latin Club, was founded this winter by Mrs. Conger and her Virgil class. At the first meeting only third and fourth year students were present, but the club later voted that second year students who had a grade of one for the first semester should be admitted. The third and fourth year students are called Senators from the name given to the highest rank of the Romans, while the second year students are given the name of second rank, Knight. The Senators have the privilege of wearing the club pin.

The members give short talks about the homes, dress, customs, and manners of ancient Romans at the meetings.

SPANISH CLUB

The Spanish Club is an organization of advanced Spanish students. Any person who has had three years of Spanish or who is taking third year work is eligible for membership. Meetings are held semi-monthly during the third period when subjects relating to Spanish life and customs are discussed. Enjoyable programs with games and songs as well as talks make the meetings interesting. Early in the spring the club also held an evening costume party when the Juniors of the club entertained.

The big event in the activities of the club is the trip to the Mission Play which is made each spring. This year almost fifty members went in the school bus for a most enjoyable day. This year's club saw the play in the new Spanish playhouse. Since the matinee was largely attended by representatives from different high schools, John Stephen McGroarty spoke to them about the history of California and the Mission Play.

HI-Y

The Hi-Y, high school division of the Y. M. C. A., was organized to stimulate a spirit of comradeship among its members and to develop men with healthy bodies, clean minds, and strong moral characters. The club is an organization of high school fellows who have as their purpose to "Create, maintain, and extend throughout the school and community, high standards of Christian character." This year has been very successful for the organization has maintained a splendid spirit, and the programs have been both entertaining and educational. Numerous meetings, with banquets, speakers, and discussion groups, have proved beneficial to all.

CAMPUS CLUB

The Chaffey Campus Club has successfully completed its second year as the Service Club of the High School and Junior College. Organized last year through the interest of Mr. Hill and the Upland Rotary Club the organization has steadily grown in membership and in ideals and standards for which it stands.

The most notable achievement of the club is the establishment of a Students' Endowment Fund begun last year. Approximately fifty dollars are now in the fund. This money will be used to aid any worthy student of the High School or Junior College if financial causes compel them to discontinue their education.

CAMERA CLUB

In the year 1914 Mr. Fiske organized the Camera Club, as he noted the interest of a few students in the study of photography. Today that club has grown and is well known about the campus. Evidences of its work may be noted in the annuals of the institution. The quality of snap shots has been improved very greatly. The membership is limited to boys alone due to the technical laboratory work taken up at the meetings. The club meets the second Tuesday evening in every month in the Chaffey Library.

JUNIOR FARM CENTER

The Chaffey Junior Farm Center has the honor of being the first organization of its kind in the State. The Center was organized by Miss Cubbison in 1919, to increase the interest in agriculture and to introduce better methods of farming and stockbreeding.

Regular meetings of the Center are held every two weeks. Besides having many well known speakers, such as W. T. Hadley, T. N. Kirk, Wm. Atchley, Chas. Gibson, R. F. Condee, A. Campbell, and speakers from the Chaffey faculty, several films of interest to the members were sponsored by the club. The crowning event of the year was the Sixth Annual "World's Largest Junior Fair." At this fair which was held on May 21 and 22, the Italian Vineyard Project cup was awarded to Harold Lutz for his excellent project. This cup is awarded at the annual Junior Farm Center banquet held the first evening of the fair.

THE TATLER

The Tatler has a long history at Chaffey since 1913 when a pamphlet edited by Constance Congor and printed at the hand press in the commercial department was issued. Later it was published as a school page in the Ontario Report and The Upland News. In 1920 the paper was published separately again with Knowles Blair the first editor. Since that time it has grown to a six column four page paper issued weekly every week of the school year. It gives recognition to scholarship, supports school activities, and backs the administration in carrying out its policies.

The past year has been a prosperous one for the paper. Two exceptionally fine editors were chosen to direct the publication—Paul Bodenhamer and Ida Vernon. A feature of the year's work was the publication of special editions—the freshman special, advertising extra, St. Patrick's issue, and three eight-page sport editions—Pomona game special, invitational edition, C. B. L. track edition, and the commencement edition. The Invitational Extra was edited by Boyd Mathews and the C. B. L. edition by Arthur Flum. The paper also ran its first original cartoon made on the Tatler-Thrasher machine.

Much of the financial success of the paper was due to the business staff composed of Arvilla Steiner, manager; Marie Matlin, assistant; Robert Kitchell and Mortimer Roloff, circulation managers; Dorothea Baumann, bookkeeper.

CHAFFEY TATLER

With a group of twenty-eight reporters the staff was organized to continue the Tatler's policy of publishing a weekly paper and supporting all school activities. Assistants were chosen four times during the year so that many people had experience in editing. The assistants the first semester were Boyd Mathews, Ida Vernon, Louise Beattie, Elaine Alexander, Janet Martin, and Arthur Flum. Assistants the second semester were Robert Coffin, Jack Walkers, William Critchlow, Elaine Alexander, Jeannette Bryan, and Janet Martin.

The greatest event for Chaffey journalists was the convention of the Southern California High School Press Association held here November 5. An attendance of four hundred representatives marked the meeting as the largest yet held in this group. E. P. Clarke was the speaker of the day. Paul Bodenhamer acted as president of the association.

One of the social activities of the year was the Birthday Party held in the fall celebrating the thirteenth birthday of the paper. A large birthday cake and flowers sent by the faculty, the Thrasher staff, and friends, added to the interest of the celebration. The annual Tatler banquet took place April 21. At this most successful affair decorations were carried out in black and white. A revelation of the childhood days of members of the staff gave a part of the program.

FASTI STAFF

The 1927 Fasti staff was organized early in the year after its selection by the Fasti committee. The undertaking is such a large one that the staff worked both semesters on the planning and editing of its pages. The book is designed to make a permanent record of the school year which each member

Harold Jordan

of the student body may keep as a memory book of the student body activities.

Robert Meek served as editor-in-chief, with Harold Jordan, business manager. The staff follows:

THE AGRARIAN

Nathan Dubin

Harvey Larick

Due to the labors of Harvey Larick, editor, and Nathan Dubin, associate editor, the 1927 Agrarian, Junior Farm Center Annual, appeared on the campus during the latter part of May. This year saw several new ideas worked out in the book which gives the history of the agricultural work in the school.

A complete account of the Stock Judging team's trip to Chicago to the National Stock Judging Contest was contributed by Wesley Castle, director of the C. J. F. C. Accounts of other work was also included. One section was devoted to project work which shows the work done by the individuals in their school activities. Another section gave the work done in the fair this year. Reports of all the departments as well as a complete list of all prize winners were given. The work in the California Junior Republic, which co-operated with the fair, was mentioned.

The Premium List which gave the program for the Fair, the lists of premiums and the judges for the different events was published successfully by Nathan Dubin. This List was distributed a month before the fair.

ATHLETIC INTRODUCTION

Few realize the importance of the actions of certain committees and executive groups who act upon vital measures pertaining to the athletic policies of the school, the league, and the state. At Chaffey the work of Mr. Graber, who represents the School Board in athletic matters; Mr. Hall, in placement of Coaches; Mr. Fischer, who schedules all games; and Mr. Chaffee, who handles the duties of manager of student affairs in an efficient manner, stands out as predominant.

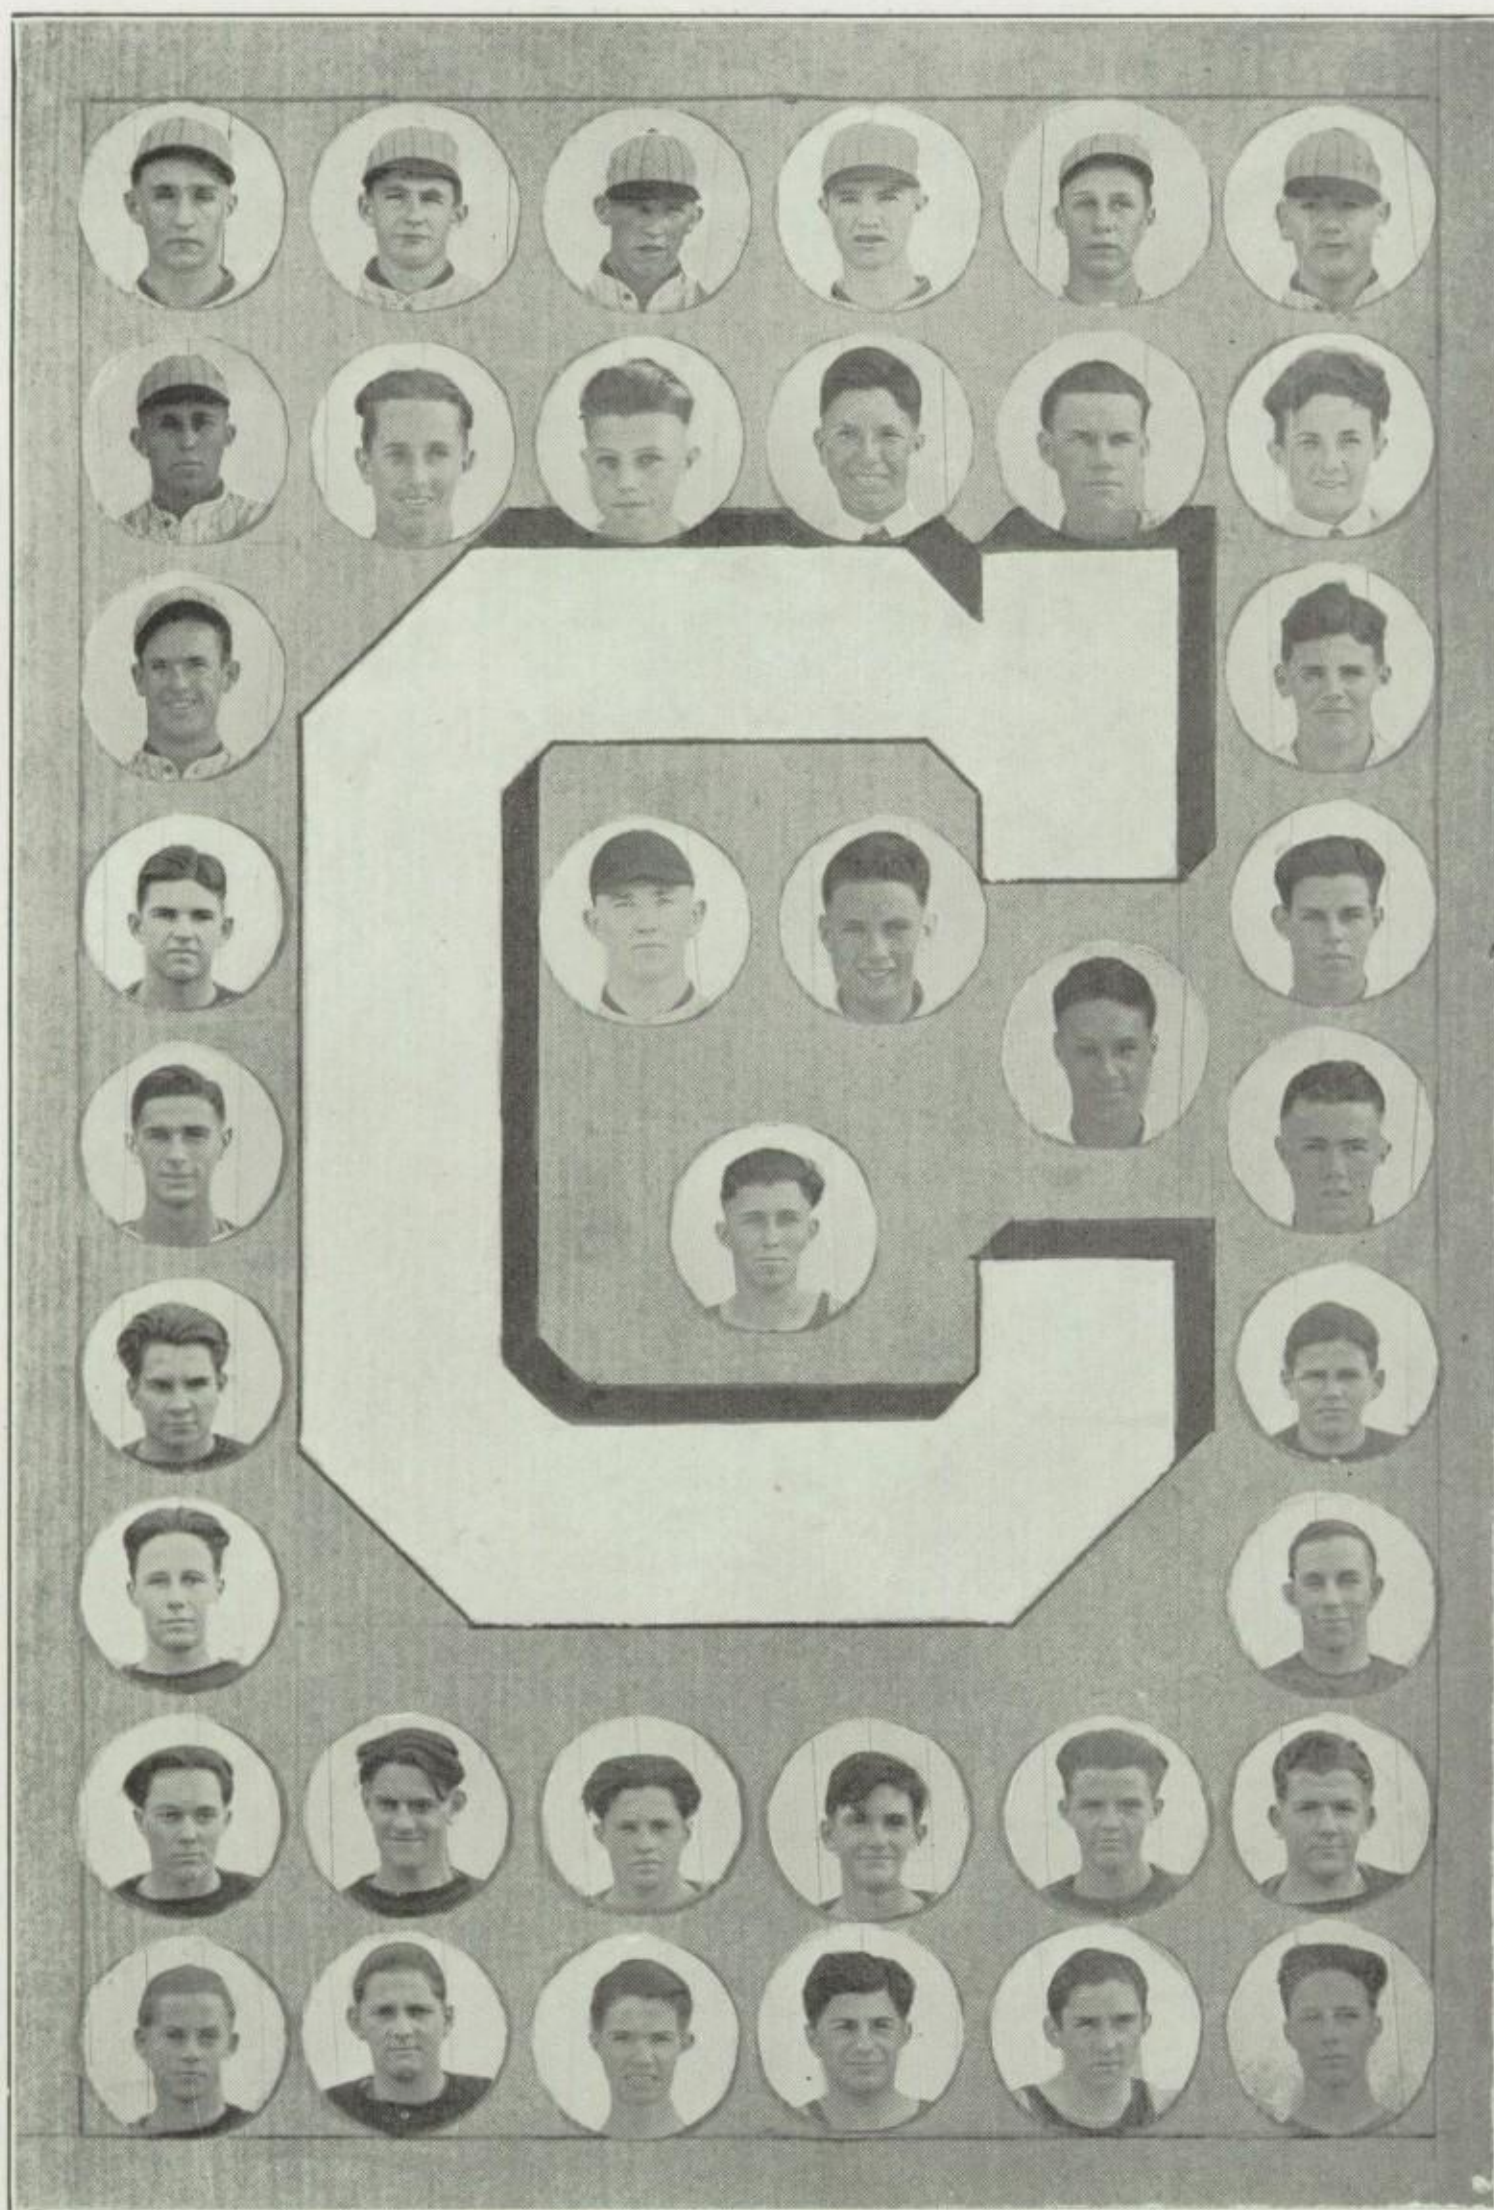

A step above the school is the C. B. L. Athletic Commission. This group which is composed of three representatives of each league school, meets before each sports season. These representatives meet as guests of the league members in rotation. Mr. Fischer for the past year was president of this gathering.

The C. I. F. is composed of all the leagues in the state, each league sending a representative to the meetings. Mr. Fischer represented the C. B. L. at the fine meetings held at Los Angeles during the past year. The C. I. F. rules on eligibility and conducts championship play-offs.

Through the sincere efforts of these groups high school students are able to conduct satisfactory interscholastic competition. Strict observance of eligibility requirements is enforced. Only athletes of amateur standing are allowed to participate.

COACHING STAFF

The Chaffey Union High School Coaching Staff is undoubtedly one of the strongest in the Southland. The membership is indeed seen to be well-balanced when it is noticed what a wide diversification of championships that Chaffey has won.

Coach Kenneth Hanson proved his worth when he took over the football squad and produced a top-notch team. Coach Hanson was ably assisted by Anson J. Smalley, whose coaching was one of the reasons the Chaffey team functioned so well.

Coach Kaiser has created a great deal of interest in basketball at Chaffey by holding intramural games. He has given a large number of boys opportunities to play basketball. His motto is, "Develop the group, not the individual."

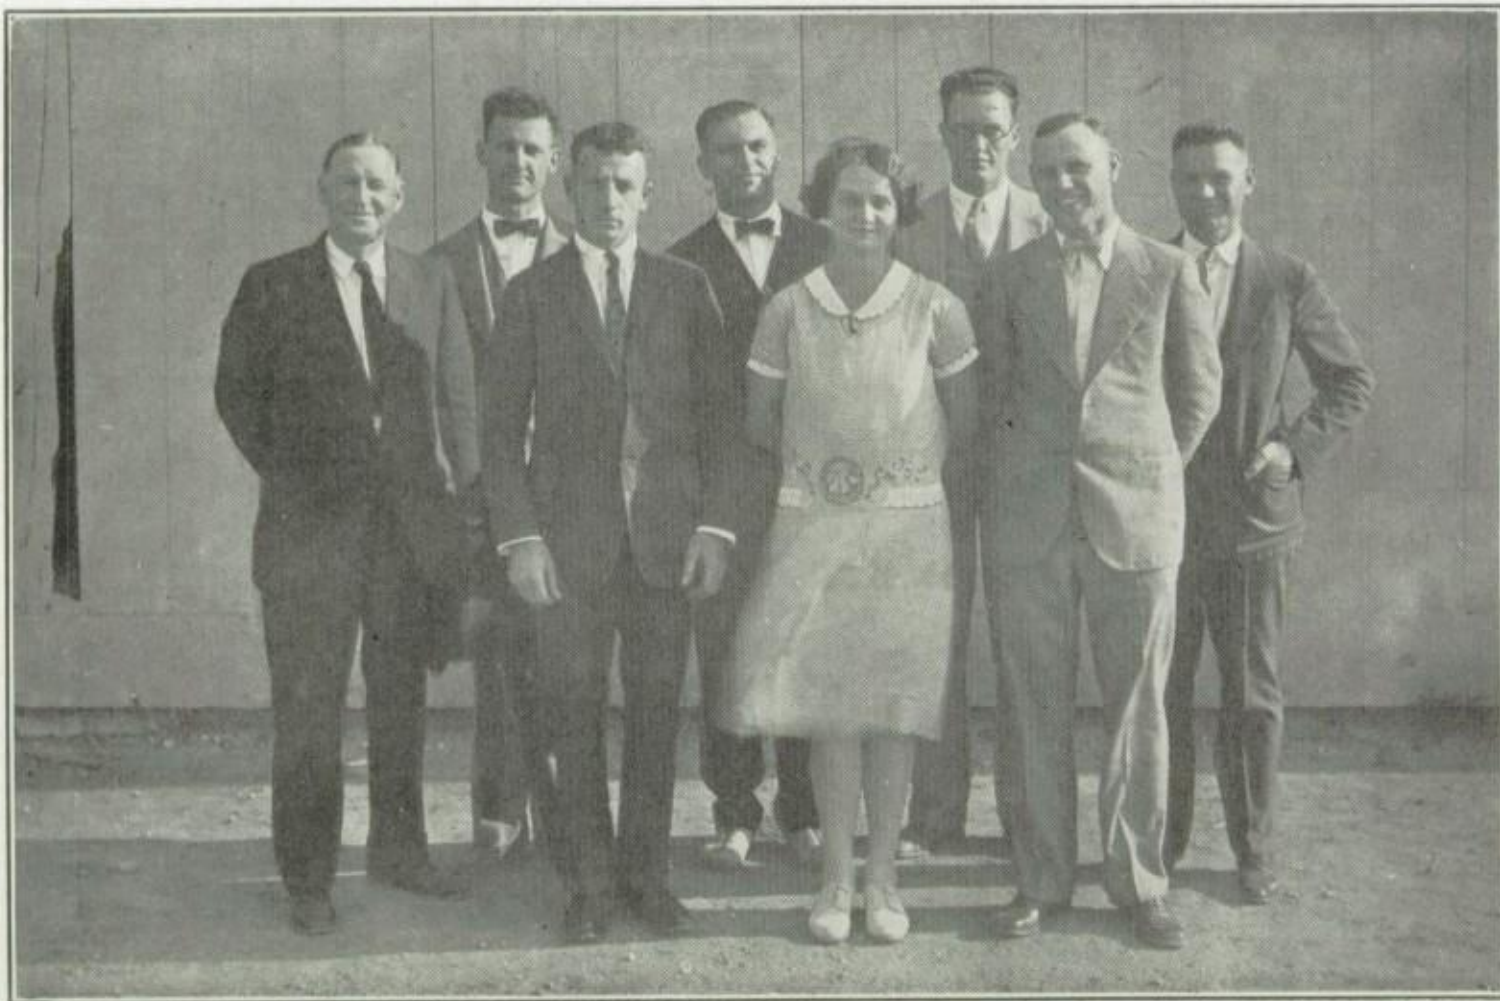

Coach "Pop" Kegley has made a splendid reputation in Southern California as a track coach, for he has developed four championship teams in six years. "Pop" is noted as a developer of weight men; this is readily seen, for he took five out of eight places in the shot and discus.

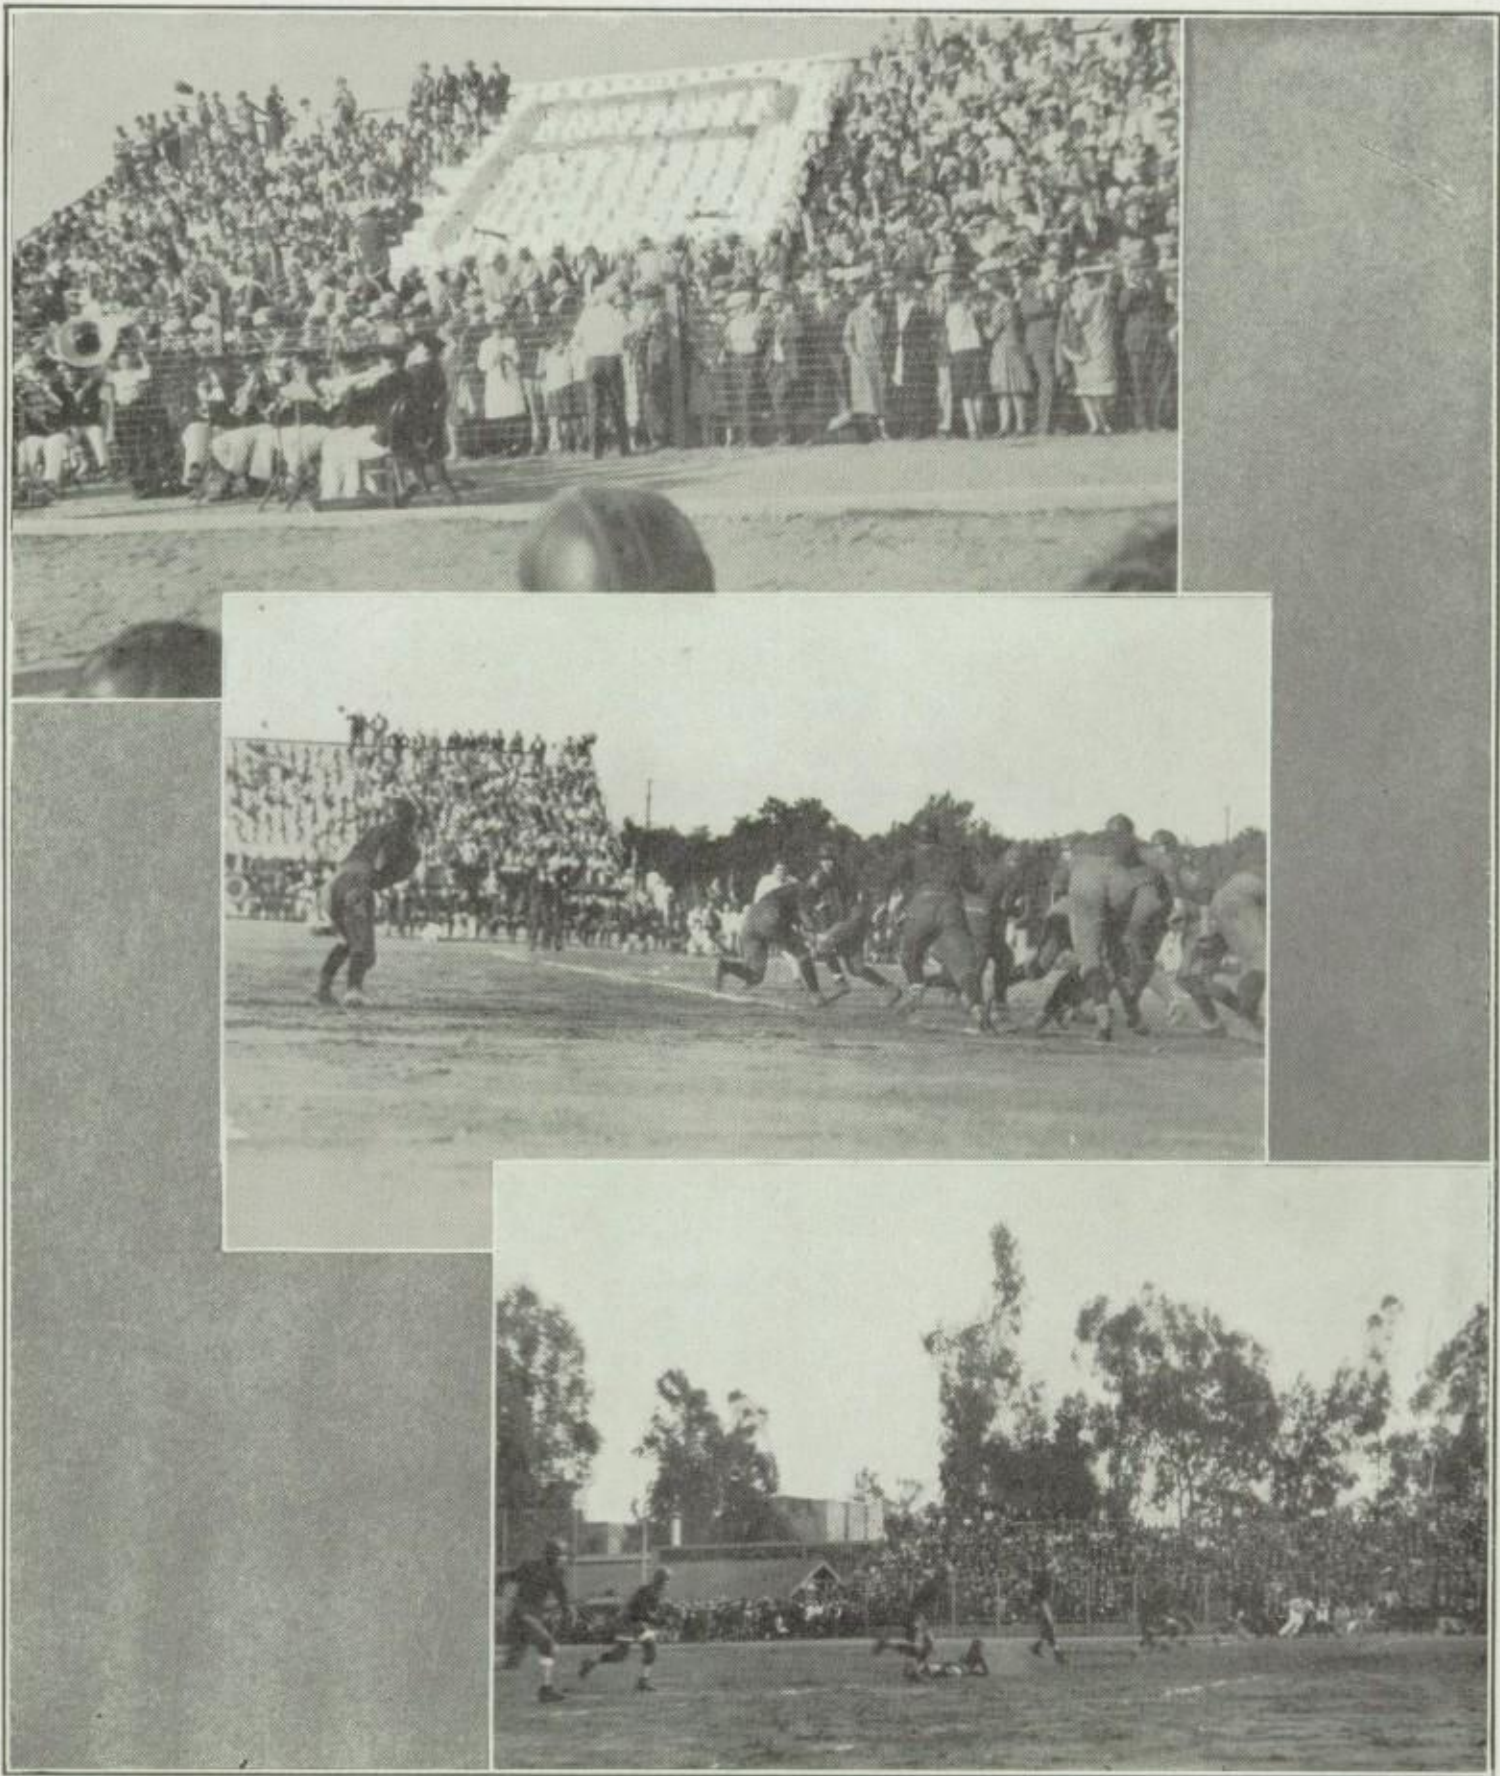

Coach Fred Wilding has tutored the Chaffey sand lot artists for five years. During his first season at Chaffey he captured twenty games out of a possible twenty-one.

Tennis Coach Alter has taken over his post from Walter Hall and is successfully upholding the high reputation held by the former's team. He had many enthusiastic aspirants for the team who practiced consistently to produce the results obtained.

Miss Helen Hankey has taught the girls the art of tennis while Mr. Alter took care of the boys. Miss Hankey is quite a player herself and has been able to develop many stars.

Upon Lucas Horsch fell the duty of developing material for the heavier teams. As midget football coach he trained the boys who will have much to do with next year's success in football.

CAPTAIN ROBERT MEEK

For three successive seasons Bob Meek has appeared in the heavyweight line-ups of Chaffey High School. When a Freshman, Bob held down right guard on Pop Kegley's lightweight team. The next two seasons saw him at center on Coach Kaiser's heavyweight teams. As a climax to his athletic career, he was selected to succeed Cubby Smallwood as captain of the Tigers. Bob has played in twelve league contests without losing a minute of play. For his three years of first string playing the Student Body, this year, awarded him a white sweater with three stripes and a star.

Bob was born at Kreamhill, Ontario, Canada, in 1909. When he was four his parents moved to Pomona. The following year they moved to Upland, where Bob entered Upland Grammar School, from which he graduated in 1923. He entered Chaffey in the fall of the same year.

GLEN DORNING

Undoubtedly one of the biggest events of this year was the Student Body football banquet, which was held in the cafeteria on Wednesday evening, November 24, at which some three hundred persons attended. Coach Spaulding of the University of California at Los Angeles was the speaker.

At this banquet, which came as a climax to the 1926 football season, Glen Dorning, star tackle of the 1926 football team, was elected to succeed Bob Meek as captain. Dorning came out for football when he was a Freshman in the fall of 1924. He was put to work, and attained the berth of guard on the light weights. Last season he had sufficient strength and determination to hold down the position of right tackle. The 1926 season found him again on the first string. The coaches found him a willing pupil. By dint of his excellent work he has been twice placed upon the All-C. B. L. teams.

LETTER MEN

MIKAMI.—Mamoru displayed a most excellent type of football through-out the entire season. His playing in the Pomona game proved his worth to the team.

MILLEMAN.—Milleman was taken from the line early in the season and developed into a full-back. His punting ability was considered as about the best in the league.

MULLER.—Muller was a consistent player. His hard driving tactics never failed to crush the opponent's forward wall.

MARION ORD.—"Little" Ord was chosen as one of the members of the mythical All-C. B. L. Ord held down the wing position in fine style. His ability to intercept passes was truly remarkable.

LAVELL ORD.—“Big” Ord was a star in the Chaffey backfield. His shifty footwork and brilliant open field runs never failed to win praise from the crowds.

REEDER.—Stan, though injured early in the season, was showing possibilities of becoming a fullback of note. As he is only a Sophomore, Chaffey may expect neat things from this boy.

STEWART.—For two successive seasons Brick has played a stellar brand of football at guard. Stewart will be missed from the squad next year.

STEINER.—The hole in the opposition when Fred got through was always as large as he. Many yards came through the holes he made.

BENTON.—Pete played end this season. He performed on the lightweights last season. Next year Coach Hanson will probably find in him a football player of caliber.

BOWDEN.—Bill, a lightweight star of the past two seasons, this year proved of value to Coach Smalley as one of his four backs which formed the nucleus of the Chaffey squad.

DORNING.—Glen was all-C. B. L. tackle this year. Elected Captain-elect at the annual football banquet it will

be his duty to lead the Tigers to a title next year.

EVANS.—Evans, though small in size, certainly made up for what he lacked in that capacity by fight. He will be back next season.

GRAY.—“Nellie” played great football. He has two more seasons. The smashing defensive abilities of Gray were not to be disputed.

GLASS.—Few schools of the state had a quarterback with the abilities of Hal. Glass was selected as All-C. B. L. signal caller as well as mentioned for All-Southern.

HOVER.—In a hard practice just before the San Bernardino game Guy had his shoulder injured. His absence proved a great loss to the squad as his spirit always added much to the fight of the team.

HILBERG.—Tom played good ball all season. For three seasons Tom played on the lightweight team, being captain of it in his Junior year.

MEEK.—Bob captained the team this year. For the past three years his record at center has been outstanding. Bob played through twelve league encounters without losing a minute.

PRACTICE FOOTBALL

The Chaffey Tigers' first practice game was played with Corona, September 24, on the Circle City gridiron. The first half was all in favor of the "Bengals." A varied assortment of plays was used, the Corona team being outplayed at every stage of the game. The first half ended with the score 18-0 in Chaffey's favor. Both teams played better football in the last half and only one touchdown was made by the Tigers. The game ended with the score: Chaffey 25, Corona 0.

On September 30, the Chaffey Tigers received a severe setback, when they were beaten by Colton, 25-6, on the latter's field. Although the Tigers tried hard, the score at the end of the first half was 12-0 in favor of their opponents. The fourth quarter produced some of the best football that Chaffey had played all season. In a short time Chaffey scored one touchdown and the team was on the road to another when the game ended.

The last practice game of the season was with Covina on their field, October 8. In the beginning of the game, after several fumbles, LaVell Ord, flashy Chaffey halfback, ran eighty yards through a broken field to a touchdown for the Tigers. However, the Chaffey rooters' joy was shortlived; for in the next quarter the Covina Colts scored fourteen points. The third quarter was nearly as bad for Chaffey, because the Colts scored thirteen more points. In the fourth quarter neither scored. The game ended, Covina 25, Chaffey 6.

The first league battle of the year took place when the Chaffey Tigers played the Riverside Poly Bears on October 15. Chaffey went to Riverside with the determination that they would win the game.

The first quarter was uneventful, being marred by several fumbles. The Tigers took the lead in the second quarter, both Ord and Bowden taking the ball through the line for long gains. Milleman plunged over for a touchdown and then converted.

In the beginning of the second half the Chaffey eleven started by again going through the Riverside line. After many very pretty gains the Tigers

scored another touchdown. They converted the try for extra point, thus making the score 14-0. Then the Riverside team seemed to take on new life for they took command of the situation and made several gains, coming close enough to score a field goal. The game ended with a Chaffey victory, 14-3.

After some of the best football displayed all season, the Chaffey Tigers went down to a gallant defeat meted out to them by the San Bernardino Cardinals. The game was played on the Chaffey field October 29.

Although the Cards were favored to win by a large score, the game was in the Tiger's favor from the beginning. In the first quarter the ball was not once in their territory, and they outplayed San Bernardino consistantly.

Near the end of the second quarter, with the help of a long pass, the ball barely entered Chaffey's half of the field. However, neither team had scored when the half ended, or at the end of the third quarter. The ball was in San Bernardino's territory throughout the whole of the time.

The Tigers started the fourth quarter with a series of line bucks and runs that dazzled their opponents. They began a march down the field that looked as though it would end in a score—but the Cardinal guardian angel intervened when Chaffey fumbled and Haydis of San Bernardino ran eighty-six yards to a touchdown. This was the only score of the game which ended in San Bernardino's favor, 6-0.

On November fifth the Chaffey warriors defeated a Redlands team for the first time in the history of the school. The victory was a very decisive one, as can be seen by the score, 26-0. The game was played at Redlands, and was attended by a large number of enthusiastic rooters.

In the first twelve minutes of play it seemed that either team had an equal chance to win, the ball being carried back and forth across the center of the field. However, as the game progressed into the second quarter, Chaffey clearly showed her superiority. After a few minutes of play the Tigers intercepted a Redlands pass and made the first score.

The Tigers came back very strong in the second half. They seemed to be death on passes, for they continually interecepted those of the Bulldogs. Marion Ord, Chaffey's stellar right end, intercepted two Redlands passes, and scored on one of them. Chaffey's line plunging was excellent during the game, gaining yards many times. In the last half three more touchdowns were scored, making the final score, 26-0.

On Armistice Day the Chaffey Tigers and Pomona Cardinals played one of the best football games ever witnessed on the Chaffey gridiron. The game was attended by six thousand excited fans. Both teams were confident of victory as they took their places on the field, and when the whistle sounded the game was on with a rush.

The first and second quarters were played in the middle of the field with neither team having an advantage. The defense of both teams was so perfect that neither seemed to be able to break through the other's line. Toward the end of the quarter the Tigers fumbled while in their own territory, but this was recovered by Mikami of Chaffey.

The second half was all in Chaffey's favor, the ball being in Pomona territory nealy the whole of the time. Again and again Harold Glass, Chaffey quarterback, worked the ball up to the Pomona line, but the Cardinals always punted out of danger. Once the Tigers were within kicking distance, only to be penalized fifteen yards.

This was the first time was ten years that Pomona has not defeated Chaffey, for the final score was Chaffey 0, Pomona 0.

CAPTAIN STOKES

Norman Stokes was elected captain of the lightweights on October 13, 1926, by his team-mates. Norman has the record of going out for football each year since he has been in high school. During his Freshman and Sophomore years he played on the fleaweights. In 1925 he distinguished himself on the lightweight. The past season saw him making a name for himself by reeling off many sensational runs from his position at right.

PRACTICE LIGHTWEIGHT FOOTBALL

In four pre-season practice games the Chaffey lightweights ran up a total of twenty-seven points to their opponents' fourteen. The first game of the season was dropped to Chino Vocational by a 14-6 score. Claremont was then decisively trimmed 14-0. In a hard battle, where both teams were about on a par, Chaffey finally nosed out Citrus Union lightweights 7-0. The following week a return game was scheduled with Citrus, which resulted in a 0-0 score.

ALLEN.—Few who witnessed the Chaffey lightweights play, failed to notice the defensive as well as the plunging offensive displayed by Bob Allen.

BALL.—Keith came to C. U. H. S. from Pomona High. By dint of much hard playing he was able to make a name for himself at guard on the lightweights.

BARR.—Dick played guard. He was steady and always might be depended upon to do his duty well. Barr is a Junior.

GILLOTT.—Hal played a pretty open field game. He was quick on his feet at all times. Many yards were reeled off through his efforts.

GRABER.—Billie performed at half-back position. As Graber is only a Sophomore two seasons are remaining to him for more football.

HUTCHINS.—Hutchins was right there on every play. His excellent defensive work was a feature of every game he played. As he is but a Sophomore "Hutch" has two more seasons at Chaffey.

MAGILL.—Henry started out at the first of the season in a guard position. Before the season was over, however, Coach Kegley had shifted him to a backfield position where he proceeded to make a name for himself.

MCARTHUR.—Bob is going to make

a strong bid for center on the heavyweight team next fall. His work this past season was a credit to him.

ORD.—A third Ord who lived up to the example furnished by his two brothers on the heavyweight team. Mel has two more seasons.

RING.—Bill held down one of the tackles in a most commendable fashion. He will be eligible for the heavyweight squad next season.

STOKES.—Captain Stokes was one of the few Seniors on Pop Kegley's aggregation last fall. Stick was by far the most dependable man on the team. He played half-back.

SCOTT.—Phil held down an end position in fine style. Little slipped through him. He was a bear at snagging passes.

WEBBER.—Though diminutive in size Bill's most excellent head-work places him in line for the signal calling berth on the heavyweight team next fall.

WALKER.—Walker was the only Chaffey lightweight backfield man to be given a position on the All-C. B. L. Lightweight Team. He was conceded fullback position.

ZENZ.—But few opposing backs were able to penetrate the line at the point where "Tubby" played guard. Zenz is a Junior.

LIGHTWEIGHT LEAGUE GAMES

It was not until three years ago that the C. B. L. Lightweight Football League was organized and a cup offered to the winning team. At this time, after a meeting of the league officials, it was decided that, due to the increase in population, and the increased growth of the number of lightweight players, there should be some sort of an encouragement in that division from these league officials. This new league has done much toward the advancement of football in all of the C. B. L. schools.

Riverside—

Chaffey lightweights made short work of Riverside on October 14 in a game which was played on the Chaffey oval. Captain Stokes made way with several of his famous runs, and succeeded in running up a total of 27 points to 0 for the Green and Gold.

San Bernardino—

San Bernardino, as in previous years, marred an otherwise excellent schedule of the Chaffey lightweights. This year on October 21 they succeeded in defeating the Chaffey team 16-0 at San Bernardino. The Chaffey team fought well, but was unable to block the place kicks of San Bernardino.

Redlands—

A score in the second quarter gave the Chaffey lightweights the desired edge in a game played with Redlands on November 4. Chaffey proved much stronger on both defensive and offensive than their opponents. Captain Stokes, due to injuries, was unable to play.

Pomona—

Mud, rain, black clouds, and a losing score marred the game of November 12. Many costly fumbles occurred on both sides. On a fumble which came near the close of the slow game Pomona was able to score the lone touchdown. Pomona won 6-0.

MIDGETS

Coach Lucas Horsch through hard work has developed a certain group of football players who will mean much to the future school team. He coaches the midget "footballers," and has taught them the rudiments of the game. By this method the coming heavyweight teams will not be composed of raw material, but of seasoned players who already know much about the game.

There were thirty-three midgets who came out this year, and from this group Coach Horsch produced two snappy little stars. New uniforms were issued to them, and a new field was given them for their daily practice. This gridiron is north of the regular field, and was kept in condition by watering and grading.

Two players, James Sharp and Harold Mingo, were elected to captain the two teams. Under the guidance of these boys the two little fighting machines worked hard and held games that rivaled in interest the games of their older and heavier school-mates.

After a great deal of practice the boys played a game inbetween the halves of one of the league football games. Their playing proved to be so good, and the contests were so close, that they were again scheduled to play before the league game spectators.

Regular games were scheduled with the Corona midgets and the Chino boys. It is through these games that many of the boys get their experience and ambition for the heavyweight and lightweight teams of Chaffey.

The names of the players for the midget teams are as follows: Adams, Barrett, Bowman, Church, Clay, Donley, Dundas, Evans, Fillius, Finley, Garrison, Gemmel, Goddard, Kirkpatrick, Mathis, Matlin, Mattox, McMullen, Miller, Olinger, Page, Parks, Ruiz, Scott, Sharp, Trant, Weldon.

SPRING FOOTBALL

Because of the fact that football was begun so early this spring, Chaffey can rest assured of having a strong team in the field during next year's league season. Coaches Hanson and Smalley have been drilling their hopefuls with the idea of capturing the Citrus Belt League Cup next season.

Captain-elect Dorning should hold down a tackle position with even more skill than he has been displaying for the last two years. "Nellie" Gray will be a candidate for the other tackle position. Evans and Gartner will be very capable of filling the guard positions. Benton and Ord will be out for the end posts.

The coaches have a number of players to choose from for quarter. "Bill" Bowden is a candidate for one of the half-back berths. Charles Walker and Bob Allen, members of this year's lightweight team, will both be trying hard for positions in the backfield on the regulars.

Practice began on April 25 as a seventh period class which consisted of some thirty boys who hope in the succeeding seasons to become members of the heavy-weight team. The class met on Mondays, Tuesdays, and Wednesdays with Coach Hanson as instructor. Later practice was held in suits on the field.

The prospects for a championship 1928 Citrus Belt League basketball team are fair from a Chaffey point of view. Coach Kaiser has a wealth of material returning next year, and with it he is expecting to place his team near the top of the percentage list.

The most outstanding players who return are Gartner, Edwards, Bradburn and Benton. Of these Gartner and Edwards are lettermen from this last year's team, while the latter two were on the squad. All of these players have had enough experience to form a good nucleus around which the coach can build a strong squad next season.

Some of the other players who show themselves to be fine material are Ball, Terry, Jantze and Dean. All of the first three were on the lightweight squad, and Dean has been ambitiously practicing.

Schuler Briggs

was elected to captain last season's quintet, and this he did in a capable manner, again being placed on the mythical All-C. B. L. team. Coach Kaiser will certainly miss the court generalship of Briggs next year.

CAPTAIN BRIGGS

Captain "Ernie" Briggs fitted himself to captain this last season's basketball team by going out for the "casaba" squad in his Freshman year. Although he did not make a post on the team he gained some valuable experience. When a Sophomore "Ernie" again attempted to find a place for himself in the lineup and was successful, playing on the Tiger lightweight squad. He was berthed as a forward, and showed an early aptitude for making shots count. His Junior year Schuler came out for the heavies and easily made a position, playing forward so well that he was cited on the All-League team. "Ernie"

Due to the extensive practice of the basketball team before the league games started, the Chaffey boys had organized themselves into a very efficient and smooth-working quintet. It was certainly unfortunate that the team was considerably weakened because of injuries.

Some of the practice games were played with the Chaffey Junior College, and in these games the Tiger team, representing the High School, was always the victor.

The first practice game not with the Chaffey Jaysee team was played with Citrus Union High School; the game was able to afford the Tiger squad a good deal of valuable practice. The final score of the game was 17 to 11 in favor of Chaffey. Because of the earliness of the season, neither team proved to be very accurate. It was not long after this game that Kaiser sent his squad against the Citrus J. C., but it was not much of a workout, Chaffey winning 42 to 21.

The next game was played with the "Cement Mixers" from Colton; it was a struggle from the first, exhibiting some of the best defensive work displayed all season, ending 24 to 18 in Chaffey's favor.

Two games were played with Fullerton, both the first and second teams competing; both were victorious, one winning 24 to 20 and the other nosing out their opponents 19 to 18. Chaffey was next "stacked up" against Chino, Kaiser's boys winning 25 to 21. The final game of the season was another match with Citrus Union. Here the "Bengals" again ended "on top," the count being 24 to 20.

LEAGUE BASKETBALL

On January 21 the Tigers opened the basketball schedule with a game in the Chaffey gymnasium, having as their opponents the Riverside Terriers. The flashy floor work of Benson, Chaffey forward, and Cecil, captain and star of Riverside, furnished thrills aplenty for the large crowd which filled the bleachers. Benson was high point man, having a total of ten points; Briggs made nine; while Cecil made eight for his team. Riverside scored 16 points in the first half, while Chaffey was able to get but 7. The final whistle alone halted the last minute spurt of Chaffey, which resulted in Chaffey's losing the game 25-27.

San Bernardino

Amassing a total of 33 digits, the San Bernardino Cardinals defeated the Tiger quintette on the Chaffey floor February 4. Chaffey, though fighting gamely to the finish, was unable to obtain more than 12 points. Chaffey appeared to have considerable difficulty in being able to strike the basket, while, on the other hand, the Cards were working to perfection their famous triple-pass play. Koehler scored thirteen points, and Thomason fourteen for San Bernardino. Captain Briggs was the outstanding player on the Chaffey team. Due to his efforts, many Cardinal scores were broken up. Once in the third quarter Chaffey showed a burst of speed; however, the already huge score of San Bernardino was too much to be overcome.

Redlands

The next league basketball game was played with the Redlands Terriers on the Chaffey gymnasium floor. The game was a victory for the Tigers, ending with the score 23 to 18 in their favor.

Both Briggs and Benson of the Chaffey team starred, the former making nine points, while the latter garnered eight. After some hard playing, the first half ended with the score 13 to 10 in favor of the Chaffey team. The second half was much the same, and the final count was 23-18.

Pomona

The final league game was played with Pomona in their gymnasium on February 18, and it was a thrilling struggle from the initial whistle. The final score was Pomona 25, Chaffey 22.

The Cardinals took an early lead, and it was only through the superb defensive and offensive playing of the Tigers that the score was evened at 13 all at the end of the half.

The whole game was featured by the playing of Briggs of Chaffey and Keough of Pomona, and it finally ended 25 to 22 in favor of Pomona.

HEAVYWEIGHT BASKETBALL

Coach Kaiser's prospects for a league championship basketball team were suddenly overthrown when Guy Hover, who was sure of a position at forward, was suddenly injured in football practice. Moreover, both Hazelgrove and Briggs were temporarily injured during basketball practice.

Captain SHULER BRIGGS, *Forward*

"Ernie" certainly displayed an excellent brand of basketball. He made an unusually fine record for himself, being placed on the mythical All-C. B. L. team two years.

KERMIT BENSON, *Forward*

"Dutch" was a new man but he played a hard, steady game of basketball. He made many spectacular shots.

DELOSS WILLIAMS, *Guard*

DeLoss played a fine defensive game. He was often instrumental in breaking up the plays of his opponents. He rarely let a man get by him.

GEORGE HAZELGROVE, *Guard*

George, although injured early in

the season, played a good game for the Tigers. This is his last year on the basketball team.

HAROLD EDWARDS, *Center*

"Lanky" proved his worth as a center when he out-jumped every other pivot man in the league. This was a decided advantage.

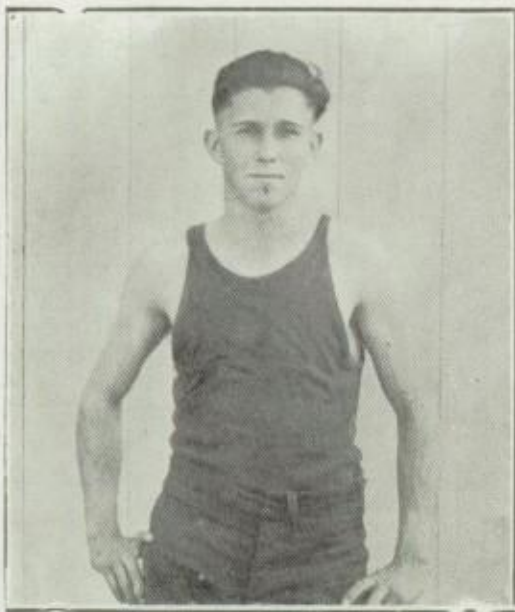

CHARLES GARTNER, *Forward*

"Chuck," although not spectacular, played a strong game. He will be one of the main-stays on next year's team.

GERALD HAYES, *Guard*

"Mike" never let anyone "put anything over" on him. His guarding proved to be the despair of many of his opponents.

Captain Goshert

CAPTAIN GOSHERT

Gilbert Goshert, Captain of the 1927 Chaffey lightweight basketball team, ended his high school basketball playing career with a mighty effort when he scored fourteen points against the Baby Cardinals of Pomona. The Tigerlet team, under the capable captaincy of Goshert, succeeded in winning three out of four of their league basketball games. Goshert was a member of the lightweight team in his junior year when he made a name for himself by his accurate basket-shooting and his all-round "head work." Gilbert starred in all this year's games and will be greatly missed from next year's team.

GEORGE ABRAMS, *Guard*

"Moses" starred in his defensive work, and also shot baskets at will. He played a well-rounded game at all times.

KEITH BALL, *Forward*

Keith came from Pomona to play for the Tigers, and was indeed an important member of the Chaffey quintet.

Chaffey lightweights began their extensive practice schedule on December 7, at which time they played the Citrus Union lightweights. Chaffey won the game handily by a 16 to 3 score. Claremont fell victim to the Kittens' claws the following week when they were defeated 21 to 2. Citrus Union again attempted to invade the Tiger den only to be sent back again with the short end of the score, 12 to 8. Fullerton, who later went into the play-offs, was beaten 17 to 11, and a few weeks later was again defeated by a 19 to 13 score. Colton and Chino fell before the onslaught of the Tiger Kittens. Colton being defeated 25 to 11 and Chino 22 to 8.

Throughout the entire season the lightweights displayed a brand of basketball unequalled by any other team in the league. The only setback of the year came when San Bernardino won by one point. This was the only game which marred the otherwise clean slate of the Tiger Kittens.

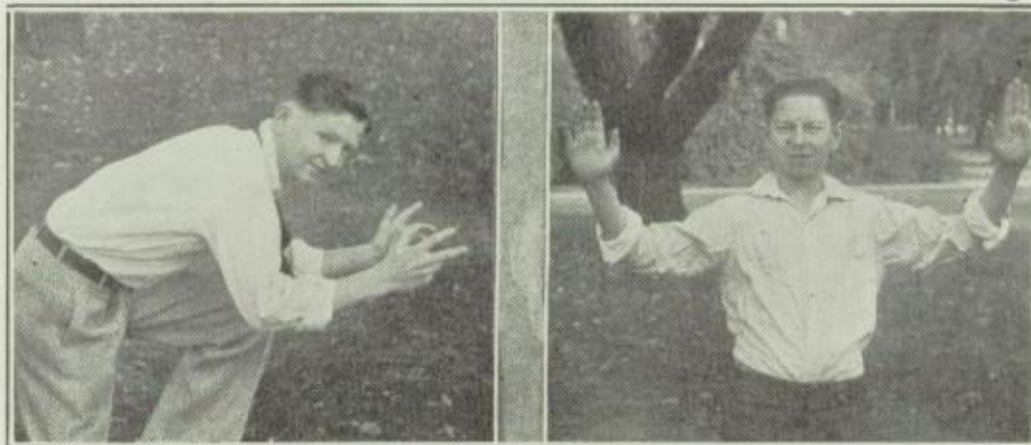

ARVIL TERRY, *Center*

"Telephone Pole" was but a Sophomore, yet he played a fine game at center. His future is bright as he has two more years in which to play.

CLYDE JANTZE, *Guard*

"Pansy" held down a guard position in a very capable manner. He also starred in the center position.

Yell Leaders

Boyd Mathews

Harold Mingo

LEAGUE GAMES

Riverside

Chaffey lightweights began their league season in fine fashion on January 20, when they defeated the Riverside Poly Lightweights on the Chaffey Court, 38 to 23. Captain Goshert starred for the Tiger Kittens. The expert defensive work of George Abrams was an outstanding feature of the game.

San Bernardino

Following a bye the Tiger Kittens were nosed out of a second victory by the San Bernardino Cardettes in a hot battle which resulted in a 14 to 13 loss for Chaffey. This game was the turning point in the league championship for 1926-1927. Terry at center played the game of his career that day. San Bernardino was forced to exert itself to the utmost to win by a lone point.

Redlands

On February 11 the Tiger Cubs again hit their stride and won a 16 to 11 victory over Redlands. Captain Goshert again starred on this date as his ability to find the basket at the proper time saved the day. Terry, Ball, and Abrams also played well.

Pomona

Pomona, though apparently a weak team as compared with the class displayed by San Bernardino and the Tiger Cubs, put up a fighting but losing struggle against the Tigers on February 18. Score: Chaffey 26, Pomona 17.

The lightweight basketball team put up a fine bid for the league championship this last season, but a single point kept them from fulfilling their ambition. They had easily vanquished every other team they had been up against, and it was certainly a blow when the team from San Bernardino beat the Chaffey boys by one single marker. They are anticipating "coming back strong" next season.

INTRAMURAL BASKETBALL

Coach Karl Kaiser developed a keen interest in basketball at Chaffey by instituting intramural games. The more experienced players and the heavy-weight men did not take part in the competition; thus giving a chance to the boys who liked the game but were not experienced enough to make one of the school teams.

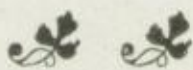

DeLoss Williams managed the tournaments and following fellows refereed: Robert Stump, Robert Meek, Frank Topliff, Maurice Williams, Charles Gartner, Joe Sharp, Guy Hover, and Harold Edwards.

There were eight heavy-weight and as many light-weight teams, consisting of about seven members each. This gave one hundred and sixty students an excellent opportunity to become proficient players, especially benefitting the Freshmen. Many of these players will be back next year as material for the coming teams. The games were played four times a week on Mondays, Tuesdays, Wednesdays, and Thursdays.

All teams elected captains whose names follow: Stone, Kreigh, Dean, Speck, Decker, Huntley, Benner, Castle, Gerbart, Reynolds, Wilson, Hopkins, Sheward, Owens, and Lutz.

Players on the Intramural Teams:

First period: Stone, Dibble, Daiken, Laule, Gaul, Olive; second period: Kriegh, Pittenger, Lee, Clark, Benton, Jantzi, Sharp, Johnson; third period: Dean, Ghormley, Avent, Bowman, Zimmerman, Bradburn, McArthur; fourth period: Speck, Decker, Waters, Stokes, Gray, Bryden, Schmeckel, Dettweiler, Ord, Cornelius; fifth period: Huntley, Lundeen, Mehl, Rump, Gilman, Chapman; sixth period: Staffield, Cole, Smallwood, Starling, Sprinkle, Snider, Gillingwaters; seventh period: Bododner, Harn, Benner, Adams, Flackman, Abrams, Bowden, Bodenhamer; eighth period: Castle, Filbert, Merrill, Herbert, Williams, Pata.

Clarence Stewart

CAPTAIN CLARENCE STEWART

Clarence "Red" Stuart, captain of the 1927 Chaffey Baseball team, has proved a valuable asset to the team, and it is with his enthusiasm that the boys have taken such an interest in the games and practice. Clarence was born in San Jose, California, but he was only three years old when he moved to the Mountain View district. He entered Mountain View grammar school where he took part in athletics. Upon entering Chaffey, he went out for both football and baseball. When but a Sophomore he held down a regular position as third baseman on the baseball team; he again played third base last year. He is now playing catcher on the team. "Red" has also made two football letters as well as a lightweight football letter.

BASEBALL PLAYERS

H. Jordan, *pitcher*.

"Jordan" was an important link in the Chaffey battery. It will be hard to replace him in the box for the Tiger team next season.

S. Briggs, *third baseman*.

"Ernie" was a steady player, a fine batter, and a third baseman of an excellent caliber. He was small but mighty.

H. Zenz, *shortstop*.

"Tubby" held down his position with the right spirit. He is quick on his feet and should star next year for Coach Wilding.

G. Goshert, *second baseman*.

"Gillie" supported the team with his unerring plays at the keystone sack. This is his last year to play for the Tigers.

A. Terry, *first baseman*.

Catching high and wide ones were Lanky's specialty, but he certainly

found time to "pole" out a nice hit for his team—and he is but a Sophomore.

Wm. Wilding, *left fielder*.

This is Bill's first year on the team and he made an excellent showing. He also made some mighty good hits.

K. Ball, *center fielder*.

Ball was always there when anything came his way. Errors were few and far between. Be sure to watch him next year.

J. McBurney, *right fielder*.

"Mac" not only patrolled right field successfully, but he also used the "Sapling" to great effect. He made few errors.

W. Gillilan.

It was a great relief to the Coach to have such a good pitcher as "Gillie" in reserve. Ward added considerable strength to the batting.

PRACTICE BASEBALL

It was from the Chaffey Jaysee that the Tiger "sand-lot artists" received most of their practice, which helped fit them for their league games this year, and, inversely, it was from the High School team that the College players were able to get in shape.

Baseball practice started soon after football season for some of the ambitious aspirants to the team, and when basketball season was over the number of boys last year to the southwest corner of the field, and a new backstop had been erected, there was also an increased interest for this reason.

Soon baseball practice "went into high gear" for the boys of both the High School and Junior College began to practice late every night. They had short games, usually six or seven innings, and in this way the players on both teams were kept from "going stale." All methods of practice were used, for not only did the boys play real games, but they also had practice in catching flies, stopping grounders, and throwing to bases.

From the first the Tiger team showed a marked adeptness at hitting and in the other phases of the game, but they made a considerable number of errors, which is unpardonable in a baseball game. After practice many of the irregularities were ironed out, and the team began to show a semblance of a smooth-running machine.

The first practice game not played with the "Jayseers" was played with the Chino Vocational squad, and this ended in an easy 8 to 2 victory for Coach Wilding's team. The next game was played with Citrus Union, and developed into a pitchers' duel. With the help of two timely hits the game turned out to be a win for the Tigers, 1 to 0.

In a mid-season game played with the Colton "Cementers" on May 6, the Chaffey "bludgeon throwers" received a severe setback when they were walloped by their opponents 5 to 1. Ward Gillilan, pitching for Chaffey, allowed Colton but three hits, but his efforts were in vain, for the team made eight errors. However, these faults are being constantly smoothed over by the coach and the captain.

Pomona

In the first league baseball game, the strong Pomona Cardinal team defeated the Tiger nine by the score of 6-2. The game was different from what the score indicates as both teams were evenly matched from start to finish.

Harold Jordan pitched an excellent game for the Tigers, and Keough a fine game for the Cardinals. Each allowed six hits, but Pomona was able to bunch their which made their scores.

Pomona started off with a rush and made one run in the first inning and another in the second. The Tigers did not enter the scoring column until the fifth when they made but one run. Their second and last run came in the sixth frame. Pomona made two runs in the seventh and eighth innings.

All the Tiger team showed up well, with the outfield starring. Each outfielder got at least one hit; Ball and Wilding got two each. Kerry, Chaffey's star first-baseman, also showed up well with the bat. He hit Keough for a double. Zenz proved a star at shortstop.

Redlands

Trying desperately to overcome a lead obtained because of five errors occurring during the first of the game, the Chaffey Tiger baseball team was beaten in a game played with the Redlands Terriers on the Chaffey field Thursday, April 28. The final score was 5 runs to 0 in favor of the Redlands team.

In the very first inning the Terriers, with the help of two hits and several errors, scored three runs. They again made a run in the second inning. The Chaffey team scored in neither period. After this time the team from Redlands was able to score but one run.

If the Tigers had been able to get a timely hit when they had a man on both first and second bases, the final score of the game would have been much different. "Ernie" Briggs, star third baseman, got to third twice, but he was unable to score either time.

The line-up of the game was the same as the first encounter. It is as follows: Zenz, shortstop; Goshert, second base; Stewart, catcher; Jordan, pitcher; Terry, first base; Briggs, third base; McBurney, right field; Wilding, left field; and Ball, center field.

Pre-Riverside

The Riverside-Chaffey baseball game should furnish a very close exhibition. At the time the Fasti goes to press Chaffey has been defeated by the Pomona Cardinals and by the Redlands Terriers. Riverside has suffered one defeat, losing to the strong Redlands nine. Judging from the scores the Riverside team should win, but the Chaffeyites are expecting their team to prove to be the better.

Pre-San Bernardino

Although the Fasti goes to press before the San Bernardino baseball game the Tigers are anticipating a close battle. The Gate City has a very powerful team and is a slight favorite over the fighting Tigers. Pomona has defeated both the San Bernardino Cardinals and Chaffey. The San Bernardino-Chaffey contest should be hard-fought, if last year's 2 to 1 battle counts as an example.

CAPTAIN GUY HOVER

Captain Guy Hover has played an important part in athletics at Chaffey, making six major letters and one lightweight emblem. "Blondy" went out for track in his sophomore year where he proved successful. Three of his "C's" have been won in that sport. When a Junior Guy made a position on the heavyweight basketball team, as well as playing on the lightweight football squad. When a Senior he injured his shoulder in early football practice but was awarded a letter. Although this injury kept him from participating in basketball he recovered enough

Guy Hover
to win the mile and half-mile events in the league track meet. Hover is an example of what hard work will do for an athlete, and his graduation will be a big loss to Chaffey next year.

SCHOOL RECORDS

	E. Payne		
	K. Wilcox		

threw the discus 148 feet 3 inches, over a foot further than the world's interscholastic record.

RALPH SCOTT

"Scotty" proved to be a consistent winner in the broad jump, as well as being a fine high jumper. He will be missed next year.

HOWARD RIGGS

"Speed" surprised everyone when suddenly, through hard practice, he became one of the best pole vaulters in the league. He tied for first in the C. B. L. Meet.

ESTLER MILLEMAN

"Ice-Wagon" gave Fred some excellent support in the weights, placing second to him in nearly every meet. His favorite event was the discus throw.

GLEN DORNING

"Dainty" was another weight shark. He put the shot close to Steiner, and it is anticipated that he will be strong in the coming season.

GEORGE LEECH

"Handsome" garnered several points in the Citrus Belt Meet when he placed third in the furlong and fourth in the century.

EARL BRYDEN

Earl will certainly be a world beater for he has two more years of competition. He placed third in both the

high and low hurdles.

HARRY LEISER

"Fontana" was Hover's running mate in the two-lap race. He did well in the C. B. L. where he placed a strong third.

HOWARD GARRISON

"Dad" recovered from an injury to his ankle received in football earlier in the season to place third in the broad jump.

ELMON REED

"Bert" won his letter when he tied for third place in the high jump. He practiced conscientiously and received a reward.

GEORGE BARRY

"Bury" did his best in the high jump and in doing so tied for third place with Scott and Reed, both of Chaffey.

FLOYD PLASMAN

"Floydie" was a member of the winning Chaffey relay team.

STANLEY REEDER

"Stan" had an off-day in the 440 but he intends to win the race next year. He was on the Chaffey relay team.

MAMORU MIKAMI

"China-boy" did not place in either of the dashes, but he came back to run a fine lap for the relay team.

CHAFFEY INVITATIONAL MEET

The Chaffey Invitational Track Meet held on the Chaffey field March 26, proved to be one of the most successful events ever staged on the home field. Santa Ana took first place, while Chaffey and Colton placed second and third respectively. The meet proved to be fast as twelve of the thirteen records were broken.

The outstanding performances of the day were Steiner's toss of 142 feet 2 inches in the discus and 49 feet 2 inches in the shot; Rigg's second place in the pole vault; Reeder's 440-yard dash; and Hover's 880-yard run. Other stars were Moffat, Bear, and Breeding of Santa Ana, and Starkey of Colton.

The schools that competed in the meet were: Anaheim, Banning, Bonita, Brea-Olinda, Chaffey, Chino, Chino Vocational, Claremont, Colton, Corona, El Centro, Elsinore, Garden Grove, Harvard, Hemet, Huntington Beach, Julian, Orange, Perris, Pomona, Redlands, Riverside, San Bernardino, Santa Ana, South Pasadena, Tustin, and Victor Valley.

Track is rapidly becoming more and more popular at Chaffey. This can easily be seen when it is noticed that the attendance at the meets is growing with leaps and bounds. Not only has the number of spectators increased, but the number of participants has grown enormously.

This increasing interest and growth has its source in "Pop" Kegley, Chaffey track coach, for it is because of his faithful guidance and teachings that the boys of the institution have become ambitious toward doing something in track, and they are having more and more opportunities.

Last year the idea of having a Chaffey Invitational Track Meet met with doubt in the minds of many, but it was entirely successful. There were hopes that the meet could be made into an annual affair, and it was with pleasure that the student body, the faculty, and the other Chaffey well-wishers heard that the Invitational Meet would be attempted again this last season. Under the able guidance of Ernest Fischer, manager of the meet, the "Chaffey Day" proved to be more of a success than anyone dared to anticipate. Over twenty-five schools participated! To the regular meet was added a novice meet, which produced some fine "tracking."

The Chaffey track team had a great deal of valuable practice before the C. B. L. meet, which gave them the C. B. L. championship. The team started the season with a practice meet with the Pomona Cardinals, winning easily. Their next opponents were the Covina Colts, who also fell before the Tigers. At the Huntington Beach meet, Chaffey placed second to Santa Ana. It was indeed a surprise when "Pop" Kegley's boys won first place in the A. A. U. relays. The final practice for the Tigers was a dual meet with Riverside. Chaffey won handily. At this meet Fred Steiner heaved the shot to a new school record of over fifty feet.

The team attributed its success throughout the season to their excellent coach, Mr. Kegley, known on the track as "Pop" Kegley.

Captain GUY HOVER

Blondy's worth to the team is shown as he holds both school records for the distance events. He has run the half mile in 2:3.2, and he completes the mile in 4:44.

FRED STEINER

"Alocious" lived up to all expectations this year by winning both the discus and the shot put. He was the best weight man in the state, breaking two school records. In practice he

CITRUS BELT LEAGUE MEET

At the 1927 Citrus Belt League Track and Field Meet, which was won by the Chaffey Tiger Track squad with a total of fifty-five and one-third points, there were over two hundred fifty athletes competing. These represented the five league schools. The Pomona Cardinals surprised the other schools by finishing second. The final scores were as follows:

Chaffey	55 1-3	Redlands	26 1-3
Pomona	34 1-3	San Bernardino	13 1-3
Riverside	11 2-3		

Keough of Pomona was high point man of the meet, gathering a total of eleven and a half points. Keough proved to be an "iron man" when he placed first in the high jump, second in the broad jump, and tied for first in the pole vault. Four men tied for second honors: Steiner and Hover of Chaffey, Haddock of Pomona, and Edwards of Redlands all scored ten points.

Captain Guy Hover of the Chaffey team ran two fine races, winning both the mile and the half-mile events. The time for the mile was 4:44, while the half was accomplished in 2:05.4. Leiser placed third in the half-mile.

The star sprint man of the afternoon was Captain Edwards of Redlands. His time in the century was not fast but he won the furlong in 22.2. Leech of the Tigers placed fourth in the 100 and third in the 220.

Haddock of Pomona won both hurdles. Bryden of Chaffey placed third in both barrier races.

The weights were dominated by tall Fred Steiner. He took first place in both the shot and the discus, putting the shot within three inches of the record, and throwing the disc approximately 138 feet. Milliman placed second in the "platter" throw and third in the shot. Dorning was second in the shot put.

There was a very close competition in the pole vault. Riggs of Chaffey, who had up to a short time before shown no prospects of being among the first of the pole vaulters, tied with Keough of Pomona and Gardner of Redlands for first place. The height was 11 feet 3 inches. There were three other men tied for fourth place.

Ralph Scott of Chaffey won the broad jump with a leap of 21 feet 2 inches. Howard Garrison was third. This "garnered" seven points for the Tiger team. Keough of Pomona won the second place, winning from Garrison by a scant margin.

Keough of Pomona placed first in the other jump, clearing the bar at 5 feet 7 inches. Three Chaffey men tied for third place. These fellows were Scott, Barry and Reed.

The relay event was won by the Tiger team. This was indeed an upset. The team, composed of Reeder, Mikami, Plasman, and Leech, won the event by but a few inch margin over San Bernardino. Pomona was third.

Only two C. B. L. records were broken or tied. Edwards, the sprinter from Redlands tied the 220 yard dash record by running the furlong in 22.2 seconds. Fred Steiner broke the discus record of 129 feet $3\frac{5}{8}$ inches with a heave of 138 feet 8 inches.

TRACK PLAYOFFS

Chaffey established a fine record in track this season by winning fourth place in the Southern California Track Meet and tying for fourth in the All-State Meet.

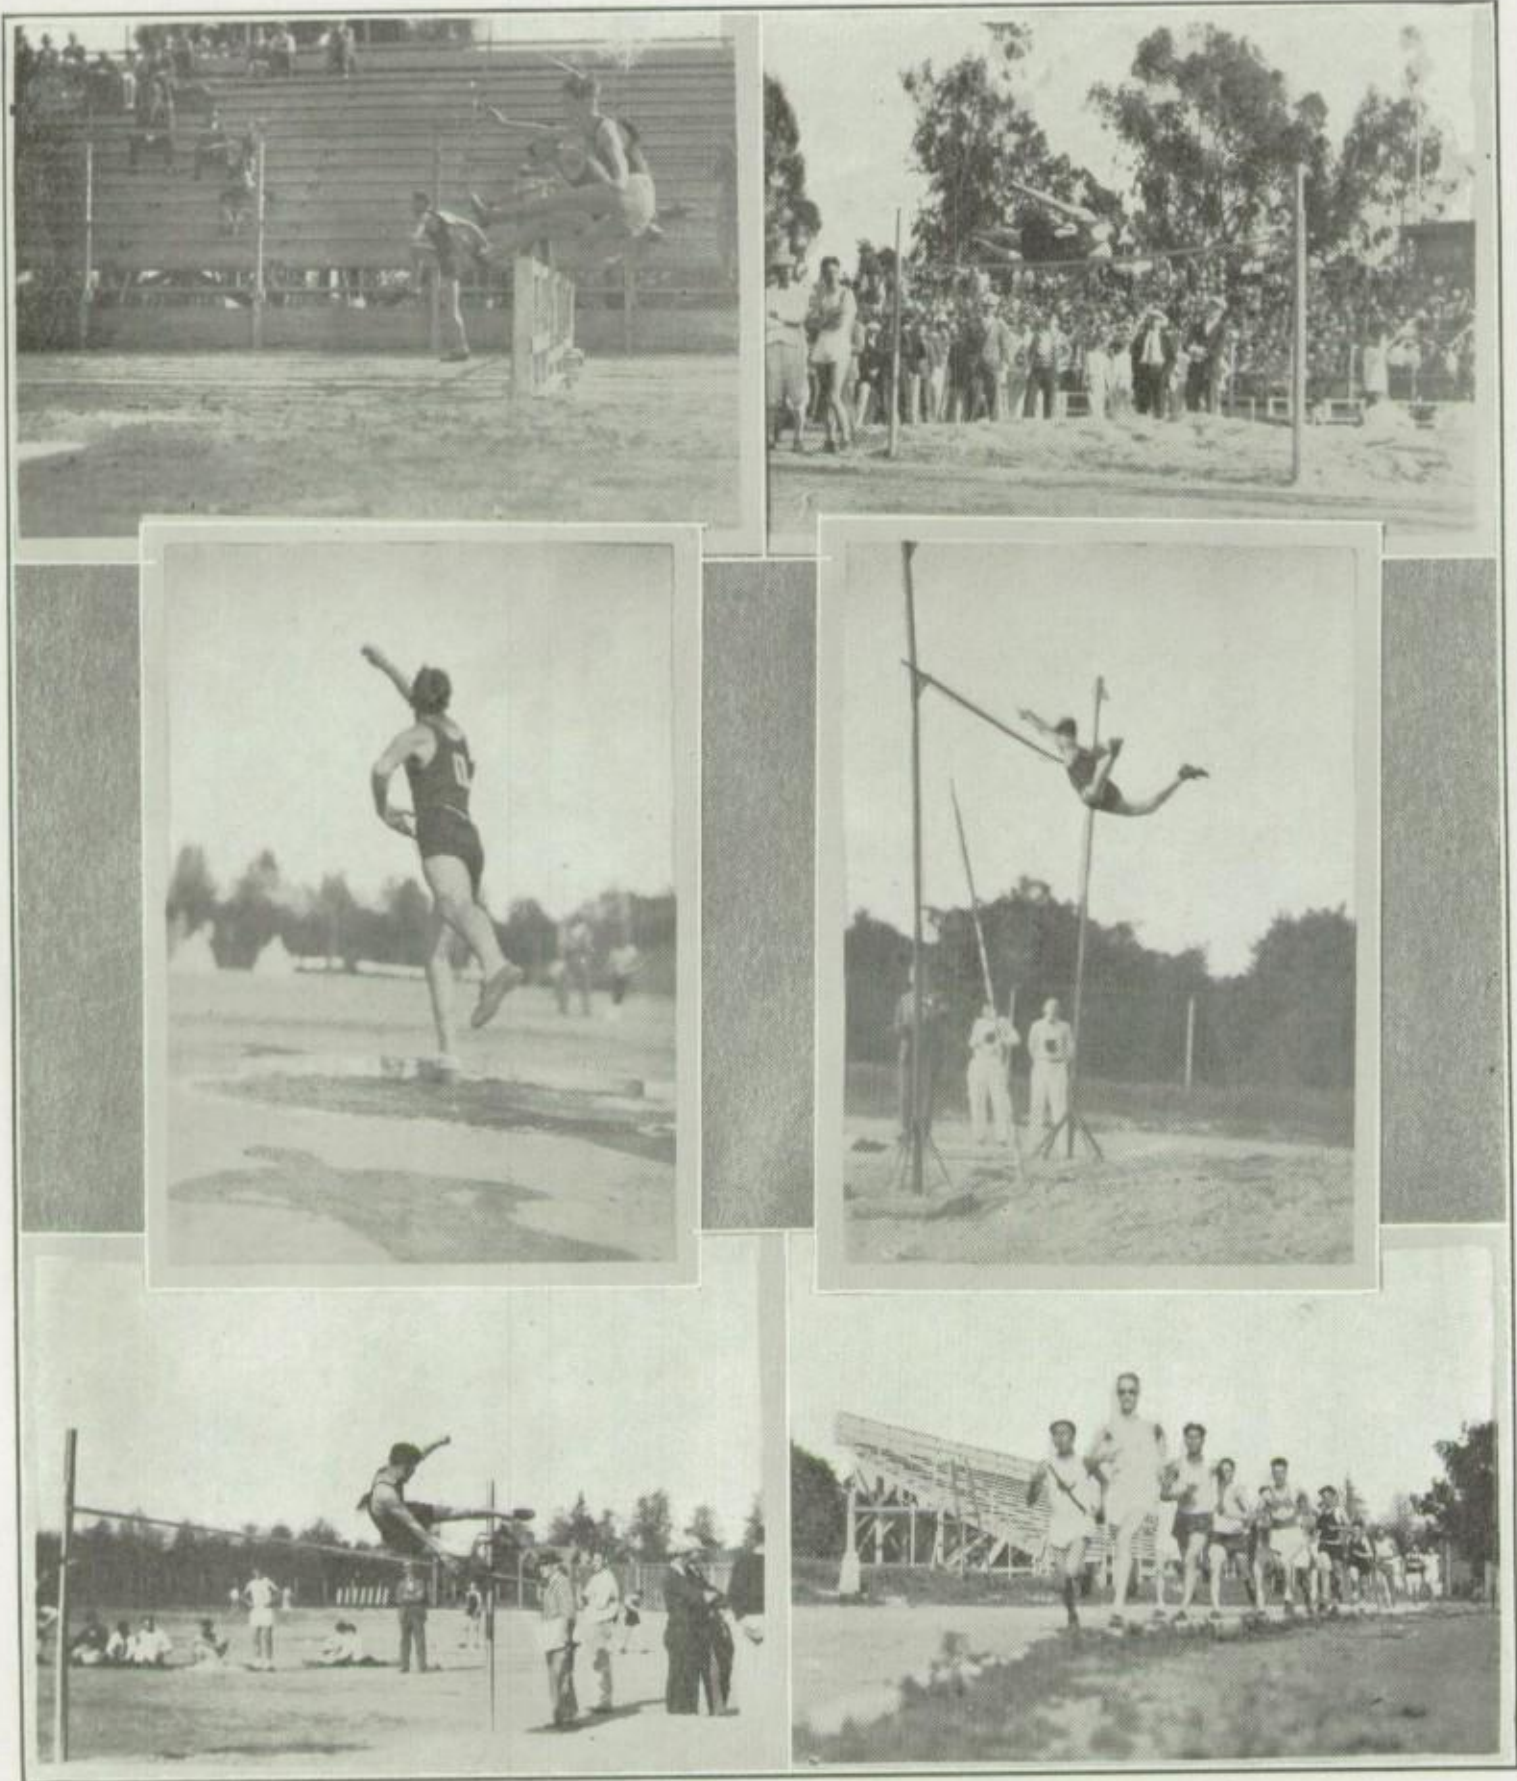

On April 30, the Southern California Track and Field Meet was held in the Los Angeles Coliseum, and Chaffey sent three representatives to the meet, Fred Steiner; Captain Guy Hover and Estler Milleman. Steiner had little difficulty in winning the discus heave with a throw of 135 feet. He placed second in the shotput, putting the iron ball 49 feet, 8 inches. Captain Guy Hover ran a thrilling race to finish second in the mile event. Milleman was unable to place in the discus.

The State Meet was held at the Modesto Coliseum on May 7, and two Chaffey boys carried the colors of the Orange and Black. Steiner repeated his achievement in the former meet, winning first in the discus and second in the shotput. Hover, being off form, was unable to place in his race.

CAPTAIN FLUM

Beginning away back in Grammar School, Captain Arthur Flum of the 1927 tennis team established an enviable record in sports. For four seasons Art has played on the Chaffey team. During this period he has not lost a C. B. L. match. Art was born in Ontario in 1910. Upon entering San Antonio Grammar School he commenced to wield a racquet. This year the student body awarded Art his white sweater and three stripes with a star.

BOY PLAYERS

Arthur Flum

JACK WALKER—2nd Boys' Singles

"Ivan" was one of the steadiest members of the Tiger squad. He played a good and consistent game for all four seasons.

DARIEL HOWELL—1st Boys' Doubles

"Mike" knows tennis from A to Z and he plays it. He should be the ranking player next season.

BOB ALLEN—1st Boys' Doubles

"Sheik" played a fine game and it was a blow to the team when he was eliminated from further play by an injury.

HAL HARLOW—2nd Boys' Doubles

"Pretty" is a clever and scrappy player, who will do much toward

bringing another cup to Chaffey before he graduates.

CLIFFORD LITTLE—2nd Boys' Doubles

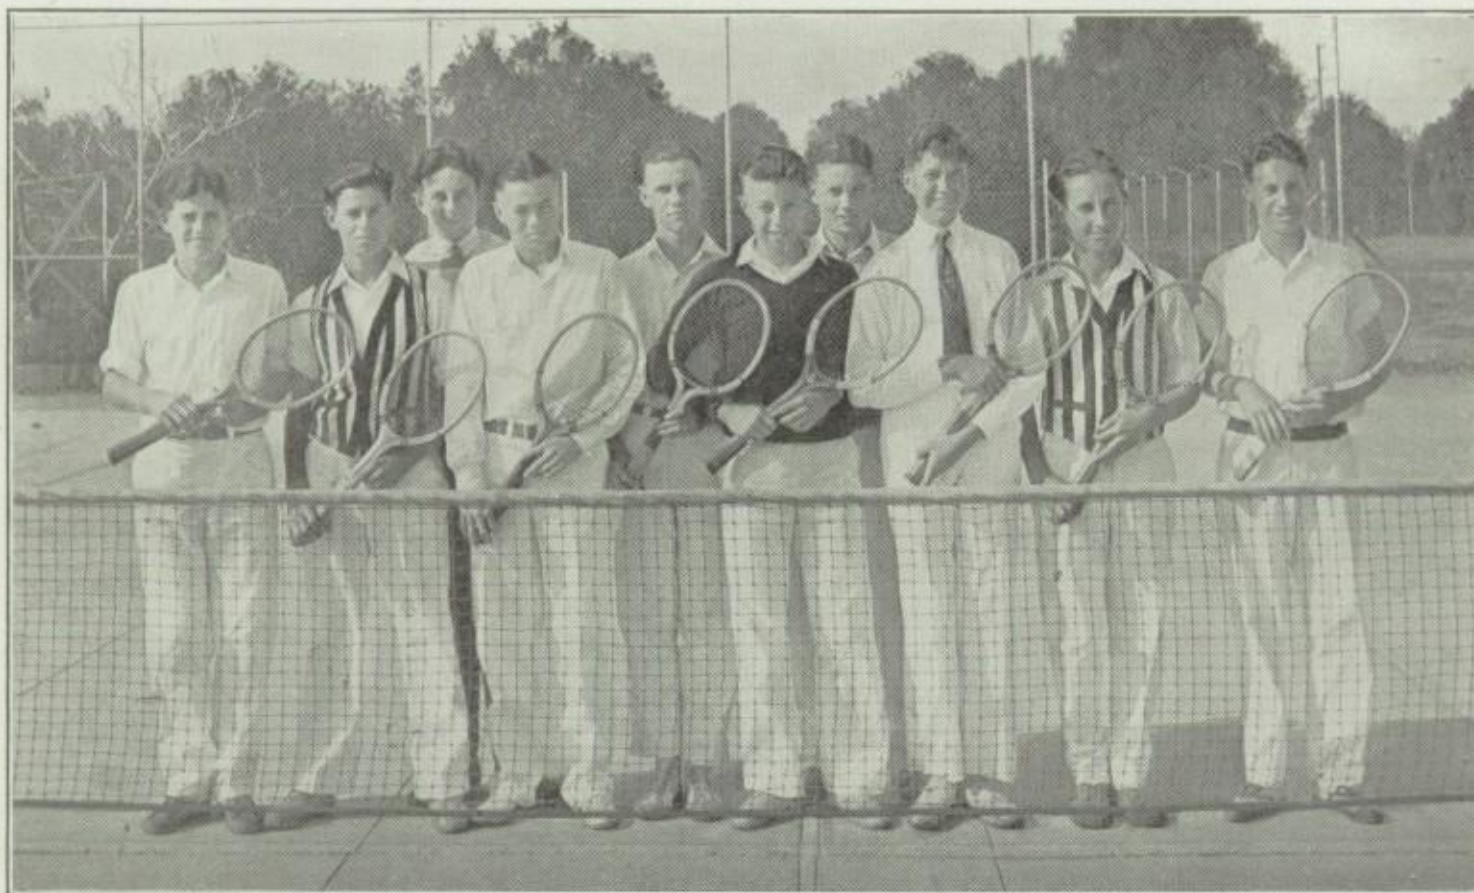

"Clippie's" playing shows that he will be a valuable man in years to come. He has two more years of competition before him.

FRANK KILER—Mixed Doubles

"Handsome" was quite the man with the women, playing a nice match as mixed doubles. This is his last year on the squad.

ROBERT COFFIN—

"Coffey" made a strong bid for the team this year. He was a flashy player with exceptionally good strokes.

Mary Graber

CAPTAIN GRABER

Mary has proved to be an able leader for the girls' team, and her ability along all lines will be missed next year. She was not only a fine tennis player, but she was an exceptional student as well.

She was born in Ontario and attended Central Grammar School, showing an early aptitude for athletics. Her specialty was tennis, and she was the best tennis player in school. The next year she entered Chaffey, and at the very first went out for the tennis squad. She again came out for tennis next season, playing second doubles. In her Junior year she was a member of the first doubles team. She played in that position this last year. Coach Hankey will miss Mary next year.

ATHALIA PORTER—*1st Girls' Singles*

"Porter" certainly proved a valuable asset to the team, representing Chaffey for four seasons, and every year she has been a C. B. L. champion.

GERTRUDE BOND—*1st Girls' Double*

"Trudy" achieved distinction at Chaffey by playing all four years on the Tiger tennis team. She will be missed very much next year.

GLESSIE STRANGE—*2nd Girls' Doubles*

"Gless" has played a consistent game at second doubles for three years.

ELEANOR FROST—*2nd Girls' Singles*

This was the first time that "Fros-ty" played on the team, but she gained much valuable experience.

ELIZABETH BOND—*Mixed Doubles*

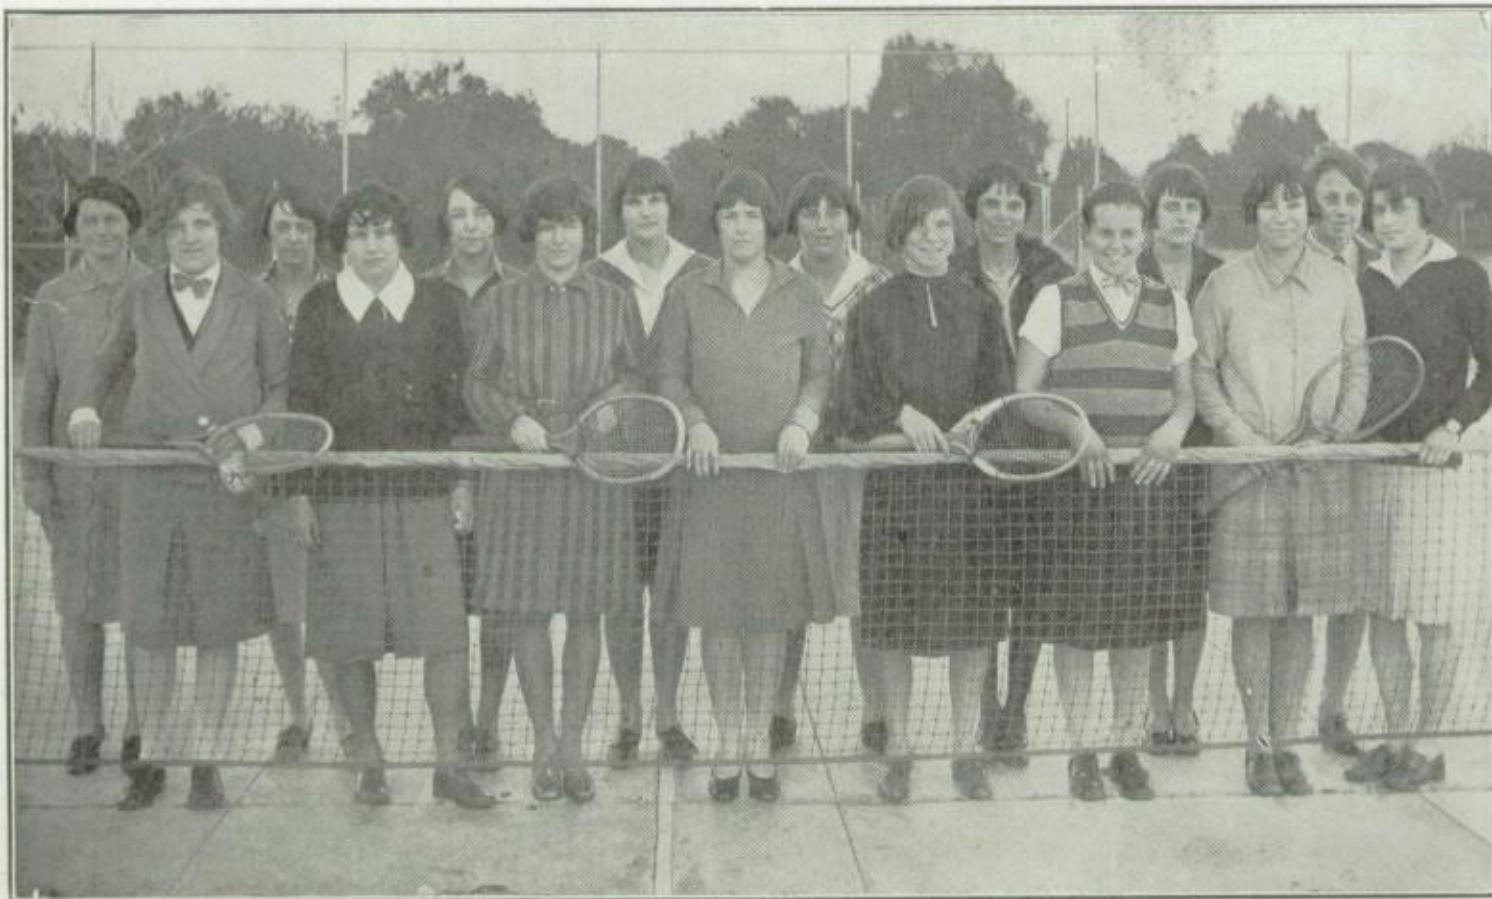

"Lizzie" is a "shark" as a mixed doubles player, and she is but a Sophomore. She was one of the steadiest players on the squad.

DOROTHY ALLEN, *2nd Girls' Doubles*

Dot was an important cog in the mixed doubles machine. She and "Gless" made a combination that was hard to beat.

MARION JAMES—

"Jimmie" played a "heady" and consistent game.

TENNIS TOURNAMENT

Pre-Redlands—

The Chaffey racketeers are favorites to win in their league tournament with the Redlands team. In their first matches the Tiger players were easy winners over the Pomona "Cards" and the Redlands Terriers were beaten badly by the Riverside Poly Bear team.

Pre-San Bernardino—

Coach Alter's team is also favored to be successful in its match with the Cardinals from San Bernardino. The tourney will be held on the Chaffey courts on Friday, May 20. Nevertheless the "Berdoos" squad should give the Chaffey team a run for its money.

Pre-Riverside—

The Poly Bear team representing Riverside look like they will be very strong in their league tournament with Chaffey. Thus far in the season they have played some excellent tennis, and if this continues the Tiger squad will have a real battle.

Outside Meets—

Chaffey was represented in the Dudley Cup Tournament by Athalia Porter and "Art" Flum. Miss Porter was eliminated in the first round after a long and hard match. Flum won several matches, finally being eliminated in the playoff for the finalists.

At Ojai, a state meet, Flum entered for Chaffey, and after having several matches, was beaten in the quarter finals.

Southern California Preliminaries—

On May 14 the Citrus Belt League "Tenniseers" will meet on the San Bernardino courts to decide who will represent the league in the All-Southern tournament.

Southern California Tournament—

All of the stars of Southern California will assemble on the courts at Fullerton on May 21 for the annual Southern California meet. There should be some very fine playing exhibited.

Pomona Tournament—

On April 15 Chaffey defeated Pomona by a 29 to 4 count on the Chaffey courts. The only match lost by the Tigers was the second boys' doubles.

INTRODUCTION

Chaffey offers ample opportunities to her young people for physical as well as mental development. The girls' physical education department is well equipped to give the girls health and to teach them how to keep it. Every Chaffey girl is required to take four years of Physical Education, which includes health studies of some sort one day a week. Miss Mabon and Miss Hankey are in charge of the gymnasium and sports classes, while Mrs. Fleming directs the health work.

The girls in each of the four classes work up basket ball, hockey and baseball teams, which compete for the championships. Every girl has an equal chance to enter these activities and all the others as much as she pleases.

BASKETBALL

This year the girls' sport season started out with basketball instead of the usual volley ball, which was omitted from the program. During several practice games after school the teams were chosen as follows: Seniors: Captain, Gladys Peterson; Mary Graber, Ida Vernon, Helen Strunk, Marion Jones, Ruth Payne, Dorothy Allen, Luella Hiebert, Frances Garbutt, Ethel Settle, Jeanette Davis, and Emily Webster. Juniors: Lyvonne Adams, captain; Irene Huger, Marian Armstrong, Isabel Emery, Marie Matlin, Thelma Voyce, Glessie Strange, Clara Lichti, Hazel Woodruff, Marian Henderson, Ruth Luther, Ruth Clar. Sophomores: Sarah Hadley, captain; Thelma Miles, Jean Baird, Helen Samuels, Mervel Trumbley, Lena Patterson, Celia Allen, Opal McPeck, Martha Provine, Minnie Freeman, Alberta Snow, Lavonne Stauffer. Freshmen: Madeline Dibble, captain; Harriet Shattuck, Bernice Gillilan, Irene Karr, Leona Garrison, Evelyn Swoap, Charlotte Allen, Arsnow Kightmer, Mary Norton, Roberta Seaman, Evelyn Weeks, and Lucille Somerfield.

Many hard battles were fought, the fiercest being the championship game between the Juniors and the Seniors, which the Juniors won. Basketball is one of the most popular girls' sports, and this season's season was particularly successful.

HOCKEY

Hockey is Chaffey's newest girls' sport. Not until this year have the girls organized hockey teams for each of the four classes or played inter-class hockey games on a regular field. Last year a few of the girls learned something of the game in after-school class, but made no regular study of the game. This year with Miss Hankey as coach, the girls of the different classes took up hockey as part of their regular work. After several weeks of practice, teams were chosen, and inter-class competition begun. Even the Freshmen were able to choose a very enthusiastic team.

The Seniors, captained by Marian James, proved to have the fastest team. The Sophomores, led by Helen Samuel, also put up a strong fight for first, but had to content themselves with second. Next in the race came the Juniors, captained by Helen Schultz, and last were the Freshmen, whose leader was Mary Norton.

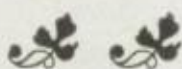

Because it is something new and different at Chaffey, and because it is a very enjoyable game, hockey promises to be a great success, and is already the favorite sport with many. The girls are looking forward eagerly to next year's season, planning to work hard and learn more of a game they like so well.

HEALTH WEEK

This year a new plan was tried out in connection with the girls' work at Chaffey. The girls observed Health week, which found a climax in the posture contest. For the past five years it has been the custom among the girls to have the latter, but never has a real health week been observed. This year the contest was held at the end of the week as a grand finale to all the preceding events. Instead of choosing one girl winner, as formerly, the judges picked out six girls from each class who stood highest and then announced which group of six had the best posture as a whole. The Senior sextet was proclaimed the winner. In the order of their ranks the girls were Luella Hiebert, Louise Beattie, Emily Webster, Marie Miller, Mary Graber, and Ida Vernon. The Junior group, which ranked next, was composed of Marian Henderson, Louise DeBerard, Lyvonne Adams, Rosa Cummings, Helen Schultz, and Marie Klimes. The Sophomore girls were Marian Sturdivant, Jean Baird, Alta Hamilton, Jean Rubie, Ruth Galentine, and Eleanor Frost; while the Freshmen were Vera Cook, Juanita Myers, Lucille Miller, Priscilla Keyt, Charlotte Allen, and Mildred Durfee.

In the earlier part of the week contests were held for the best health poster and health poem. Lucy Bailey won the poem contest, and Lillian Beard made the best poster. As Health week was very successful, it may become an annual event.

HEALTH WORK

Chaffey has a very well organized health department, under the direction of Mrs. Fleming. Each girl is required to take four years of health work: hygiene during the first two years and Home Nursing and First Aid during the Junior and Senior years. As a part of her regular work, each girl undertakes some project, a different one every year. The Freshmen make food charts, which tell about the number of calories in different foods. The Sophomore project is Baby Books. Some very fine Baby Books have been made in the past, and Mrs. Fleming says that they are even better this year. One book, compiled by Alice Hall, was so good that it was sold to be used as a pattern for other books in Los Angeles. Many other books are being used at different places as patterns, one of them even going to China. In Home Nursing the Juniors take up demonstration work and bandaging. First Aid kits and poison charts are the special work of the Seniors. The kits contain various articles useful in first aid, such as sterile dressings, vaseline, mercurochrome, and unguentine. All of the different projects are displayed at the Junior Farm Center Fair, and judges select the best one from each group. Chaffey's girls take much interest in the work, especially since the projects have become a feature of it.

G. A. A.

Girls' Sports at Chaffey have made desirable the formation of the Atletas Club and the Girls' Athletic Organization. Girls who go out for athletics to any extent are almost sure to become members of the G. A. A. All members of the Atletas Club are also included in it. The members of the G. A. A. are:

Dorothy Allen
Ethel Settle
Athalia Porter
Mary Graber
Gladys Peterson
Frances Garbutt
Jeanette Bryan
Florence Ashley
Helen Lichti
Anna Lichti
Ida Vernon
Minnie Carpenter

Marian James
Marie Matlin
Janet Martin
Helen Strunk
Ruth Coe
Elizabeth Holman
Marian Henderson
Marian Armstrong
Glessie Strange
Clara Lichti
Dolos Long

Hazel Woodruff
Ruby Hopkins
Ruth Luther
Jean Baird
Alberta Snow
Helen Samuel
Thelma Miles
Lena Patterson
Elizabeth Bond
Gertrude Bond
Sarah Hadley

ARTS AND CRAFTS

During the year of 1926-27 the Arts and Crafts Departments have been unusually active. Many fine projects have been started and carried through to a successful climax. Both of these departments have turned out productions and service of true value and worth.

In the Fine Arts, music, oratory, debate, and drama have been successful. Several plays have been presented on the Chaffey stage, and all of these have been very well acted and have had excellent casts. Several fine orators were developed in the public speaking classes. Through the medium of the many declamation contests and debates, these people were able to win fame for themselves and for the school. In the C. B. L. and the Constitution Contests especially, Chaffey orators shone. Great achievements were made in music. Several concerts were given by the Community Symphony Orchestra. The Glee Clubs took first place in the District Eisteddfod Contest, and appeared before the Student Body several times. As a fitting climax to the year's work, Mr. Blakeslee's opera, "The Legend of Wiwaste," was staged with a professional cast, and with expensive and elaborate scenery. Members of the Glee Clubs formed the chorus. Mrs. St. Gaudens conducted sculpturing classes for two quarters. At the end of the course an interesting exhibit of the work done was held in the art rooms.

In the Vocational Arts Departments an equally extensive program was followed out. During the year the Home Economics classes were given a great deal of constructive work. In the woodshops, machine shops, mechanical drawing classes, and auto shops, the boys learned not only the rudiments of mechanical work, but carried on actual construction work and manufactured articles. In the Bookstore and Cafeteria the students of the school were offered school supplies and food at a considerable saving.

The Bookstore gave the students practice in commercial work and salesmanship, while the Cafeteria did a great service in preparing lunches and banquets, as well as giving cooking and serving practice.

Agricultural work flourished this year. Both the stock and the citrus judging teams did well, the stock judging team winning first in the state meet and fourth in the national meet.

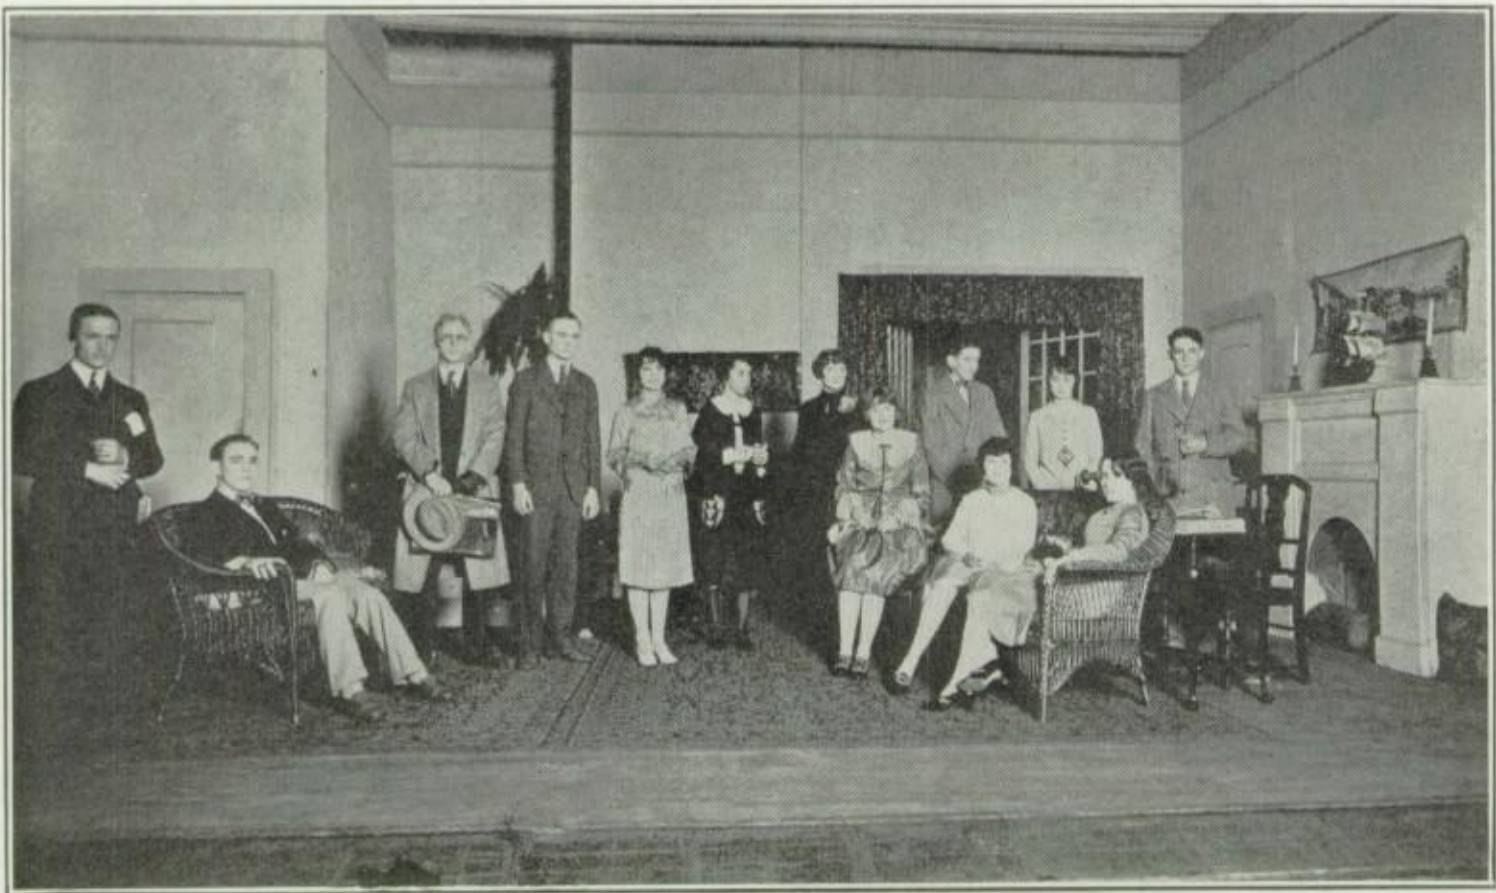

"THE CHARM SCHOOL"

"The Charm School," a very delightful and unusual four-act comedy, was presented by the Senior class, February 25 and 26 in the Chaffey Auditorium. Mrs. W. H. Kegley, dramatic coach, contributed greatly to the success of the play. She was aided by numerous committees which performed their duties with surprising ability.

The main plot of the play was centered around a girls' school, which was willed to Austin Bevans. Mr. Bevans, who had his own ideas about how the school should be managed, tried to carry them out. The play proved to be exceptionally interesting all the way through, as each one of the cast presented his part with a certain little spice and enthusiasm.

The heroine, Eloise Benedotti, played by Juanita Lutz, was the president of the Senior class at the girl's school. Her companions were Florence Ashley, Sally Boyd; Anna Kathryn Jessup, Alix Mercier; Della Smith, Muriel Dougherty; and Sally O'Brien, Ethel Spelmius. John Mehl was Austin Bevans, the heir of the girls' school. Edmund Cordes as Homer Johns, the guardian of Elise; Thomas Hilberg as David McKenzie, a law student; and Bob Provine as George Boyd, an expert accountant, all played important roles. Howard Peltier and John King as Tim and Jim Simpkins, the twins, added greatly to the success of the play. Elaine Alexander, as Miss Hayes, the head of the girls' school, and Ida Vernon as secretary, also presented their parts exceptionally well.

THE JUNIOR PLAY

As their class play this year the Juniors presented "Bab," a very interesting and humorous comedy in four acts. "Bab" was written by the well-known writer Mary Roberts Rhinehart and dramatized by Edward Childs Carpenter.

The play, which was so successfully given April first, was the result of about three weeks of exceptionally hard work on the part of the coach, the cast and the various committees. Mrs. Kegley, dramatic coach, did creditable work with the cast upon this occasion. She was presented with a gift by the cast which showed its appreciation in this way.

The lead was taken by Pauline Sharpe, while John Filbert played opposite her as Carter Brooks. Warren Moore portrayed Eddie Perkins, the neighbor boy. Mrs. Archibald, the mother, was played by Martha Frank, with Bill Ring as Mr. Archibald, the father. The other characters were: Louise de Berard as Leila Archibald, sister to Bab; Dorothy Hill as Jane Raleigh; Ralph Milliken as Clinton Beresford, the Englishman; Donald Webber as Guy Grosvenor; Donald Nak as the butler, and the maid, Marie Klimes.

The committee included the following: Advertising—Lloyd Mellichar, Marie Matlin, Mary Stump, and Paul Wright; Costumes—Novelle Barry, Maxine Pier-son, Elma Gordon, Bill Wilding, and Lorn Poister; Properties—Glessie Strange, Gwynne Provine, and Keith Ball; Stage—Howard Warren, George Hazelgrove, Herschel Teeter, and Schuler Briggs.

Mrs. W. H. Kegley, dramatic coach at Chaffey this year, has done excellent work, as has been shown by the various plays which she has so expertly coached. Mrs. Kegley studied at Coe College in Iowa, and also at Northwestern University. The plays which she has so successfully coached this year are: the Junior College play, "The Gypsy Trail;" the Senior Class play, "The Charm School"; and the Junior Class play, "Bab".

Many activities are included in the school life for the builders believe that music, drama, art, and public speaking build character.

DEBATE

"Be calm in arguing; for fierceness makes error a fault, and truth discourtesy."

Those teams, which during the past year have represented Chaffey in the interscholastic debates, upheld the excellent record established in former years by Coach Kegley's teams. In the three debates Chaffey won nine judges' decisions and lost nine decisions; Chaffey ranked third in the league, Colton winning first honors and Riverside second. Mr. Kegley, through skilled instruction and much work, produced teams which brought credit to the school.

Practice Debates

Preceding each league debate Coach Kegley always scheduled several preliminary matches with the other C. B. L. teams, who were to use the same topics. These debates were often held after school in Mr. Kegley's room. Here the teams exchanged ideas and arguments, which did much toward enabling them to present flawless arguments in the coming debate.

League Debates

In the first debate of the season, Chaffey was ably defended by Clement Cole and Ellen Benson on the negative, and Juanita Lutz and Gertrude Bond on the affirmative. Redlands and Corona both fell by a 2-1 vote of the judges. The question was, "Resolved, that intersectional and state championships should be abolished."

2nd Debate—The question, "Resolved, that the California Primary System should be abolished," formed the basis for the arguments of the second league debate. This debate was a triangular affair between Chaffey, Pomona and Redlands. The Chaffey affirmative team was composed of Clement Cole and Ida Vernon, while Juanita Lutz and Gertrude Bond comprised the negative squad. Chaffey's affirmative won 3-0, while the negative lost by the same count.

3rd Debate—Colton, Riverside and Chaffey met in the third and final debate. Chaffey was represented in the debate by Gertrude Bond and Roland Rutledge on the affirmative, and by John Mehl and Ida Vernon on the negative. Chaffey lost both by a 2-1 vote. The topic discussed was: "Resolved, that the United States should recognize the Soviet Government of Russia."

Richardson Oratorical

The Richardson Oratorical Contest is an affair held every year just before Memorial Day. At this time the members of the G. A. R. and the D. A. R. are guests of the Chaffey student body, and they are always interested in the speeches, as the orators choose patriotic topics. The winner of the contest each year has the honor of having his name engraved on a beautiful silver shield, donated by E. H. Richardson of Ontario.

G. BOND.—Gertrude debated for the first time this year. She is a Senior and her graduation will prove a great loss to the team.

E. BENSON.—Ellen was inexperienced in debating; however, she soon developed into an excellent debator. Her work aided Chaffey in winning the first debate of the season.

C. COLE.—Clem has been interested in public speaking ever since he was a Freshman. He too is a Senior and will be lost through graduation.

J. LUTZ.—Being the only veteran on the debate team this fall, Juanita certainly showed up well. Her graduation

will leave a big hole in Coach Kegley's team.

J. MEHL.—John did not try out for debate until the final contest. His work was a credit to the team. John is a Senior.

R. RUTLEDGE.—Roland is the only experienced debator who will return for the season next year. With him as a nucleus Coach Kegley hopes to win first honors.

I. VERNON.—Ida leaves a remarkable record behind her. The arguments presented by her were always forceful and straight to the point.

AUSTRALIAN FRIENDSHIP CONTEST

The Third Annual Friendship Contest was held Monday, November 1, during the regular assembly hour. This contest, which is sponsored by Mr. Benjamin Chaffey, founder of the high school, was organized to promote friendly interest in Australia and her people. The topics vary each year on different phases of this topic. That chosen this year was "Australia, Her Place in the British Empire and Her Relationship to the World."

Raymond Wilson, J. C. '27, and Sterling Kincaid, '27, tied for first place, while Ernest Sprinkle, '27, was a close second. All of these speeches which were exceptionally well given showed a kindly interest in the Australians.

Those who judged on the composition and thought were Miss Mary Pland, Mr. W. H. Kegley, and Mr. F. F. Palmer. Those who judged on delivery were Mr. J. C. Whistler, Miss Pearl E. Clark, and Mrs. Lana M. Conger.

PODRASNIK

Mr. Alois Podrasnik, commander of the local chapter of the G. A. R. Post, sponsors the patriotic contest which bears his name. He makes this an annual event because he wishes to promote among students interest in the affairs of America in her relation to foreign countries. The general topic upon which all the speeches were based this year was "America's Contribution to the World."

This year's contest was held November tenth. The three speeches given in assembly were so very well delivered that Mr. Podrasnik stated that he would have placed all of the contestants first had he been a judge. The winners were as follows: Samuel Maxey, '27, won first place with his speech on "International Arbitration"; Beulah Bates, '27, took second place with her oration on "The Open Door Policy"; Esther Allat, '27, whose topic was "What American Missionaries Have Done for the World," and Roland Rutledge, '28, with his oration on "The Panama Canal," tied for third. Another speech on "The Panama Canal," given by Donald Minton, '29, received fourth place.

ANNUAL DECLAMATION CONTEST

The Annual High School Declamation contest this year brought out very good talent. The three students, giving their speeches in assembly January 27, were chosen as the best from about fourteen contestants in the preliminary tryouts.

Rowland Rutledge, '28, took first place with a selection from an oration given by Alexander Stuart of the Confederacy, opposing secession. John King, '27, took second place when he presented a selection from an address given by Daniel Webster in the Hartford Convention, also opposing secession. Juanita Lutz took third with a speech of Moses Hoge, on Stonewall Jackson.

UPLAND ROTARY CONTEST

For the purpose of stimulating a greater interest in bringing about world peace, the Upland Rotary Club established an award to be given each year to the winners of a forensic contest to be held for both High School and Junior College students. The award this year went to Andy Wilkinson, Junior College student. Thomas Hilberg, High School Senior, was given second place.

SOPHOMORE DECLAMATION CONTEST

A declamation contest open only to members of the Sophomore Class of the High School is held annually. The first prize, a Fasti coupon, went to Miss Helen Komonsky for her delivery of her declamation before the Sophomore Class assembly, Wednesday, March 23.

LINCOLN CONTEST

In commemoration of Lincoln's great work, on February 12, each year, the Lincoln Centennial Association awards a bronze medal to the winner of an essay contest in each high school in the United States. Beulah Bates, Senior, won the contest here this spring.

CANADIAN FRIENDSHIP CONTEST

Mrs. Minnie MacDonald, a Junior College student, won the annual Canadian Friendship Oratorical Contest here this year. "Sir William Henry Drummon," a Canadian citizen, was the topic of the winning speech; all of the talks being on the subject, "Great Writers and Statesmen of Canada."

Andrew Chaffey, Ontario pioneer, and one of the founders of the Chaffey High School and Junior College, sponsors this annual contest. A bond, donated to the school, the interest of which is used yearly for the prizes of this oratorical contest, was given to the public speaking department of the High School and Junior College by Mr. Chaffey.

Three students participated in the contest this year: Mrs. Minnie MacDonald, who delivered the winning address; Beulah Bates, High School Senior; and Ernest Payne, Junior College Freshman. Miss Bates was awarded second place, and Mr. Payne received third place.

CONSTITUTION CONTEST

One of the most interesting and important contests of the year was the annual Constitution Contest. This was a contest of students from all over the United States speaking on some phase of the Constitution, with a grand prize for the final contest at Washington.

John King, Student Body President, won the local contest held before the Student Body April 14. At that time he was presented with a gold medal by Crombie Allen, editor of the Ontario Report. John Dutton was second in that contest, and Beulah Bates, third.

The results of the San Bernardino County district elimination contest held at Chaffey April 22 resulted in another victory for Mr. King. Here he defeated the representatives from seven schools. Miss Judith Gunn of San Bernardino High School took second place in this contest. Mr. King was presented with a bust of Lincoln for this victory.

At Long Beach in the next elimination contest for representatives from Southern California, Mr. King was defeated by a representative from Long Beach. Mr. King was awarded second place at this contest.

Louis Le Baron Avery, head of the English department, has developed the public speaking work at Chaffey until hundreds of students each year receive special training in it. These students compete in the many declamation, oratory, and speaking contests throughout the year, and show the excellent results of their training.

LEGEND OF WIWASTE

The Indian opera, "The Legend of Wiwaste," which was produced May 13 and 14, was one of the most outstanding musical productions that has ever been given in the Chaffey auditorium. Mr. S. Earle Blakeslee, the composer, wrote the opera after a lengthy study of Indian life and music. His work has been praised by the finest of the world's composers and singers.

The Mt. San Antonio Pageant Association, organized by the most prominent men of the community, aided greatly in the financing and advertising.

The cast of "Wiwaste" of many very notable and talented singers included Princess Tsianina, famous Indian prima donna, as "Wiwaste;" Chief Yowlatche, basso-cantanta, full-blooded Yakima Indian, as the villain, "Red Cloud"; Ned Francis, great baritone, as "Chief Wakawa"; Leon Rice, one of America's leading tenors, as the hero, "Honga"; Mrs. Leta Nash Pinckney, contralto, as the villainess, Harpstina; and Milo Vickery, basso-profundo, as the old "Owl Man."

Mr. Eric Snowden, prominent stage director in Los Angeles, coached the chorus and cast.

The orchestra of over fifty played a vital part in the presentation of the opera this year. A chorus of forty Junior College and High School students was declared by the best of critics to be "better than a professional." The Indian dancers also added greatly to the color of the production.

The Chaffey Community has every right to be proud of the production, and more than proud to have the composer, Mr. Blakeslee, in its midst.

Craft work in practical classes of home making, mechanical arts, and commercial work has also proved valuable.

SYMPHONY CONCERT

The Symphony Concerts this year have met with great success. They were presented under the capable direction of Fred Wilding Jr., and met with appreciative audiences.

The first concert presented Archie Moore, basso, and the Paramount Trio, including Arthur Evans, banjo; Larry Carlson, piano-accordion; and Billie Henderson, piano. The second concert featured Miss Charlotte Neelands, soprano, and Isabel Matthews, harpist. For the third contest the soloists included Mr. Howard Swan, tenor, and Mr. Will Cooper, flutist. The last one offered Margaret Johnston, violin; Esther Garbow Anderson, pianist; and Catherine Urner, soprano. The final concert was given during Commencement Week.

HIGH SCHOOL VIOLIN QUARTETTE

The High School Violin Quartette, composed of Opal Prcsba, Virginia Helvie, Dorothy Homewood, and Margaret Newman, played on several occasions before the Student Body and were very well received.

EISTEDDFOD

As a result of entering the Pomona Valley division of the National Eisteddfod Contest, February 4, in the city of Pomona, the Chaffey Girls' and Boys' Glee Clubs, under the direction of Mr. and Mrs. Blakeslee, won first place in their division. Because the date for the finals came on the same day as the "Legend of Wiwaste", the clubs could not enter in Los Angeles.

In addition to the choruses entered from Chaffey, there were four soloists who took honors: Jean Bell, Sophomore, took first in the Junior soprano division, with Louise Beatty, Senior, coming second with a score one point lower than the winner. William Seguin, Senior, won his baritone division also. Marjory Smith also also ranked very high among the numerous contestants.

MUSIC STAFF

Mr. S. Earle Blakeslee, head of the Chaffey Music Department, with the aid of the rest of the music staff, has presented many fine programs for assemblies, special entertainments, and numerous other events both for the school and community. The music staff includes: Mr. Blakeslee, instructor in vocal and director of Boys' and Girls' Advanced Glee Clubs; Mrs. Blakeslee, vocal instructor and elementary Glee Club director; Mrs. Johnson and Miss Palmer, Huebner has charge of all the violin instruction; while Mr. Wilding directs the orchestra and band.

The curriculum has developed to meet the needs of those who attend the institution.

A R T

"Sculpturing," a subject so rarely taught in high schools, is being given a large class under the leadership of Anneta St. Gaudens, a famous sculptor, who has been associated in this work for many years with her husband and his brother. Few of the students realize how fortunate they are in having this opportunity to work in clay with such a teacher.

The class, composed of thirty students, including people of the community, teachers, and Junior College and High School students, has been working on objects from the simplest tile to the most complex historical sculptured replica. Many good pieces of work have been turned out, such as a copy of "Seltingmano," statue of the Infant Christ, done by Dorothy Trembley, J. C.; a copy of a replica of a Madonna, by Arthur Ames; a copy cast in plaster of the Chaffey Tiger," by Frank Hewlett, J. C.; a copy of Michelangelo, by Nevin Lady; and a copy of Giroud's "Phelanthers and Aethra," by Miss Gilmore. Much interest has been attracted to the course, both in the community and the school.

Sculpturing is only one phase of the art work taught at Chaffey. Under the direction of Miss Reed, head of the department, the art classes have produced many fine sketches and drawings. Especially important is the Reed Scale, a drawing invented by Miss Reed, which is very well known.

Another section of the work is the arts and crafts under Miss McClelland. This deals with basket weaving, block printing, and practical application of the arts. Many beautiful pieces of work have embellished the homes in the communities from these classes. The two looms in the art room are also used by these classes, and Mrs. Frank's Interior Decorating.

With the assistance of such a capable staff as Miss Reed, Miss McClelland, and Mrs. St. Gaudens, and with very good equipment, Chaffey graduates many skilled and accomplished students from the art classes.

The story of Chaffey is that of co-operation among the communities, the administrators, the faculty, and the students.

HOME ECONOMICS

The Home Economics Department brings much to the women and girls of Chaffey in its three divisions: Interior Decorating and Applied Arts, Clothing, and Food. With Miss Lillian Graves as its head it serves the campus in a great many ways. Besides the Cafeteria the exhibits show what the department can do. Anyone who saw the Junior Farm Center Fair will agree that the Home Economics exhibit on the main floor of the cafeteria was one of the best. It was unusually complete and interesting.

The Interior Decoration and Applied Arts division is under the direction of Mrs. Marie G. Frank. The applied Art Work that has been turned out by the classes is very interesting and well done. The girls were instructed in the use of looms on which they made many scarfs. The tooled leather work for purses and book-ends done by some of the students was also beautiful. The leather is cut, laced, tooled or carved, and then it is dyed in appropriate colors. Many of the students were also instructed in Interior House Decorating which includes the study of furniture design and the proper place of different kinds of furniture. In this study the students visited furniture stores and private homes. Among the other things that the students made were hand decorated lamp shades and specially designed pillows. Good results were obtained in wood carving and china painting.

The other divisions under the head of home economics are Food and Clothing. The teachers in the food department are Miss Julia Rugg, Mrs. Carmen Rugg, and Miss Lillian Graves. In the food classes the girls were taught the different ways of serving meals, the making of household budgets, and the method of figuring the cost of different foods. They are also taught different recipes, and the ways of canning fruits and vegetables. The clothing classes were instructed by Miss Leila Chaffee and Miss Rowena Taylor. These deal with practical sewing as well as the study of different kinds of cloths and their uses.

Besides the usual classwork there were many things in which all the classes participated. Health week, March 14-18 inclusive, was sponsored by the department. On St. Patrick's day a special luncheon was given in the Cafeteria for the mothers interested in the work. The classes were ably represented by different exhibits, some of which were The Evolution of Clothing, Table of Ideal Foods, and The Proper Foods to Eat.

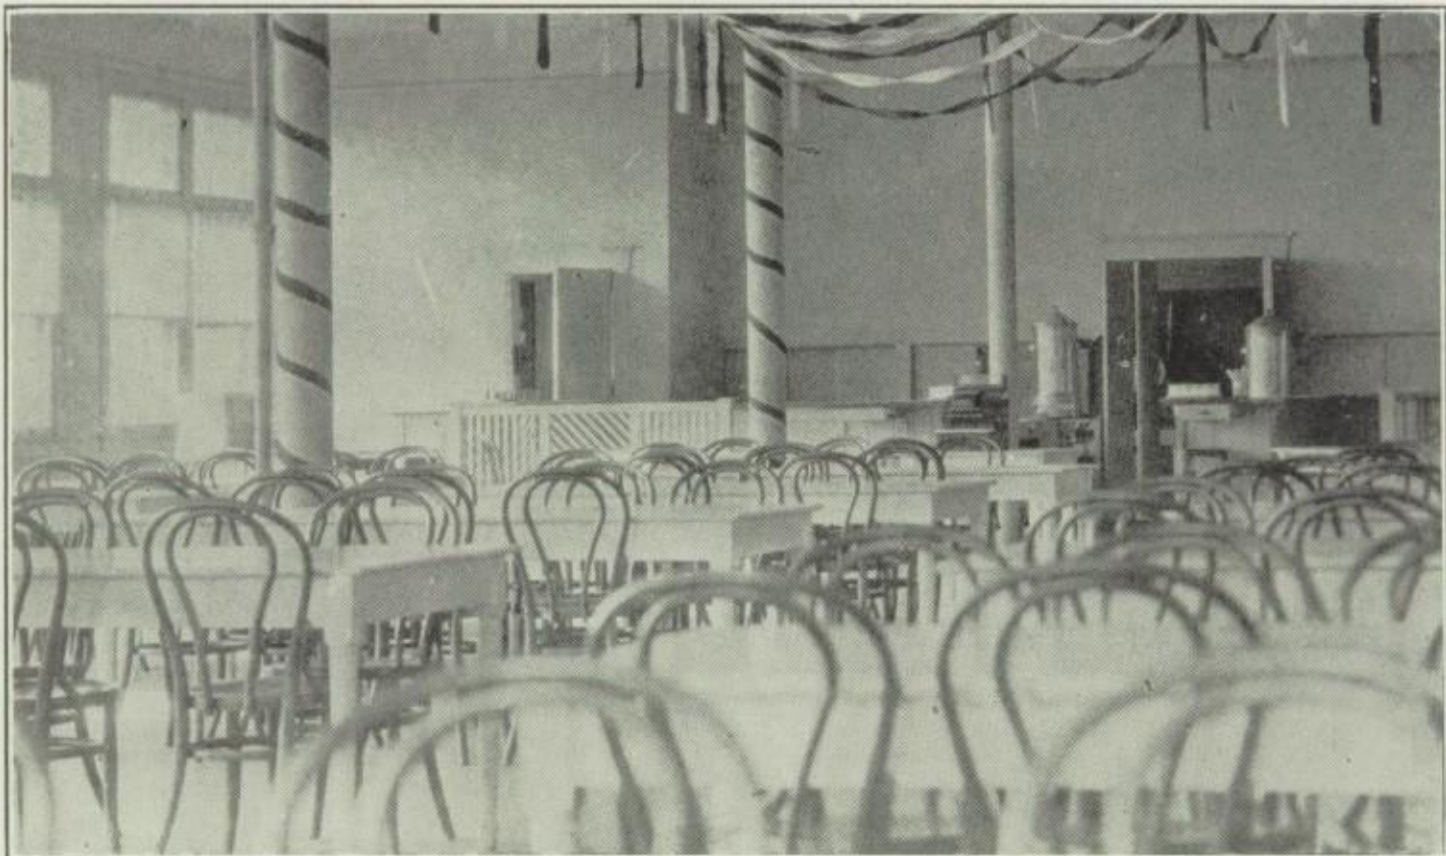

Every other Friday the classes are fortunate in having educational moving pictures sent from the University of California. A few that were shown are "The Manufacture of Wool," "The Manufacture of Sugar," "Table Etiquette" and "Making Carpets."

THE CAFETERIA

Any student who has eaten in the "Caf" at noons can remember the rush to be the first in line, and will not soon forget the inviting atmosphere of the place. The cafeteria is under the able direction of Miss Lillian Graves. The cooks in the Cafeteria, responsible for many an appetizing dish, are Mrs. Woodward, Mrs. Smith, Mrs. Bell, and Mrs. James. The Cafeteria is run on a strictly cash basis. All dishes are sold to the students at cost. This gives a hot lunch at a price which is not beyond the ordinary student. Two hundred students are usually served every noon.

The Cafeteria is an important community center, too. Many public banquets are held here which have an attendance as high as seven hundred. One of the most important banquets held here last year was the States Banquet given by the Chamber of Commerce in which persons who were natives of all the states of the Union attended. The affair was a notable success. This year banquets were given by the Senior, Junior, and Sophomore classes, each of which decorated and fixed the cafeteria in their class colors. Junior College banquets and high school organizations also used it. Every other Monday the Hi-Y meets there.

A part of the Cafeteria department is the reception room of the Home Economics Building, formerly known as the Model Flat. This is a homey place where small banquets and suppers are held. This apartment is part of the cafeteria, and is under the supervision of Miss Graves.

BOOKSTORE

Who is there who does not know of the Student Body Bookstore situated in the Liberal Arts building? Almost everything the student needs in school work is there as the store aims to supply a complete line of supplies. Whatever profit is made benefits the whole school as it is given to various organizations in time of need. Up to June 1926 it had helped The Tatler, The Girls' League, Student Body, classes, and other organizations with contributions amounting to \$2500, approximately.

The Chaffey store acts as a bank for the various organizations of the school. More than fifty of these keep their deposits there. Money is checked in and out and business carried on as in a bank. This system has proved a great service to the school.

Since this is practical work, one who clerks in the Bookstore must have recommendations for his knowledge of the fundamental principles of salesmanship before he is qualified to serve the school public. When he does have these qualifications and completes a successful term in the Bookstore, he is better fitted for office positions.

The clerks during the past year have been members of the advanced book-keeping classes, with Dean Babbit head salesman. The candy salesmen have been Charles Johnson, Robert Farrell and Dortha Baumann. Mr. Watenpaugh acts as manager and adviser.

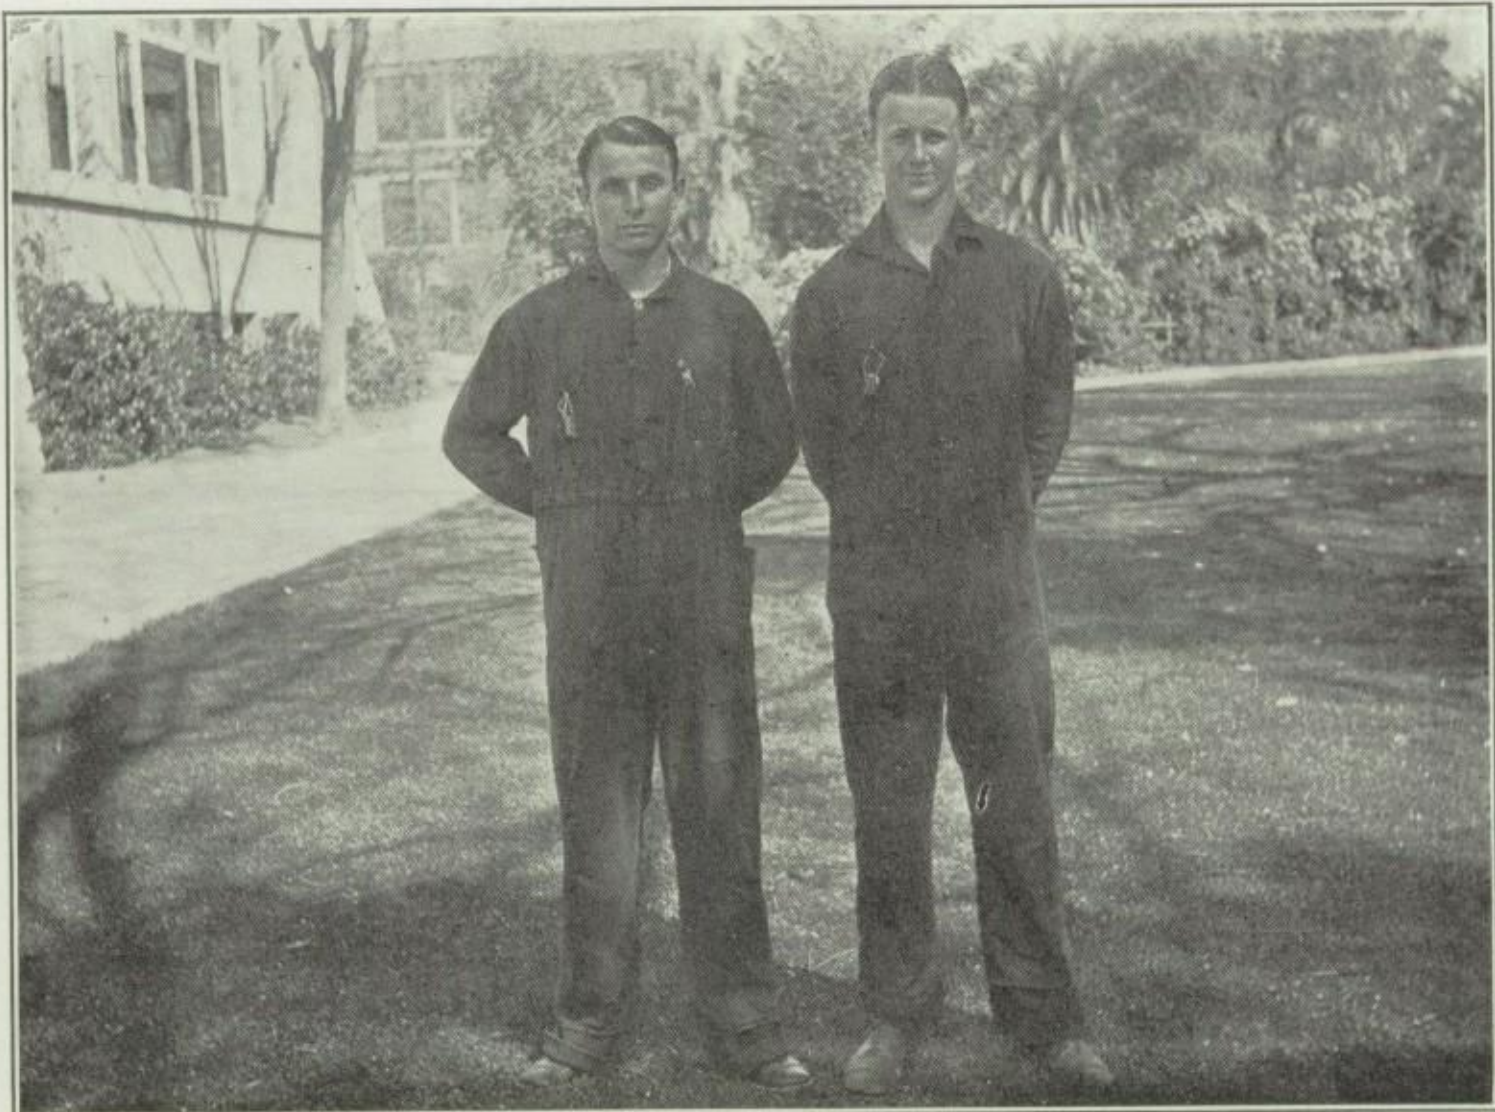

MECHANIC ARTS

The Mechanic Arts Department aims not only to give practical work in its many branches but also to develop qualities of good citizenship in all of the boys who enroll in its courses, both regular and part time students. The mechanical experience the boys receive gives them a good knowledge of commercial machinery and methods of production, enables them to make and design projects; and gives them a foundation for higher learning in mechanics.

The laboratories of the Mechanic Arts Department are all based on practical trades and are thoroughly equipped. They are the auto mechanics, machine shop, mechanical drawing, farm mechanics, and wood shop. Auto mechanics is under the direction of the head of the department, A. C. Hargrave; Machine Shop is under Mr. Young; woodworking is under Mr. Jacobs and Mr. Minton; Mechanical Drawing, Mr. Homewood; farm mechanics, Mr. Moore.

The first year's work in auto mechanics is designed to fit a boy with necessary knowledge to be able to locate and handle any ordinary automobile troubles. The work of the second year covers a larger range which includes the handling of all possible machine troubles, such as fitting bearings, new parts, ignition, starting and lighting, and the study of principles of the theory and designing of parts. This division of the department is very well equipped. It has one outstanding advantage, especially, stationary auto motors which were given to the school by different motor agencies in this locality. Other equipment of the shop includes: lathes, drill press, grinder and buffer, valve facer and seater, battery building equipment, and motor generator charging set.

Members of the Trouble Shooting team which competes in the Trouble

Shooting Contest at Brawley High School during the Imperial Valley Fair and at Chaffey during the Junior Farm Center Fair are chosen from this division of the department. This year Gerald Hayes and George Cutler, Chaffey's Trouble Shooting team took second at Brawley. They have not yet competed at the fair as this book goes to press.

The first year of machine shop is so arranged to acquaint the student with the various metals commonly used, and the methods of working them. This is done by making small shop tools. In the second year the student is put on an individual basis, and his advancement depends largely upon his ability to produce results. Nearly all the work of this year was of a commercial nature. This affords the students actual shop practice which is of great vocational value.

The equipment in this department is very excellent. It consists largely of a planer 24 in. x 6 in., shaper 16 in., plane, milling machine, engine lathes, 1-20 in. drill press, two power hack saws, and much other equipment of importance to machine shop practice. The classes have designed and made a gas engine and other equipment for the Physics Department. This division is under the direction of Mr. Young.

The beginners' course in woodworking is designed to give the student a well balanced course in fundamentals. Before any shop work is undertaken the students are given a general course in principles of design to create an appreciation of properly designed construction, and to aid in the drawing of the project—which the student expects to make. The care and use of the various tools is also taught. In the second year larger projects are attacked wherein the power machines are used. The third year is for the students who desire to follow this trade.

The equipment is such that very beautiful projects can be made. It consists largely of seven lathes, 16" double arbor Universal saw table, jointer, belt and disc sanders, surface planer, vertical spindle shaper, and other small machinery. There are thirty-six work benches with a tool board for each, which makes it possible for thirty-six boys to work at one time. This year the students have made from twenty-five to thirty cedar chests along with writing desks, piano benches, foot stools, floor and table lamps, and many other smaller projects.

Mechanical drawing is a valuable course which is fundamental to all shop courses, and is of general importance to any vocation. It trains the hand and the mind to grasp and solve problems. The work of the first year is arranged to train the student in the use of the instruments and to learn the principles of projection. In the second year a more detailed study of projection, and the working out of penetrations and intersections, and developed surfaces, is made. The third year is concerned with the elements of machine design and structure.

Another division of the mechanic arts department is the work in the rural schools. The equipment and the work is divided into units. The units of work are mechanical drawing, bells, wiring, soldering, cement work, plumbing, and woodworking. These units of work are taken in rotation, each taking a certain length of time to finish. This gives the student the advantages of different kinds of work, which are of very great vocational value. This work is in charge of Mr. Moore.

AGRICULTURE

Project Work

The project work at Chaffey is considered a model throughout the state. Projects—or individual experiments under the supervision of the director—are developed by all of the boys in agriculture work. The boys are eager to work on these because at the end of each school year the best project is chosen and the owner's name engraved on a beautiful cup presented for the Italian Vineyard Company by Alex M. Wilson. Last year Harold Lutz won this honor for his exceptionally fine garden project.

Project work was made possible in this institution by our progressive principal, Mr. Hill, ten years ago. The definition he gave of a project was, "Any concrete activity essential to the home, community, or national life." Project work is carried on here, first with the idea of helping the boy to find himself; second, with the idea of teaching the student the facts.

The products raised in the projects are placed on display at the annual Junior Farm Center Fair each year. The club also has a booth of exhibits at the Los Angeles County Fair, junior division, in the fall.

This year's projects include: Forty-six poultry projects, twenty-one rabbit projects, thirty-eight garden and two nursery projects, thirteen pigeon projects, eleven orchard projects, three vineyard projects, five dairy projects, 4 swine projects, three bee projects, one goat project, and one sheep project.

Junior Farm Center Fair

As a result of the capable management of the Farm Center Officials, and the direct management of the Agricultural Faculty, the sixth Annual Chaffey Junior Farm Center Fair, held May 20 and 21, was the most remarkable showing of junior workmanship ever exhibited here. It also proved that the Junior Farm Center was capable of putting on the "World's Largest Junior Fair." The Poultry, Pigeon, Rabbit and Dairy Departments showed a great improvement over previous years.

Friday, the opening day of the fair, was marked by the department judging and the awarding of prizes, and the Farm Center Banquet at which the sixty members of the Center entertained the Southern California Agriculture Teachers' Association. Mr. McFee, head of the Vocational Agriculture of the state, and other various farm experts were present. Saturday, representatives from the various high schools in Southern California gathered to take part in the Stock, Citrus, Poultry and Tree Judging Contests. Many schools also sent representatives to compete in the Trouble Shooting Contest held on the Chaffey gridiron by the Manual Arts Department.

Wesley Castle, fair director, and president of the Center, was responsible with his department heads, for the great success of the undertaking. He shouldered much responsibility. Mr. Perrin, as faculty adviser, ably directed the boys in their work.

The following are the different fair departments with their superintendents:

Garden
Horticulture
Rabbits
Pigeons
Poultry
Goats
Booths
Dairy Cattle
Swine
Bees

Harold Lutz
Clinton Bryant
Franklin Hall
Almon Carr, Billie Graber
Charles Gage, George Smallwood
George Kreigh
Arthur Allen, Harvey Larick
James Sprague, John Imbach
Royal Philips
Henry Magill

CITRUS JUDGING TEAM

The Chaffey Citrus Judging team composed of Wesley Castle, John Filbert, Arthur Allen, and Clarence Stewart, alternate, won third place for the sixth consecutive time in the National Orange Show meet held in San Bernardino. San Bernardino took first with a one hundred and fifty point lead over Torrance, which was second. Arthur Allen received a blue ribbon for high point man on oranges. John Filbert received first and Clarence Stewart third in placing the lemons. Wesley Castle and Arthur Allen received eighth and ninth places in the meet.

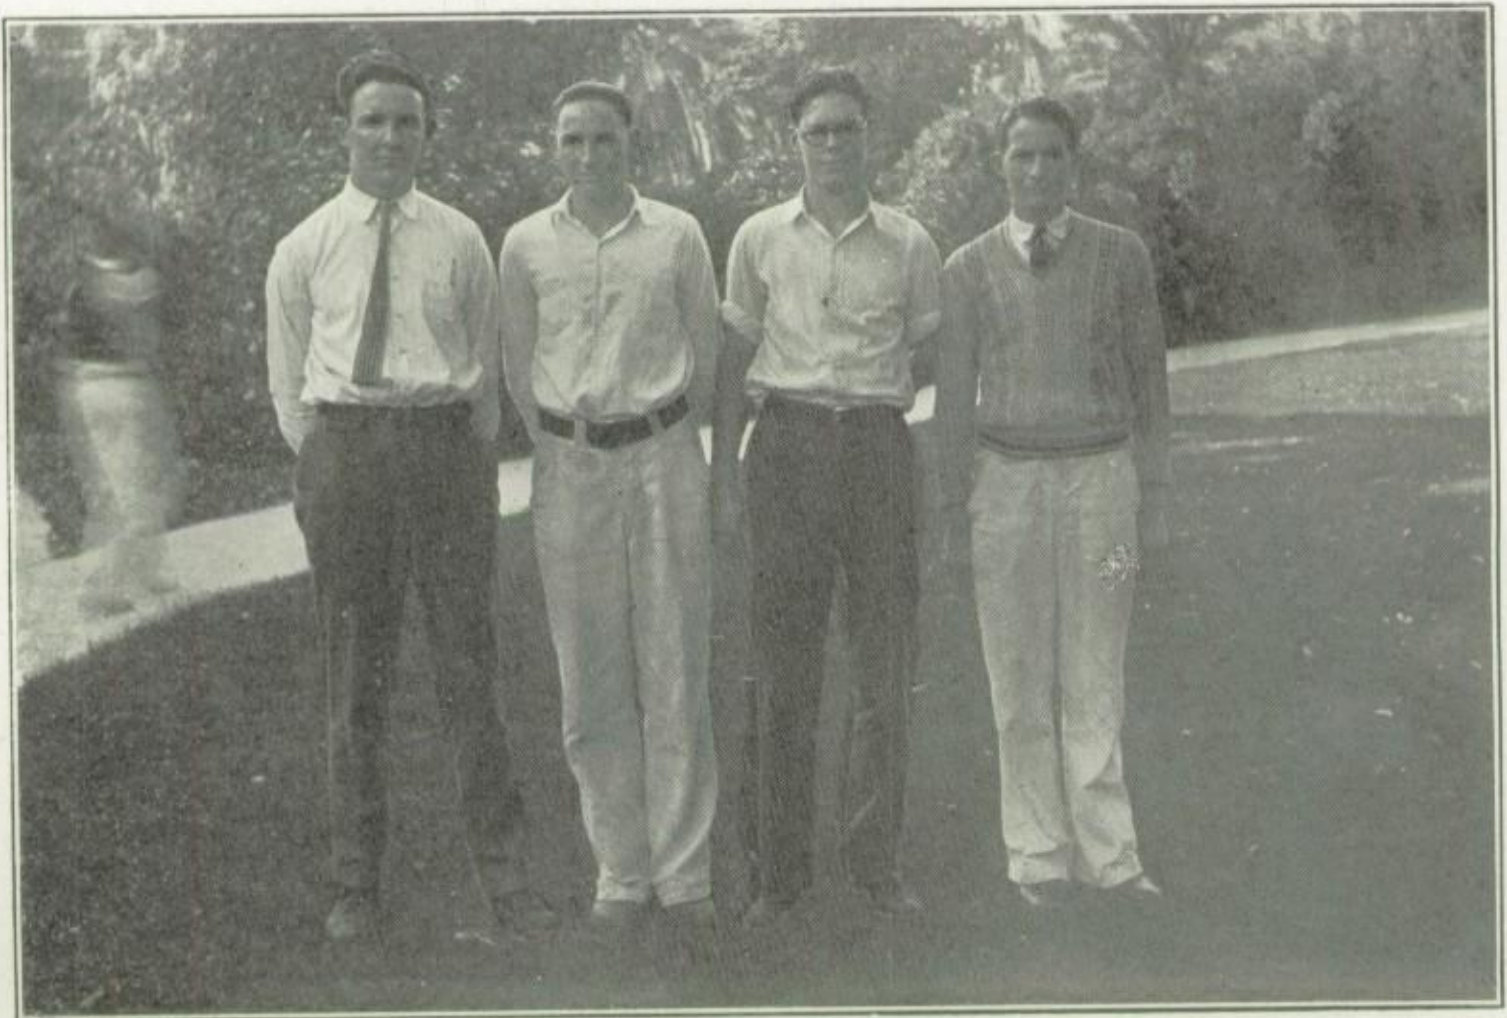

Although this is the first contest in which the "B" team ever was entered, they made a remarkable showing. The team composed of Frances Hawk, Brooks Kitchel, Howard Hawkins, and Walter Patterson was awarded second place.

The chances for a championship team next year are excellent as there is an abundance of promising new material.

MR. PERRIN

STOCK JUDGING TEAM

The honors brought to Chaffey by the stock judging team, under the direction of Mr. Charles Perrin, are highly appreciated by the Student Body. Mr. Perrin rightfully deserves its praise and thanks for his untiring efforts in bringing the recognition of the entire section to Chaffey for its development of winning stock judging teams.

William Armstrong, formerly Chaffey student, and national stock judging champion, very kindly gave his assistance in the raising of funds to send the team to Chicago. This aid was much appreciated by both the team and the Student Body.

BRAWLEY MID-WINTER FAIR

This being the first meet of the year, both the "A" and "B" teams were taken to Brawley. The "A" team claimed the first honors, a magnificent silver loving cup. The "B" team took second place.

CALIFORNIA STATE FAIR AT SACRAMENTO

Coach Perrin received an invitation from the directors of the State Fair at Sacramento to bring the boys of the Chaffey Junior Farm Center interest in animal husbandry to Camp Qillard, located on the fair grounds. The program was as follows: Demonstrations of scientific methods of agriculture, and the latest inventions of farm machinery. There was also an individual stock judging contest in which the Chaffey boys competed. Royal Phillips and Harold Lutz, both of Chaffey, tied for first place, and received a blue ribbon. Both Phillips and Lutz will be back next year to bring the national championship to Chaffey. The Chaffey delegation was also awarded the blue ribbon for the neatest tents in the camp.

CHAMPION STOCK JUDGING TEAM
Phillips, Lutz, Allen, Mr. Perrin, Castle Filbert

RIVERSIDE COUNTY FAIR

At the Riverside Fair, in the Southern California championship meet, Chaffey won first place, receiving a silver loving cup. The individual members of the team all placed well.

L. A. COUNTY FAIR

Stock judging teams representing all sections of California met at Pomona to settle the state championship. The Chaffey team won by a margin of nearly two hundred points, which entitled them to judge in the Chicago National Meet. Besides a certificate the state champions received a silver loving cup for having the highest number of points as a team. They also brought to Chaffey two more silver trophies for having the highest number of points in the classes of beef and hogs. Wesley Castle, high point man of the state, received a gold medal.

CHICAGO INTERNATIONAL STOCK SHOW

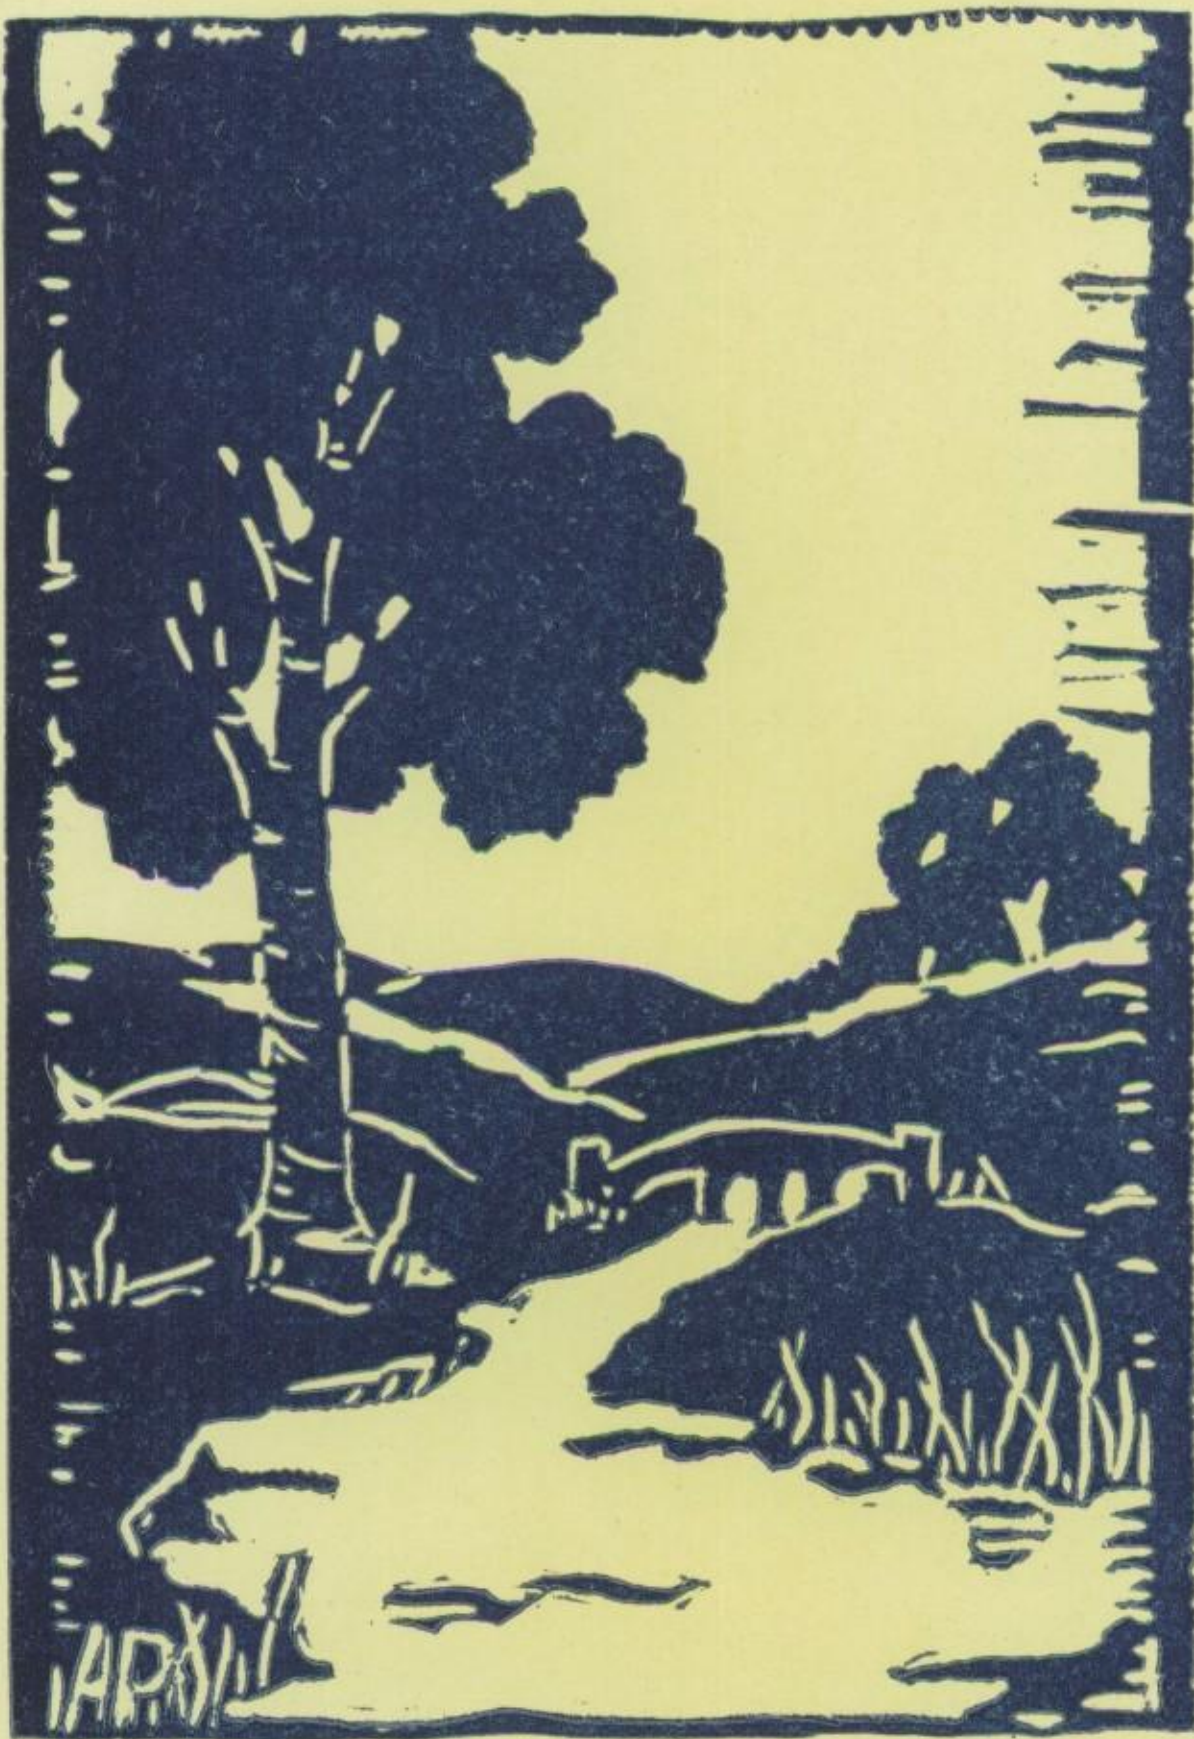

The judging team, representing Chaffey, and the State of California, was sent to the national contest held at Chicago on November 26th. This was the second team that Chaffey has sent to this contest, which is quite an honor for one school.

On the way enroute to Chicago, the team stopped at Kansas City to see the American Royal Stock Show. One of the most interesting things at the show was the exhibit of Kentucky thoroughbred saddle horses. They also saw the maneuvers of U. S. artillery, which has some of the best horses in the world.

Members of the team, after leaving Kansas City, were the guests of the University of Iowa at Ames. During the stay here the team was given practice judging.

When the train arrived in Chicago, they were conducted through the Chicago stock yards and some of the largest packing houses. At the contest the team judged two classes of four animals each of fat sheep, hogs, beef, and draft horses. The teams Chaffey competed against were state teams, composed of the three highest judges in the respective states. Although the competition was keen, Chaffey won fourth place in the contest. Wesley Castle tied for second individual high-point man.

CALENDAR

September 9—

For two days now people have been coming from far and near to join us in our long journey to the land of Knowledge. Already many of our young men are practicing to work up a line of defense against hostile natives.

September 13—

Today at 8:10 A. M. we started. Over 1000 men, women and children gathered at the starting point to hear addresses by the leaders of our expedition.

September 16—

Our wandering life has not grown tiresome so far. We sang some cheery songs in meeting to lighten our tasks. Various members of our party are selling tickets to aid the finance of the trip.

September 20—

We were visited this morning by one of our friends, Scout Geoffrey Morgan. His speech encouraged us very much and we decided that our work was, after all, worth while.

September 21—

The Little Ones had a meeting to discuss their problems. Our financial outlook is growing better as more student body tickets are being sold.

September 23—

We are preparing for a skirmish with the Corona tribe tomorrow. We hope that our war cries will put some fight into our line of defense. If our coach Red Hanson is as good as Brad Manker says, we ought to win.

September 24—

We easily vanquished the Coronans by a score of 25 to 0. Captain Meek smashed several things; likewise Ord and Milleman. The Honorable Elders of our band held a meeting and nominated their leaders.

September 27—

Another visitor, Mr. E. J. Hardy, joined us long enough to discuss our problems with us.

September 30—

Our lighter team of defenders won a skirmish over a band of natives from Colton.

October 1—

We attacked the Colton band today. They overcame our defense after a hard struggle. Just as gloom was about to settle upon us we received the cheering news that a group of our young men had won a stock judging contest and were fighting their way to Chicago, carrying on their offensive.

October 4—

The Honorable Elders held an election to determine the leaders of their group. Harold Jordan, assisted by Bob Stone, Frances Garbutt, and Marian Holden, will guide them until the next election.

October 6—

The Keepers of the Records, "Fasti," gathered and were told their various duties.

October 7 —

Hearing a report that the redskins were on the warpath, we held a grand pow wow.

October 8—

The Covina Natives were too strong for us. We were routed, the score being 25-6.

October 11—

Our friend, Stanley G. Wilson, visited our assembly this morning and talked to us about our characters and work.

October 13—

The Senior members of our caravan chose blue and white as the colors for the sweaters which they hope to have

soon. "Stick" Stokes was chosen to lead our lighter squad of warriors into battle.

October 14—

A stray scout reported that the Riverside natives were growing restless at our approach; so we had a grand war celebration today. Energetic members of our caravan serpentine all over the prairie this evening after campfire.

October 15—

There is a great joy in camp this evening. We routed the Riverside warriors. Milleman, Ord, and Glass are our special heroes.

October 19—

The Little Ones held a meeting and chose Lawrence Bowman as their leader.

October 20—

The Elders almost went to war about the style of their sweaters but finally settled the matter off the battlefield.

October 21—

There is nothing like singing to strengthen your courage. The Wee Ones sang us a song, written by their most brilliant member, Mr. E. W. Fischer.

October 23—

A group of minstrels called the Douglas Choir wandered into camp this evening and gave us a very fine musical program.

October 25—

The Elders bought more tickets for the finance of the journey than any other group. The camp will reward them with a picnic one of these days.

October 28—

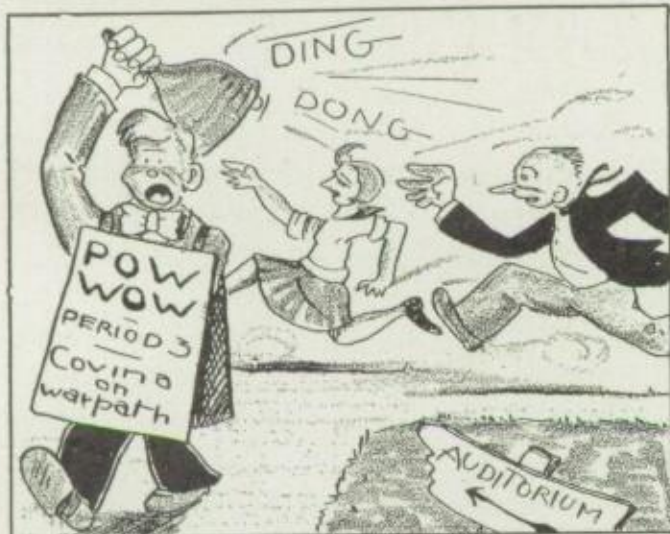

The San Bernardino tribe is on the warpath. We expect an attack tomorrow.

October 29—

Black gloom hangs over our camp tonight. We were defeated by the San Bernardino warriors although our tribesmen put up a very stiff fight.

November 1—

Some of our members spoke to us today about our friendship with Aus-

tralia. Raymond Wilson and Sterling Kincaid carried off the honors.

November 3—

The Honorable Elders have almost all ordered their sweaters.

November 4—

Our younger warriors attacked and vanquished the Redlands natives.

November 5—

The camp is celebrating a most glorious victory over the Redlands tribe this evening. Many aspiring journalists visited the caravan today. Mr. E. P. Clark spoke before the convention.

November 8—

We heard an interesting talk today by Sir John Adams, a man famous in two continents as an educator.

November 10—

Our preparations for the war with Pomona exceed imagination. The whole caravan overflows with pep. We will stop for two days over Armistice Day and rest. Several of our group addressed us this morning in competition for a prize offered by Mr. Alois Podrasnik. Sam Maxey won the first prize. The first stretch of our journey is over now.

November 11—

Such a war as we had with Pomona! The warriors were so evenly matched that the score was 0-0.

November 15—

The second stretch of our journey has been started. Scout Reppe talked to us today about California.

November 16—

A group of our boys left today for Chicago to compete in a national stock judging meet there.

November 17—

Members of one of our young women's organizations dressed up in foreign costumes and gave us some amusement.

November 18—

A very well-known scout, Mr. Oscar Kirkland, wandered into camp and told us some interesting things about the Indians. Thurlow Lieurance and his wife visited here this evening and

gave us some very wonderful Indian music.

November 19—

The Seniors journeyed to Ganesha Park for a picnic. It is said that they are very fond of pie, especially William Bodner, who ate a whole one with greater speed than any other youth there.

November 24—

The caravan will rest tomorrow and Friday to celebrate Thanksgiving Day. We enjoyed a Thanksgiving program in our assembly. Our noble warriors met this evening and elected Glen Dorning captain of next year's skirmishers.

November 25—

The Pomona tribe put the Anaheim natives to flight after a very hard struggle.

December 1—

Our Honorable Elders will appear in brand new jackets tomorrow. The Sigma Alpha society elected delegates to the convention at Riverside.

December 2—

The Elders, all dressed in their blue and white sweaters, gave us a peppy entertainment today.

December 3—

All of our Elders are sporting their blue and white finery. The Junior College put on a very clever play this evening.

December 6—

Scout Crombie Allen joined the caravan and gave us several laughs with a very enjoyable account of his trip to Europe.

December 8—

The Sophomore group met Mr. Hill, our chief leader, who gave them some good advice. Our horses almost had to swim. It is raining, and the thermometer must be some place around zero.

December 9—

We decorated our warriors with letters, stripes, and other insignia of rank. They certainly deserved to be honored. A heavy wind makes our progress difficult. It has already blown down several large trees.

December 10—

Members of the San Bernardino tribe tried their best to down us in an argument, but Juanita and Gertrude were on the job and we won.

December 13—

Mr. Hill spoke to us, encouraging each to do his best. The Juniors are having many secret sessions lately. We hope they are not plotting rebellion against the Elders.

December 14—

Seniors announced the tryouts for a play which they will give some evening around camp fire. A fire broke out in front of one of the camps, but was soon extinguished with a little water.

December 15—

Everyone is bringing something for the Christmas Charity work carried on by the women's organizations.

December 16—

The Honorable Elders have been having tryouts for their play and will announce the cast tomorrow. Our whole camp enjoyed the beautiful music of the Christmas program presented today in assembly.

December 17—

The cast for the Senior play was posted today. In order that the Yuletide may be adequately celebrated, our caravan will halt for about two weeks.

January 3—

Today, after a halt of two weeks, our caravan started on its way again. During this time the little New Year made his appearance. Scout Bromley Oxnam gave us some good advice to start us in the right track.

January 6—

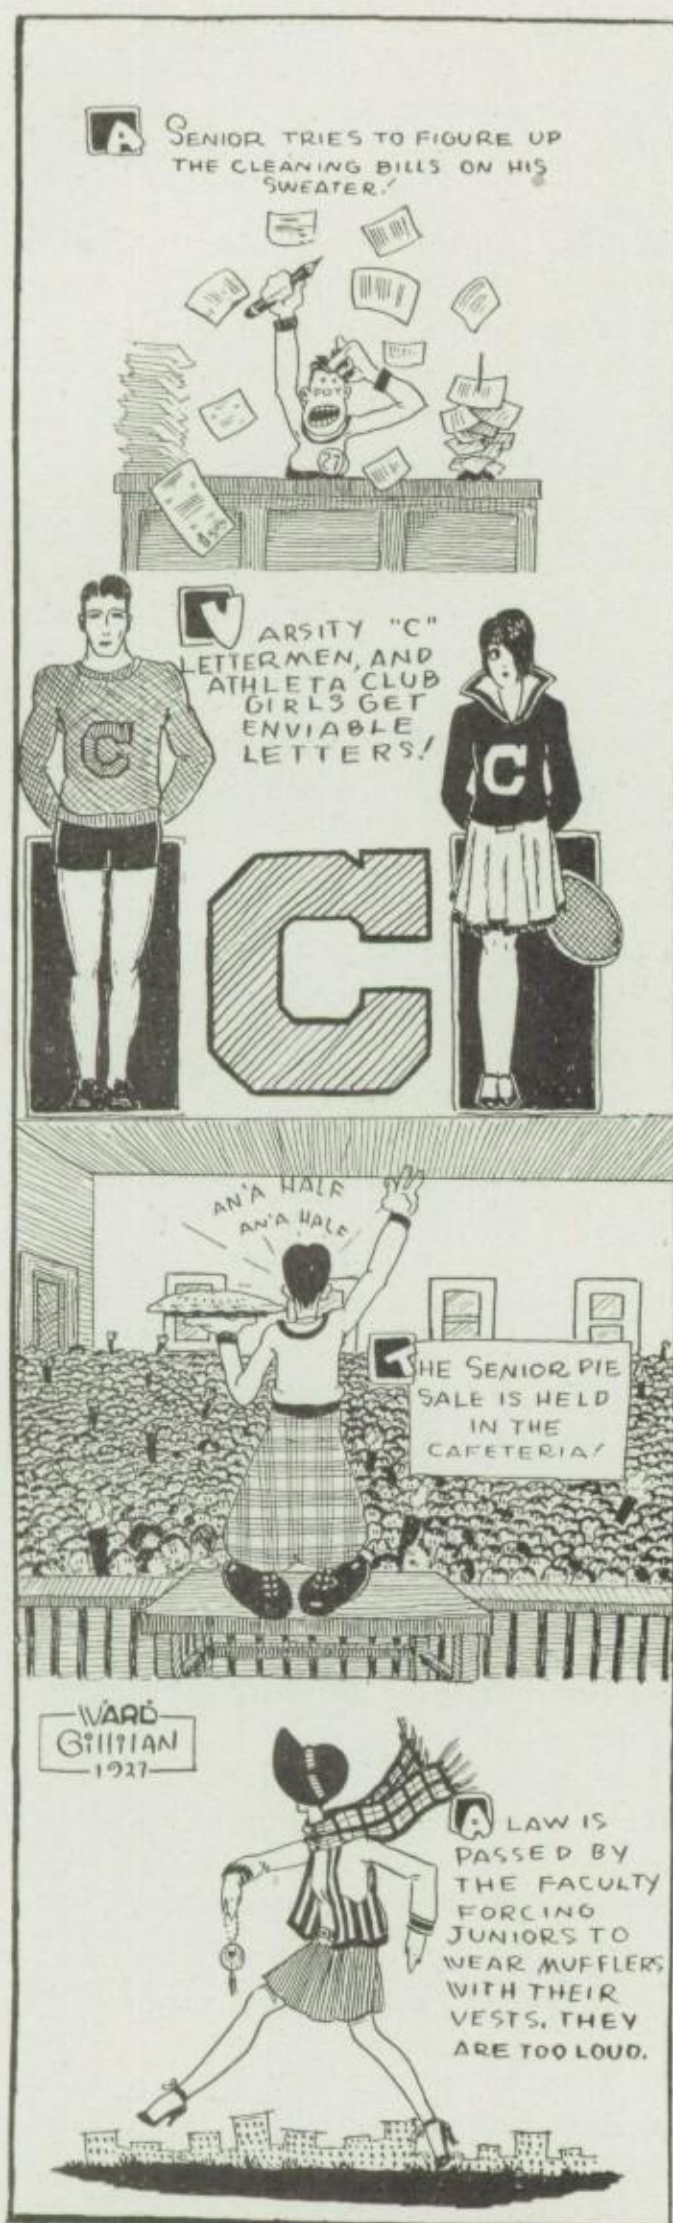

The Little Ones entertained us in assembly with a few stunts. The wisest members of our band, the Sophomores, helped them in their program.

January 10—

Several of our number held a speaking contest today about "Citizenship." Andy Wilkison was winner. The Honorable Elders are going to give a play the 4th and 5th of February.

January 11—

We are about to elect new officers

for our caravan. The petitions for them have been circulating for two or three days.

January 13—

The new officers of our band were all nominated. The Juniors and Honorable Elders amused us with a few stunts and some music.

January 17—

All classes met separately to nominate their leaders for the second half of our journey.

January 18—

Many of the women, especially those from Fontana, have become so cold that they have donned oversocks.

January 21—

The Riverside natives sent a strong squad of basket-ball-warriors against us. After a hard struggle we were vanquished.

January 24—

An evangelist, Mr. A. K. Harper, wandered into camp and gave us a very good talk about overcoming our obstacles.

January 25—

Those nominated to lead the caravan made campaign speeches.

January 27—

John King is chosen president of our band, Florence Ashley, Vice-President; Mary Graber, Secretary; and Lena Testa, Treasurer. They will be assisted by several other officers.

February 2—

The Honorable Elders chose their officers today. Bob Provine is their leader during the remainder of the journey.

February 3—

The new officers of our caravan were installed today.

February 4—

The Honorable Elders staged a big pie auction which netted them \$85.00. Nobody ever wants to see another pie. Our basket-ball-warriors attacked the San Bernardino tribe, but our enemy proved too strong.

February 7—

Scout Lincoln Ferris addressed the assembled camp this morning about finding ourselves.

February 11—

Redlands defeated us in debate, but our warriors put them to flight.

February 14—

Some wandering Mexican musicians happened into camp and gave us a splendid entertainment. The rain is almost washing us away.

February 15—

Mr. Hill's brother and Mr. Cameron Beck found shelter from the rain in our wagon train. Mr. Beck gave us some suggestions to help us over the hard places.

February 16—

Our chief leader, Mr. Hill, decided to halt the caravan for a few days until the rain lessens. Heavy wash-outs are reported on all sides.

February 21—

Dr. Stone gave us a speech on "Preparedness."

February 22—

The Honorable Elders installed their new officers. They decided to enter the Land of Knowledge clad in caps and gowns.

February 26—

A picked squad of our men competed with natives of some of the tribes near-by in running and jumping contests, and many other athletic feats. The Honorable Elders presented a clever play, the Charm School, for our entertainment.

March 4—

Our best singers competed in the Eisteddfod Contest. They took first in every event they entered.

March 11—

The Honorable Elders gave a banquet in honor of themselves. No uninvited guests were present.

March 14—

Our chief leader, who has been East to a convention, returned and told us all about his trip.

March 17—

In presence of the whole caravan, the Juniors blossomed out in black

and white striped vests. At first we were all startled, thinking that a convict band had escaped, but we soon recognized our friends.

March 19—

We sent our best athletes to Huntington Beach to compete in running and jumping contests with the natives. Our boys took second place.

March 28—

A noted woman speaker, Dr. Sarah Wise, spoke to our assembled band.

April 1—

The Juniors staged their play, "Bab," with great success.

April 4—

We all parted with 10c to see the big frolic staged by our chief leaders.

April 8—

The Juniors held a big feast this evening. Of course no one over ate. Our leaders have ordered a week's halt.

April 9—

Our boys outstripped the natives of San Bernardino, Pomona, Riverside, and Redlands in events of the track. Camp will probably see little activity during the next week.

April 22—

One of our number, John King, won the national Oratorical Contest for this district. Mr. Snyder staged a banquet for his Wise Ones.

April 25—

Dean Paul Cadman of Berkeley visited our camp, and spoke to our assembled band.

April 28—

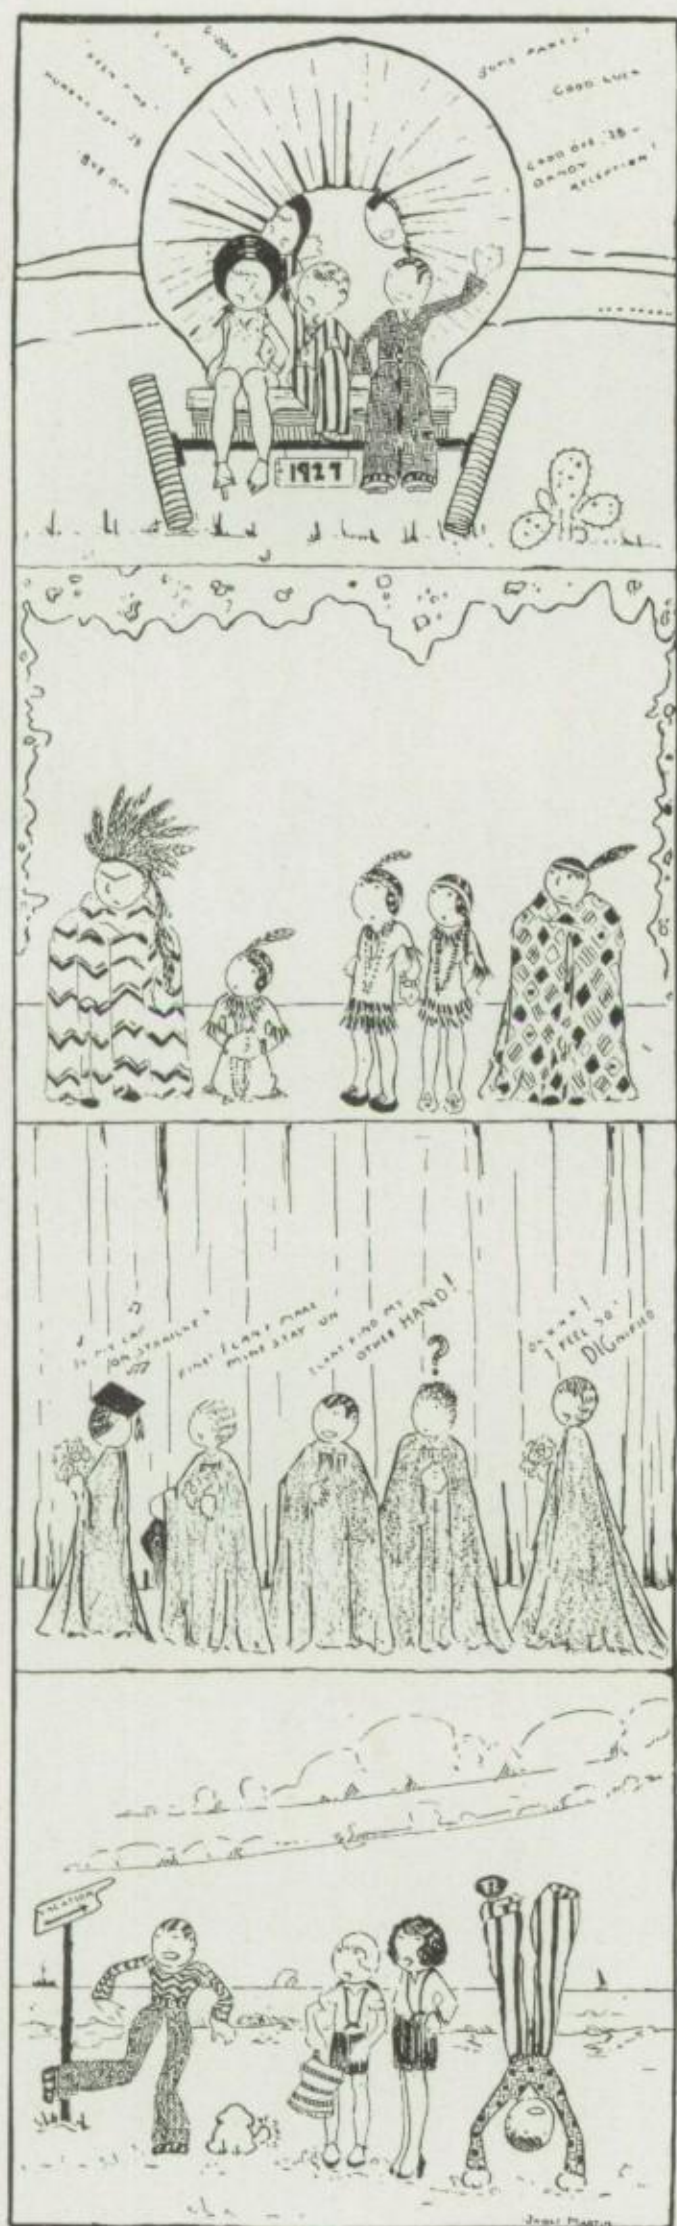

The State Superintendent of Public Schools, Mr. W. J. Cooper, inspected our camp this morning and addressed us about the Constitution.

May 5—

All the tribes of the C. B. L. met here for an Oratorical Contest. Warren Moore, one of our own number won first place.

May 6—

John King journeyed to the Camp

of The Long Beach tribe and won second place for San Bernardino County in the National Oratorical Contest.

May 9—

Some of our aspiring orators competed in the Canadian Friendship Oratorical Contest. Oh, but these contests are becoming fashionable! Mrs. MacDonald won this one.

May 13 and 14—

Mr. Blakeslee's real Indian opera, "The Legend of Wiwaste" was produced here in our camp.

May 20—

The Junior Farm Center boys celebrated the opening day of their fair with a royal feast. All the women held a gay carnival this evening.

May 21—

The Junior Farm Center fair closed after two very successful days.

May 27—

The Juniors gave a big reception for the Honorable Elders, who will leave the caravan when they reach the Land of Knowledge.

June 3—

No, the Honorable Elders haven't donned war paint. They have just been to Laguna enjoying the cool ocean breezes,—and the sun did the rest.

June 5—

Camp was filled with visitors who came to hear Dr. Ferris preach the Commencement Sermon.

June 8—

Our band gathered together this morning for the last time before the goal is reached.

June 9—

At last we have reached the borders of the Land of Knowledge, and are preparing to break camp.

June 14—

Tonight we met together for the last time around the pleasant campfire. Our long journey is safely completed, but it is with a little touch of sadness that we bid farewell to our old, familiar camp and step forward into the new land.

SENIOR CLASS OF 1927

SENIOR PEDIGREES

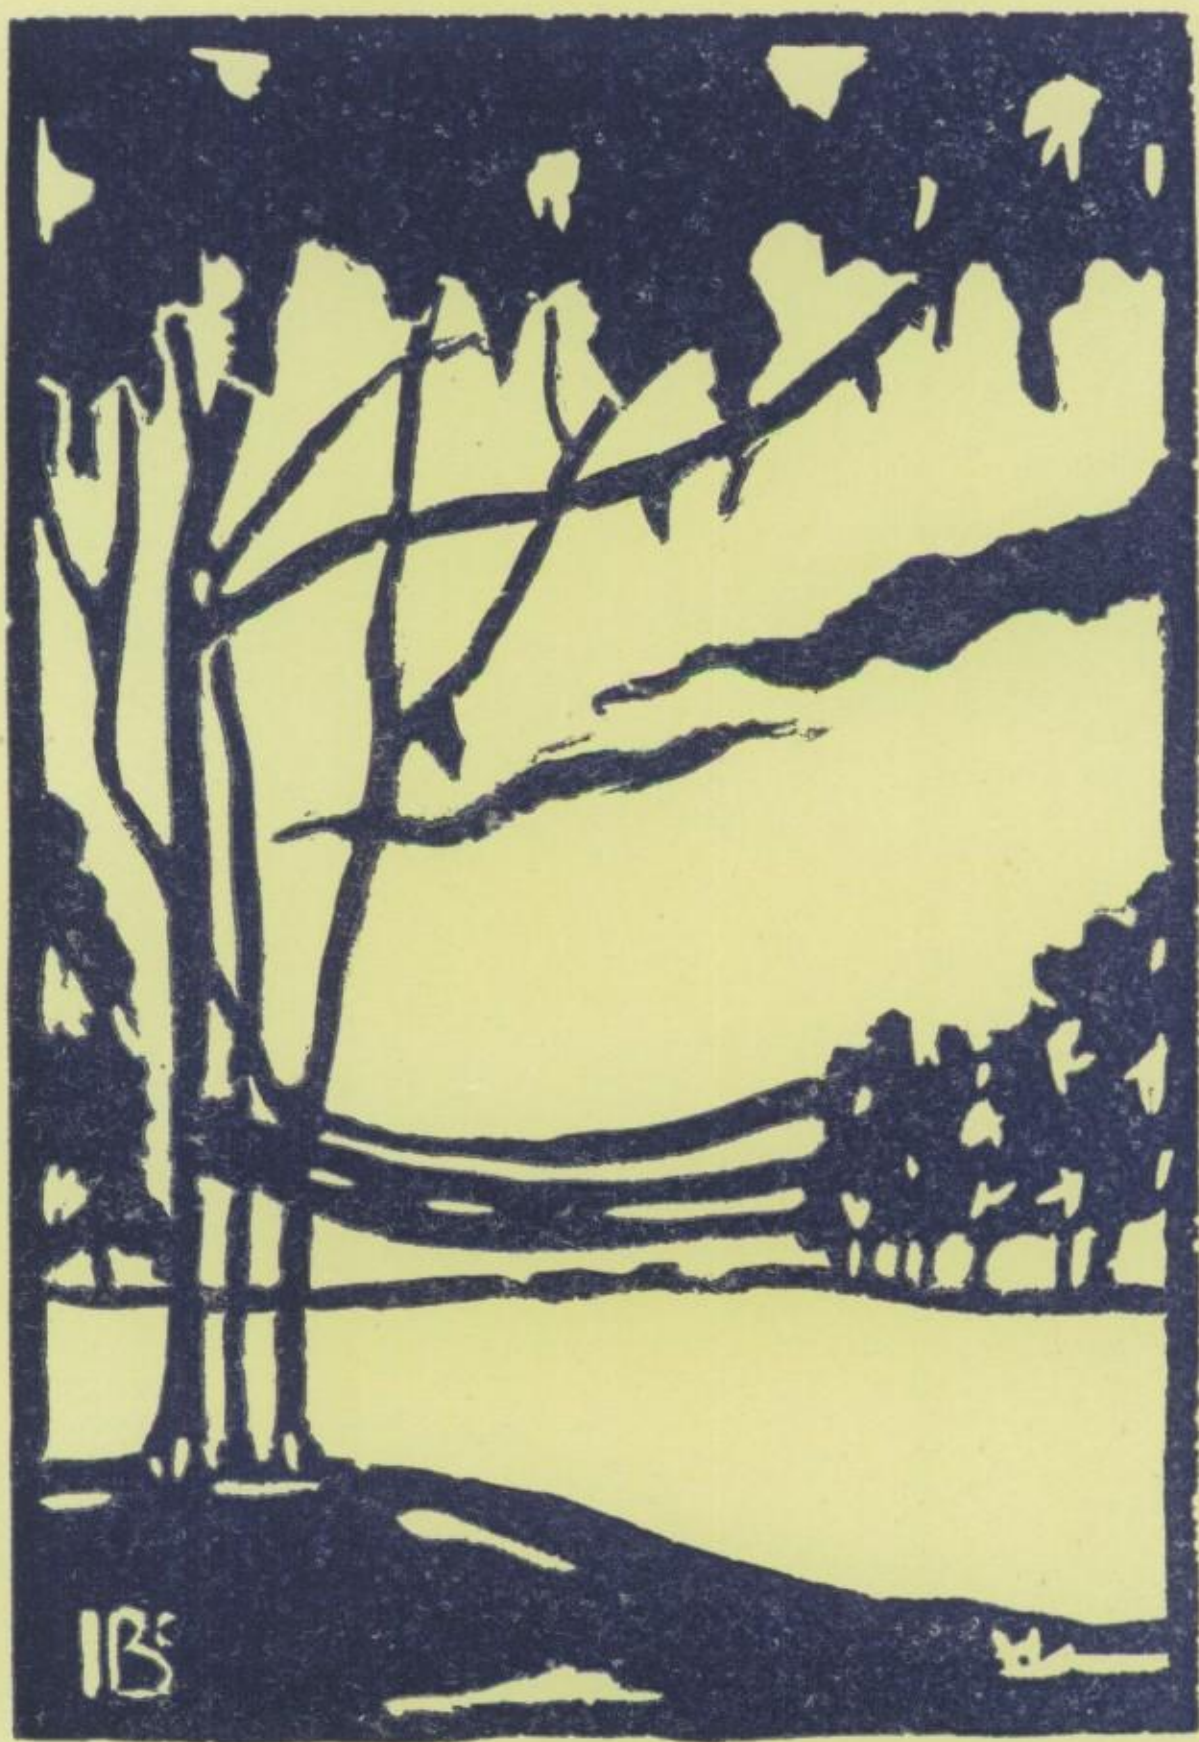

- ABRAMS, GEORGE—Lightweight Basketball 4; Transfer *Gwinn High School, Gwinn, Michigan* 1; Class vice-president 1; Basketball 1.
- ADAMS, AGNES—Volleyball 1, 2; Girl Reserves 3, 4; Chemistry 4; Forney High School; Forneysex; "Styles—My Grandmother and I" 2.
- ALEXANDER, ELAINE—Tatler Staff Assistant Editor 4; Spanish 3, 4; Sigma Alpha 2, 3, 4; Science Club 4; Girl Scouts 2, 3, 4; "The Youngest"—Augusta Martin; "The Charm School"—Miss Hays.
- ALLATT, ESTHER—Glee Club 4; Science Club 4; Girl Scouts 2, 3, 4; Transfer *Lockport High School, Lockport, N. Y.*, 2.

(Continued on Page 154)

THE STORM

"Ship ahoy! Who floats there?" came the cry from the Stygian darkness.

"The good ship *Hennerly F.* What port is this?" was the answering shout from the amphibious contraption which was approaching.

"Chaffey Union High School and Junior College," came a fog-horn voice in reply, "famed for its swimming facilities."

"'Ring out wild bells,' we're here," cried a relieved student. "'Where's the dock? I didn't think my ship would come in this way. Hurray, I'm grounded!'"

"Drowned? Wait a minute!" Two dripping figures leaped into the flood and brought the voyagers to port against the curb of Euclid avenue, while water ran high, wide and wet.

"Are you wet, Mr. Hall?" piped a voice from the shelter of the hold. "And look at Mr. Fischer! I never dreamed I was so important I had to have a welcoming committee."

"I grieve to report," said Mr. Hall in a gargling voice, due perhaps to the rain, "that there is no school upon this day, Wednesday, February 16, 1927 A. D."

"Eureka!" shrieked the student.

"Wait," added Mr. Fischer. "We'll make it up in June."

THE LATEST FAD

Pages of pen and ink
Signed by school day pals.
Verses, names and pictures
By various boys and gals.

Teachers hate to see them coming,
And look with wrath and hate,
But the students care not how they feel,
They think the books are great!

Autographs! Autographs!
Everywhere you look,
Someone is running 'round,
With a funny book!

Sign 'em in the middle!
Sign 'em in the front,
And to think of something clever
Is quite a hefty stunt!

WRONG INFLUENCE

Arthur Allen (in Social Problems)—
“Women should not be elected to Congress,
because they might influence the men.”

THE EXCEPTION

“My boy,” admonished the teacher,
“Lazy men’s names are not written on the
sands of time.”

“Oh, I don’t know. What about Rip
Van Winkle?”

TOUGH ONE

Sophomore (in awed tone)—“See that
big fellow over there? Well, he broke
three records last week.”

Freshman—“Mercy, I wouldn’t let him
play the Victrola!”

ALL CLEAR

English Teacher—“Johnny, what are the
two genders?”

Johnny — “Masculine and feminine.
The masculines are divided into temperate
and intemperate and the feminine into
frigid and torrid.

SAVING

Teacher—"What is a postoffice?"

Ralph—"Where a Scotchman fills his fountain pen."

WRONG REFERENCE

Teacher—"Do you know Lincoln's Gettysburg Address?"

Pupil—"I thought that he lived at the White House."

HE'D DROWN THERE

Mr. Clapp—"A man learns most who begins at the bottom."

A voice from the plunge interrupted him. "What about a fellow learning to swim?"

JUST FIT

The teacher in English had just explained that an anonymous person was one who did not want to be known. A little later on someone laughed out loud.

"Who laughed?" asked the teacher severely.

"An anonymous person," promptly replied Philip Scott.

Give Yourself
Lots of Time . . .

We'll wait on you promptly, of
course. And it won't be hard to
show you Griffon Clothes that
will please you.

But you'll need time to decide
which Griffon Suit you like
best. That's why we're advising
that you stop in and look over
the Spring models when you're
not in too much of a hurry!

ELEGANCE

Mary Graber—"John, why are you drinking that liquid veneer?"

John Mehl—"Oh, I'm just acquiring a little polish."

THE TABLES TURNED

"Do you know," said the student to his English teacher, "I hold rather a contempt for Spencer."

"I greatly fear, young man, that your contempt is not bred by familiarity."

TIME FOR CHAINS, TOO

Richard Bumstead—"If an automobile slipped on an icy street, whose children would they be?"

"Ted" Gilman—"I don't know."

Richard B—"The motor-car skids."

CAUSE FOR DELAY

"What was the matter this morning?"

"Oh," said the student, applying for a permit, "When I got up this morning I felt like a leaky roof?"

"Why?" asked Mr. Hall.

"I needed a shingle."

CHEAPER

Senior—"Why not buy thermometers in summer?"

Mr. Snyder—"Because they are lower in winter."

USE SALT

"Have you read, 'To a Field Mouse?' inquired Arline.

"No; how do you get them to listen?" asked Porter.

OUCH!

Al (at vaudeville)—"That guy sings all over on the vaudeville circuit."

Bert—"As an osteopathic tenor?"

Al—"What do you mean?"

Bert—"He sings in all the joints."

CAN YOU BEAR THIS?

English Teacher—"Who were the three bears?"

Student—"Septem-bear, Octo-bear, and Novem-bear."

Teacher—"But what about December?"

Student—"Oh, if it's De-same-bear, it doesn't count."

The Medicine Man

...and...

His Trusty Crew

HE BIT

Upper Classman—"Where do you hail from?"

Innocent One (new to the school)—
"From Fishhook."

U. C.—"Where's that?"

I. O.—"At the end of the line."

RATHER CONVINCING

Miss Plant—"I observe, Leslie, that you have used the word, 'gent,' in your composition."

Leslie Boyd—"Yes."

Miss Plant—"Please explain it."

L. B.—"Well, a 'gent' is only two-thirds a gentleman."

MEANING THE SAME

A student who could not pronounce the letter "R" was given the sentence to read: "Robert gave Richard a rap in the ribs for roasting the rabbit so rare."

He studied it a moment, and then glibly rendered it as follows: "Bobby gave Dicky a thump in the side for cooking the bunny so little."

Be Friendly to Your Feet

Remember, you have only one pair of feet to last you through life.

Brownbilt and Buster Brown Shoes not only have style, but give real comfort to your feet because they are made over lasts correctly proportioned for each type of foot.

Treat your feet to a pair of Brownbilts and learn real shoe satisfaction.

HIS FRUITS

Teacher—"If a farmer sold 1,470 bushels of wheat at \$3.17 a bushel, what would he get?"

Freshman (from rural district)—"An automobile."

IN INFANCY

Mr. Fischer (to student who had stolen a bottle of milk)—"Why did you take this milk?"

Culprit—"It's the first thing I took in my life."

LATEST THING

Two juniors were talking together, and the first one said, "What is the latest thing in men's clothes?"

"Women," promptly answered her companion.

WHAT HE WAS DOING

Mr. Blakeslee—"Who composed 'The Magic Flute'?"

Bob Stump—"Mozart."

Mr. B.—"Is he still composing?"

B. S.—"No; he is decomposing."

ESSAY ON CATS

From "An Essay on Cats"—"Cats that are made for boys and girls to maul and tease are called Maltese cats. Some cats are known by their purrs—these are called Persian Cats. Cats with bad tempers are called Angora cats. Cats with deep feelings are called Feline cats."

SOLVING THE PROBLEM

At the algebra party, Jimmie threatened to reach the capacity of expansion, when dessert was served. Jimmie stared, but found the solution. He reached for his belt, and on the tide of a long-drawn breath, sighed, "Guess I'll have to move the decimal point two places."

QUITE CORRECT

"Now, who can tell me what an 'average' is?"

"It's a thing to lay eggs on," said the bright student.

"What makes you say that?"

"Well, mother says that our hen lays six eggs a week on the average."

"Hats cleaned by phone. Ring 5-5445."
—Sign in newspaper.

WAS FOR IT

Senior—"What do you think about the cause of gravitation?"

Junior—"I don't know much about it, but I'm for it."

SOME FIGURES

A man with an uncanny mania for juggling figures produced pencil and paper and said to Bob Snell, "Put down the number of your living brothers. Multiply it by two. Add three. Multiply the result by five. Add the number of living sisters. Multiply by ten. Add the number of dead sisters and brothers. Subtract one hundred and fifty from the result." Bob did so. "Now," said the other with a cunning smile, "the right-hand figure will be the number of deaths, the middle figure the number of living sisters, and the left-hand figure the number of living brothers." And so it was.

AN ADVERTISEMENT

LOST—A walking stick by a gentleman
with an ivory head.

WRONG LIZZIE

Teacher of English History—"How old
was Elizabeth?"

Young Man (absently)—"Eighteen on
her last birthday."

CUT IT OUT

Dr. Cushman, after an hour's talk to
the class on the subject of "slang," said,
"Now, just cut out that slang; you just
gotta cut it out."

IN HIS OWN LANGUAGE

Bob Stump—"Do you know, when I was
riding on the street car the other day,
imagine what happened!"

Bob Stone—"Well, what happened?"

Bob Stump—"Well a judge got on the
car, and the conductor said to the judge,
'How are you, judge?' The judge said,
'Fine, fine, and how are you?' 'Fare,' an-
swered the man in uniform."

WRONG NUMBER

"Say, Homer, did you write that story entitled, 'The Odyssey of Homer'?"

"Naw! Why do you think so?"

"Well, the teacher just said, 'Homer wrote The Odyssey.'"

REAL SORROW

Kindly stranger, to small boy—"Why are you crying, my lad?"

Lawrence Bowman—" 'Cause my dad's invented a new soap substitute, and every time a customer comes in, I get washed as an advertisement."

ABSOLUTELY

Orator (in assembly) — "He drove straight to his goal. He looked neither to right nor left, but pressed forward, moved by a definite purpose. Neither friend nor foe could delay him, nor turn him from his course. All who crossed his path did so at their own peril. What would you call such a man?"

"A truck driver!" shouted a voice from the rear.

RIGHT!

Said a little boy to his teacher one day:
"Wright has not written 'rite' right, I say."
And the teacher replied,
As the blunder she eyed,
"Right! Wright, write rite right right
away."

INTERIOR DECORATION

Marion H.—"Package of pink dye,
please."

Merchant—"For woolen or cotton
goods?"

Marion—"It's for Ma's stomach. The
doctor said she would have to diet, and
she wants it a nice, pretty color."

COLD FACTS

The North Pole, if placed alongside the
Woolworth Building, would certainly melt.

In time of famine, the Eskimos have
been known to eat leather, fish bones, each
other—almost anything in fact, except Es-
kimo Pie.

Steam heat is practically unknown in
the ice igloos of the Arctic.

JACK ANDERSON
Manager

"Where Everybody
Goes"

NO MACHINE WORK

"No country for me."

"Why not?"

"Why, they have threshing machines there, and it's bad enough when it's done by hand."

THEN THE FUN BEGAN

Wallace T. (to neighbor)—"Please, may I have my arrow?"

Neighbor—"With pleasure. Where did it fall?"

Wallace—"I think it stuck in your cat."

EXPLAINED

Teacher (to class)—"In this stanza, what is meant by the line, 'The shades of night were falling fast'?"

Clever Student—"The people were pulling down the blinds."

GET THE POINT?

"Did you get the point?" asked Emile Starling, as he stuck "Chet" Jackson with a pin.

"No," was the reply, "I got the whole thing."
